

PREFACE

This volume provides an Analytical Index of the Official Report of the Debates of the House of Commons for the Session 1911-12, and is designed as a ready reference for the use of Members of Parliament and others who have to make research.

The work is in three sections—A Table of the Sessions of the House a Subject Index, and a Name Index. In the first is given a table of the Columns for each working-day of the session; in the second section the questions discussed are treated analytically under the Subject heading, in the third section the members names are arranged alphabetically, and the subjects discussed follow in alphabetical order.

The volume has been prepared by instruction of the Debates Committee of the House.
