

To such I have only endeavoured to explain my *Meaning*---It is the Gentlemen of landed Property and others residing in the country whom I wish to *inform*, for their *Use* I write, and for that purpose I have avoided as much as possible, every *technical term*, or professional *Phrase*.

As for myself if what I can say may tend to rescue one poor wretch from *Disease*, or stimulate one rich man to Pity, and Benevolence, I shall be more proud of my Endeavours, than if they were rewarded with academical Honors.
