TRACKING: ACTIVITIES UNDERTAKEN IN QUARTER:

QUARTERLY RESULTS REPORTED:

QUARTER: 1 Follow up on World Bank proposed loan to Egyptian Railways (over 50 M US dollars). Flag opportunities to anadian coys.

QUARTER: 2 Keep following on World Bank proposed loan to Egyptian Railways (US\$50). Identify flag opportunities re container terminal to Cdn coys. Identify opportunities for Cdn coys in ship-building/management.

Loan approval is still pending on railways adopting WB recommendations & Egypt signing rescheduling agreement with WB. However foreign govts offering financing will have access to these projects regardless W.B. loan status.

Pending on signing rescheduling agreement between GOE and World Bank. Canac was advised of tender issuance. Requirement for payment facilities not as an option but is a must.
