Cinch the Pennant by Downing Cubs, While New York Lose.

BOSTON, Sept. 29.—A double by Whitted, after Evers had been passed, broke a tie in the ninth today, and Boston not only won from Chicago 3 to 2, but also secured the National League pennant. It was the last game of the season here for the new champions.

Tom Hughes, formerly of the Rochester Internationals, who pitched his first game for Boston, held the visitors to five hits. Their first run was due to a muff by Moran and Zimmerman's triple. Saler singled in the fourth and advanced to third on two wild pitches. When Schulte hit to Hughes, Saler was run down, Schulte scoring on Bues' triple. Boston's first runs were due to four successive bases on balls and a squeeze play, Maranville bunting toward first as Whitted raced home. Score:

Johnny Evers Big Factor for Boston

BOSTON, Sept. 29.—Boston captured the National League pennant by winning the last game of the season on the home grounds from Chicago 3 to 2, while New York was losing to Pittsburg 5 to 2.

The Braves now can afford to lose all of their remaining nine games and New York may win its eight games, and Boston still will have a margin of one-half game.

Boston's victory was a remarkable one. A tail-end team in midseason, the Braves advanced steadily from July 1 to Sept. 2, when they reached a tie with the Giants. Within two weeks of the latter date they had attained a lead which was never lost.

Manager Stallings' success has been gained with a team, many of the members of which had been discarded by other major league clubs. The greatest single factor in the building of the pennantwinning organization, however, probably was the acquisition of Johnny Evers, manager last year of the Chicago Cubs.

METHODIST CHURCH

Canadian Press Despatch. OTTAWA, Sept. 29.—The a special committee of the general conference of the Methodist Church reported to the conference this afternoon in favor of giving to women the equal rights with laymen in the administrative affairs of the church, it was voted

By the terms of the constitution governing the conference, any matter effecting a radical change in the constitution requires a three-fourths vote of the total vote cast. A standing vote was taken first and resulted 200 for and 102 against. Some of the delegates called for the yeas and nays with the result that a slight change in the vote was noted, this time 194 yeas and 99 nays being recorded. The latter vote was of course the decisive Thus to have carried the report 220 votes were required.

The committee reported that it had voted solidly against the proposal to admit women into the ministry.

Cyrus A. Birge, of Hamilton, urge

that if women were to be given equal rights in the church it should not be with laymen only, but with ministers too. He moved an amendment embracing what he desired, but this was

lost by a big majority. Joseph Gibson of Ingersoll, Ont., appealed for the adoption of the report. Dr. I. Tovell, Toronto; Rev. Thomas Clarke, Belleville; Rev. Dr. Hincks, Toronto, were among those who op-

He was "dropped" from the interprovincial, and if he wants to play ith the other the game he has to play with the other club. It would not be wise for him to start any "rough-house" there, either.

Reddy Dixon will do the roving, and, with his tackling, should prove quite effective in his new position. Dug Palmer, Lea Newton and the other probable sub-stitutes will all get a chance at some time during the game, and the specta-tors will have their first opportunity to see the whole squad at work.

The Tiger officials place little credence in the report that Tout Leckle will be back at Queen's University this season. Tout is regarded as a sure fixture for the Tiger rear division. Manson, Leckie and McKelvey are expected to round out the strongest rear-guard in the country.

Newton, the Dundas junior, worked out with the Tigers Monday evening. This lad is a splendid punter, with ability to use either foot, but he is still green, his he has had anything to do with signals. With Quilty, Jeffreys and Geo. Lains on the half-line, McGill will have a good

back division. Dave Williamson, one of last year's McGill men, turned out for the first time with the M.A.A.A. squad.

According to a Queen's despatch Tout Leckie has stated definitely that he will be on Queen's line up this year. He is returning to college to finish his course in science. Queens will have one of the strongest back divisions in many years with MacDonnell, Leckie, Hill and Hazlett.

PLATT JOINS THE ARGONAUT SQUAD

Former Varsity Outside Wing Turns Out With Scullers -Rugby Gossip.

Jack Newton will coach the Argonaut squad for the next couple of weeks, until Rev. Biddy Barr can arrange his affairs to take up Rugby again. The scullers had another big squad at Rosedale last night and Platt, the former Varsity outside wing, made his initial appearance He is stated for a regular job. Zimmerman, Bickle and Davidson of Parkdale were also on the job.

Enough pigskin chasers to make up three teams turned out at Varsity Stadium last night and Hughie Gall and Charlie Gage were kept busy hustling the big squad around. It was the usual kicking, running, signal practice and the windup as a lineup. Tommy Dale donned a uniform for the first time.

Varsity Old Beys will turn out to practice tonight in preparation for their game with the Intercollegiate team on Saturday. Those expected out are: Maynard, Platt, Sifton, Cory, Park, Leonard, Bell, Lawson, Clark, Foulds, Gall, Knight, Kennedy and Knox. Any ex-U. of T. players in town are requested to turn out.

Tiny Hewitson, an old Rugby and ball player and a member of Typographica Union, No. 91, is off to the front, a mem-ber of the Strathcona Horse.

Ottawa Free Press: An officer of the Ottawa Football Club opines traffic in players will bring gridfron conditions back to the days when every member of the team was supposed to get his "bit." He alleges the promoters of the new O.R.F.U. club are already angling for players who have been out this season with the Big Four squad, and further declares if any of them switch, there must be some reason for it. There may be inducements such as jobs offered, but it's a cinch if any coin of the realm is handed out for football players this season it will come from some one's pocket. With the war and two teams, patronage will be cut considerably over previous years.

Ottawa Journal: The chances are that, within the next few days, the war will not be conducted under Hague rules, and both clubs will be using every manner of grabbing the men. There are hardly enough players for two clubs in Ottawa, and either one or the other appears likely to go to the wall.

The new Ottawa club is trying to arrange for a game against the McGill team at Lansdowne Park on Thanksgiving Day, but the Ottawas want the field for the intermediates.

Jake Landsberg, whose playing last Saturday was responsible for a Capital victory over Balmy Beach in the junior O.R.F.U. series, has taken over the Judean A.C. A full turnout is requested, as the team will be picked for Saturday's league game with the Capitals.

Another unfortunate accident occurred at Monday's practice of the Ottawa Inter provincial Club. Don Brophy, the former McGill half-back, who has been doing good work behind the Ottawa line. collapsed after a hard tackle and had to leave the field with his left knee in bad shape. This knee was injured in the Intercollegiate series last season, and appears to be vulnerable. The tackle was an unusually hard one, and Brophy lay prostrate for a minute or so.
