

3.5.4. Each Party shall keep the other Party informed of all mandatory airworthiness directives, or other actions which it determines are necessary for the continued airworthiness of Civil Aeronautical Products designed or manufactured under the jurisdiction of either Party and that are covered by this Agreement.

4. Production Approval

4.1. For the implementation of this Procedure, the Parties agree that the demonstration of the capability of a production organisation to assume production quality assurance and control of Civil Aeronautical Products is sufficiently controlled by the oversight of such organisation by a Competent Authority of either Party, to satisfy any difference in specific requirements of the other Party.

4.2. When a production approval under the regulatory oversight of one Party includes manufacturing sites and facilities in the other Party's territory or in a third country, the former Party shall remain responsible for the surveillance and oversight of these manufacturing sites and facilities.

4.3. The Parties may seek assistance from the civil aviation authority of a third country in the fulfilment of their regulatory surveillance and oversight functions when an approval by either Party has been granted or extended by formal agreement or arrangement with that third country.

4.4. The bodies responsible for the implementation of this section 4 relative to production approvals shall be the Competent Authorities as referred to in Article 5 of the Agreement.

5. Export Airworthiness Approvals

5.1. General

5.1.1. The Exporting Party shall issue export airworthiness approvals for Civil Aeronautical Products exported to the Importing Party under the conditions defined in Paragraphs 5.2 and 5.3.

5.1.2. The Importing Party shall accept the Exporting Party's export airworthiness approvals issued in accordance with Paragraphs 5.2 and 5.3.
