

Ray A. Grandall, Esq., -2-

I am hoping to be able to send you in the course of a few days a short account of the trip which Gibson and I made. The account is written by him in a very charming and interesting way.

With regard to your desire to return to Canada for your own sake and the sake of your children, I shall take the matter up with both the Canadian National and the C.P.R. I hope something comes of it.

With all good wishes, I am,

Yours faithfully,

Principal.
