

DEPARTMENT OF STATE
WASHINGTON

November 12, 1991

Excellency:

I have the honor to refer to recent discussions between representatives of the Government of the United States of America and the Government of Canada concerning the terms and conditions whereby cooperation on the RADARSAT Project shall be implemented by the National Aeronautics and Space Administration (NASA) and the National Oceanic and Atmospheric Administration (NOAA), on behalf of the Government of the United States of America, and the Canadian Space Agency (CSA), on behalf of the Government of Canada.

I have the honor to propose that cooperation between the two Governments on the RADARSAT Project shall be in accordance with the terms and conditions set forth in the attached Memorandum of Understanding concluded February 27, 1991 between NASA and NOAA, on the one hand, and CSA, on the other hand.

His Excellency

Derek H. Burney,

Ambassador of Canada.
