C/o. Messrs. Johnston & Ward,
Moncton, N. B.

My dear Weldon:-

I beg to acknowledge receipt of
your letter of April 16th.

Just at the present moment and for
some months to come we shall not be making any
investments. You know the money subscribed to our
fund last year is coming in in instalments and we
have invested all that we have on hand. If at any
time I can put any business your way, I shall be
very glad to do so. You will appreciate, though,
that Montreal Bond and Investment Brokers are
contributors to our fund.

I hope that all goes well with you
and Lady Currie joins me in cordially reciprocating
your good wishes.

Yours faithfully,

Principal.
