**Conventional Force Data: NATO and Warsaw Pact**

(N.B. This table presents aggregated data for a large number of national forces, divided on the basis of their geographical deployment. The level of confidence as to the many components varies; the aggregated figures therefore embody a measure of estimation).

<sup>1</sup> French and Spanish forces are not part of NATO's integrated military command, but are included insofar as they are deployed in the relevant geographical area. French forces in West Germany

are included in the NGA column by virtue of their deployment, but are not subject to the MBFR negotiations.

<sup>2</sup> Ground Forces exclude paramilitary forces, border guards and
