

YORK COUNTY AND SUBURBS

Danforth WOODBINE HEIGHTS AND HYDRO LIGHT

Regarding hydro-electric light for the Woodbine Heights district, Deputy Reeve Fred H. Miller, York Township, told The World yesterday "that the council would like to see every section in the township supplied with electric light, but the hydro light would have to be paid for as a local improvement."

"It is doubtful if the government would allow the people to spend the money," he said. "The hydro would have to be paid out if the proposition was a paying one to supply the Woodbine Heights. It must be remembered that copper is going up from 15 cents to 70 cents a pound, and poles from \$5 to \$15 each since the war started, and all expenses would have to be borne by the people of the district," said Mr. Miller, who added that Earls Court, East York, Point, Humber Crescent and many other older and closely built-in districts were still without light. "The township from Morrison avenue in the Earls Court district northward to Everfield road, with a population of 2000, there is not a single street light in that closely-settled section," said Mr. Miller. "This section, with the population of a town more than the newer sections, should have street lights. It must be remembered that hydro power is required for munition work and it is doubtful if there would be sufficient to spare for new districts. However, we are not against any district getting lights providing the government allows the money to be spent," he said.

NEW ORGAN INSTALLED.

A new organ has been installed in North Broadview Presbyterian Church, Broadview avenue, and will be opened with special choir music tomorrow, under the direction of George Fletcher, choir leader. The instrument is a two-manual reed, and has an latest improved electric blower. Rev. W. M. Kahn is minister.

TO SURPASS IN BUILDING.

The district south of Danforth avenue, east of Greenwood, is fair to eclipse any other section in building activity during the present year. It is reported that six pairs of solid brick houses are to be erected forthwith by Dr. Gallagher & Co. on Rosedale street, west of the corner of Danforth avenue. The foundations for the twelve dwellings are now being put in.

FAVORS HYDRO LIGHTING.

"If the people of Woodbine Heights want the Hydro-Electric light in their district and are strong enough to carry the burden, they should have it," said J. B. Harris, prominent resident of the Danforth district, yesterday, who added that the district was a rapidly growing one and lights were an urgent necessity.

Street Cars for Rosedale and Leaside.

What is Mayor Church going to do to get street cars to the military hospital in Rosedale and the government railway yards and shops in Leaside? Major-General Potheringham visited the hospital site yesterday; work on the buildings will commence at once. The workmen also need cars; much more so the inmates of and visitors to the hospital. Will the cars be there as soon as the patients? The minister of militia has had Colonel Bickford call on Mayor Church two or three times. His worship is willing, but Finance Commissioner Bradshaw is hiding behind a circular from Sir Thomas White cautioning municipalities to finance only such securities as are necessary to provide for indispensable works. A street car service to the hospital and railway yards and to the aviation camp is an indispensable work. Sir Thomas White will help to finance them; not forbid them.

The C.P.R. yards and shops did it more to make West Toronto what it is than anything else; and government shops and yards will do the same for Leaside. One tax bill the C.P.R. paid at the city hall yesterday was about three hundred thousand dollars. The government engineers at Leaside are making a study of the street car situation and it is likely that some reasonable plan will be laid before Mayor Church. The Imperial Munition Board didn't get much help from Toronto in the way of roads or cars to their camp at Leaside, Mayor Church would sooner wear a plug hat and bouquet when the governor-general comes to town than bring Sam McBride and John O'Neill into line on helping on a bridge across the ravine to the hospital and also to put in a subway near it if his worship joins in. Why does not the mayor at least call a conference?

Editor World: Let me suggest that the most available street car service for the aviation camp, the new railway yards and the munition plant, all in Leaside, would be to extend the municipal line on St. Clair avenue from Yonge street dug to Leaside and thru Leaside (beyond Bayview) by Laird drive, the Leaside street nearest all these institutions. The Toronto Railway system touches

TIME IS MONEY

Most plumbers do good work—some are faster—some slower. This business has reached its present stage because we do "good work" and do it promptly. There is much in our favor—much in your favor. We have originated a new idea in service. Our cars cover the entire city, they eliminate the old-time way of travelling to and fro with a handful of tools. Going back for supplies, or for any necessary tool is a thing of the past with SHANNON SERVICE. It is obvious that the saving of time means saving of money to you. No delays. Our men stay on the job until it is done. We have a fleet of Shannon's Cars which will be there promptly.

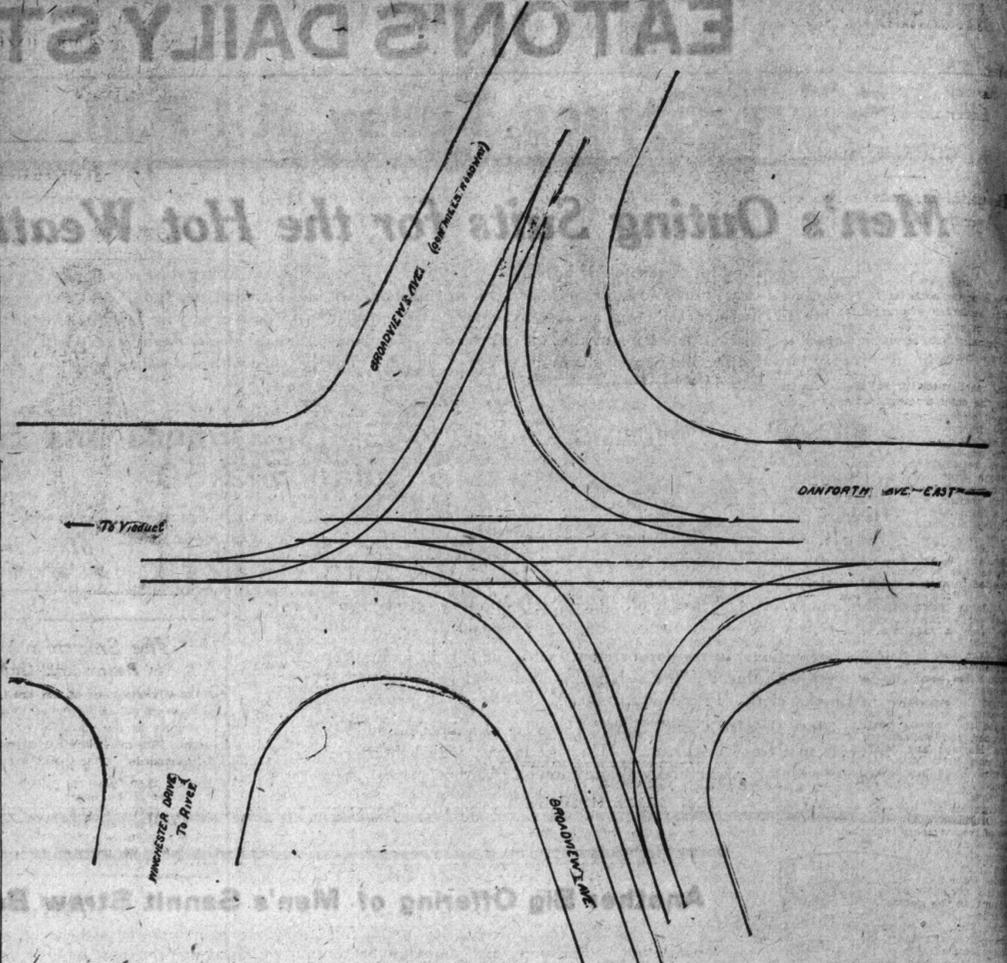

Phone Park 738-739

at the head of Avenue road the municipal line on St. Clair; also at other points in the west end. This plan involves two bridges over the ravine, but wooden ones would do in the meantime. I imagine Mr. Harris, of the city hall, would favor this plan. It would carry work people from West Toronto right across to Leaside for a two-cent fare.

Another sign of the development in the Leaside district is the announcement that the Canadian Northern trains will soon be running over the C. P. tracks, instead of on their own lines in the Don Valley. The General Signal Co. is nearly finishing installing an interlocking connection between the Canadian Northern's Winnipeg line with the C.P.R. at Donlands Junction, one mile east of Leaside. From this point north up to Duncan street, the C.P.R. has a line of one year ago, saving several miles and a climb of 140 feet. The new line is over two miles in length, and the ballast trains are now at work leveling up the track on it. The connection with the C. P. was finished yesterday and the signal tower with its levers will be in commission in a few days. The Ottawa line of the C.N.R. will also soon go for the C.P.R. for a mile beyond Agincourt, where the C.N. and C.P. lines come alongside and run alongside as far as Cherrywood. This is why the contractors are busy on the new government yard at Leaside so that the trains and cars that now concentrate in the Don Valley may be moved up to the new plant on the higher level. Leaside is to have two big railways alongside one another and will be one of the busiest railway centres about Toronto. The old apple orchards of the Lea families are fast disappearing.

THE NEW VIADUCT JOIN-UP OF THE TORONTO RAILWAY AND MUNICIPAL CAR LINES, HEAD OF BROADVIEW

The above cut shows the intersection of the Toronto Railway tracks and the municipal street car tracks at Broadview and Danforth. The municipal tracks on Danforth are extended westward to and over the viaduct to Sherbourne street. But the Toronto

Railway is to extend its Church street line over this new municipal line to the head of Broadview now served by the company. The intersection will allow Toronto Railway cars to go up Broadview and turn westward over the viaduct to its rails at Sherbourne,

or the reverse. But ordinarily the Broadview cars will come up to Danforth, turn to the right and Y back and down Broadview. The Church street line will Y up North Broadview (Don Mills road) and return across the viaduct. The municipal line will

Y in the same way, but return to the east. Cars can therefore run on one line in or back on to the other and it would be possible to run municipal cars from Danforth east right down town and back again. It is the first living connection between the rival systems.

Riverdale

CERTIFICATES GIVEN RHODES AVENUE BABIES

In connection with the Rhodes Avenue Presbyterian Church baby show recently held in the church, East Gerrard street, first, second and third class certificates were granted by the medical health department to the following babies, which were divided into six groups:

- Babies, one to three months—1. Helen Ritchie, 433 Jones avenue; 2. William Forster, 246 Broadview avenue; 3. John James Smith, 8 Richards avenue.
- Three to six months—1. Robert Ayers, 124 Coxwell avenue; 2. Donald Bell, 122 Lavelor avenue; 3. Alma Barrett, 1 Battemberg avenue.
- Six to nine months—1. Sydney Goodwin, 247 Ashdale avenue; 2. Fred Rudolph, 246 Broadview avenue; 3. Bruce Williamson, 47 Condon street.
- Nine to twelve months—1. Douglas Richardson, 3 Orchard Park boulevard; 2. James Henry Sharp, 150 Curzon street; 3. Douglas Dowell, 22 Harriet street; 4. Andrew Alderman, 108 Curzon street.
- Eighteen to twenty-four months—1. Dorothy O'Donnell, 24 Rhodes avenue; 2. Edward Garrett, 3 Queen Victoria avenue; 3. Borden Ashley, 7 Seymour avenue.
- Twins—George Brooks and James Brooks, 48 Moscow avenue.

The result of the show is very satisfactory and has given much pleasure to the parents, and the management of the clinic. In connection with the church, said Mrs. H. A. Berke, who added that certificates are given to the babies who receive certificates attend the clinic held in the church every Tuesday.

CHILD'S FUNERAL TODAY.
The funeral of the late Dorothy Robotham, aged five years and 11 months, only child of Mr. and Mrs. R. Allen Robotham, 1195 East Gerrard street, died of diphtheria after an illness of one week, will take place at 10 o'clock today at St. John's Cemetery, Norway. The funeral service will be conducted by Rev. J. Madill, St. John's Anglican Church, at the graveside.

BEACH CAMP OPENS.
The Broadview Y.M.C.A. Beaches Camp at Birchcliffe opened yesterday in charge of H. J. Walker, boys' work secretary. The camp, which will last for two weeks, has 34 boys, which is its full complement.

VETERANS' BI-WEEKLY DANCE.
The bi-weekly dance in connection with **CONSTIPATED CHILDREN**

Mothers if your little ones are constipated; if their little stomach and bowels are out of order; if they cry a great deal and are cross and peevish; give them a dose of Baby's Own Tablets—the ideal medicine for little ones. The Tablets are gentle but thorough laxative and never fail to bring the minor disorders of childhood. Concerning Mrs. Noble A. Pryor, Ecum Secum, N.S., writes:— "My baby was terribly constipated but Baby's Own Tablets soon relieved her and I now think them a splendid medicine for little ones." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

The Don Viaduct.

The north side of the new asphalted continuation of Danforth to the Don viaduct was opened last night, giving access to Cambridge street. The south side, giving access to the Winchester grade and to Broadview, ought to be opened by tonight. The square oak ties are all piled up waiting for the rails, which will be released today sometime and track-laying to end on the viaduct begun on Monday. A cut of the junction and viaduct switches between the Toronto Railway and the municipal street cars at Broadview and Danforth will be found elsewhere in this issue. Work on the new curves and switches will start at once.

The Riverdale branch, G.W.V.A., was held in Playter's Hall, Danforth avenue, last evening. The chief feature of the proceedings was the prize waltz contest, for which there were a large number of candidates. Refreshments were served by the women's entertainment committee, under the supervision of Mrs. W. C. Hardinge. The music was supplied by F. O. Co. orchestra, and there was a large attendance.

MRS. GIVEN BURIED.
The funeral of Mrs. Margaret Given, who died in her 80th year at Barrie, took place at Lavender Cemetery on Thursday last.

The late Mrs. Given is survived by five daughters—Mrs. (Dr.) Long, wife of Rev. Dr. J. A. Long, Riverdale Methodist Church; Mrs. Robt. John Ferris Barrie; Mrs. John Flynn, Stayner; Mrs. Thomas McKay, Barrie; Rev. Robt. McKee, Thornhill; and George Coulter, Creemore, officiated at the graveside. Among those present were Rev. Dr. J. A. Long, Riverdale Methodist Church, and Mrs. Long.

NO. 3 STATION BUSY.
A continuous stream of registrants kept the staff of No. 3 police station, Pape avenue, busy during yesterday from early morning until a late hour in the evening. Total of 350 persons were registered for the day.

EXPECT PLAYGROUND OPENED.
Mayor Church will have Matter Taken Up at Once.

John T. Watson, Rhodes avenue, a prominent member of the Norway Ratepayers' Association, who, with other residents, is taking a keen interest in the welfare of the children of the section, is in receipt of a communication from Mayor Church with reference to opening the playground abandoned by the late Riverdale settlement people, on the corner of Rhodes avenue and East Gerrard street.

Mayor Church writes: "I have your letter regarding the playground for children on the corner of Gerrard street and Rhodes avenue, and I am bringing the matter before the committee of the parks department, and on receipt of their reply will write you again."

Within the last few days the playground site was inspected by the civic officials and I am confident that the playground will be opened shortly by the parks department playground committee.

WANT PAPE AVENUE EXTENDED.

The residents here are to ask Hon. George Henry to help them to get Pape avenue extended across the Don valley to the Leaside district, where a lot of work is now going. More houses for workmen would be built in Todmorden if this road were built. It is only a mile straight over from Todmorden to the munition plant at Leaside, where over 5000 men and women are, or will be, employed. A low-level bridge across the Don in line with Pape avenue could be built for a comparatively small sum. Rev. Griffiths is to be invited to visit Todmorden on the subject.

DON MILLS PASTOR MOVED.
Rev. A. D. Frank, pastor Don Mills Methodist Church, Don Mills road, has been transferred to Danford, and will be succeeded by Rev. H. Adams, from Downsville. The change will take place the first Sunday in July.

PLANS FOR YORK PICNIC.
The women's branch of the Danforth Park Ratepayers' Association has under way the details of the annual picnic, one of the great events in this growing section of the township.

GIVEN MASONIC FUNERAL.
The funeral of Edward Wakefield took place yesterday from his home, 152 Evelyn avenue, and was in charge of Stanley Lodge, A.F. and A.M., No. 426, of which he was a member. Past Master John Peterson, an intimate friend of Mr. Wakefield, and District Deputy A. B. Rice, recited the burial ritual and Mr. (Rev.) R. MacNamara, of St. John's Church, assisted with the service. The pallbearers were: D. C. Walton, J. C. Willard, R. Peterson, F. Sheppard, H. West and W. H. Weir.

Many beautiful floral tributes were sent, including one from Stanley Lodge and one from the family. The William Speers undertaking establishment had in charge of the funeral arrangements.

I KNOW A WOMAN'S SUFFERINGS

I am a woman. What I have suffered is a far better guide than any MAN'S experience gained second-hand. I know your need for sympathy and health. And the treatment that gave me health and strength, new interest in life, I want to pass on to you, that you, too, may enjoy the premium boon of health.

Are you unhappy, unfit for your duties? Write and tell me how you feel and I will send you ten days' FREE trial of a home treatment to meet your individual needs, together with information of a home care, who have passed through your troubles and regained health; or you can secure this FREE treatment for your daughter, sister or mother. If you suffer from pain in the head, back, or bowels, feeling of weight and dragging down stomach, fatigue or displacement of internal organs, bladder irritation with frequent urination, obstinate constipation or piles, pain in the sides, regularly or irregularly, bloating, dyspepsia, extreme nervousness, depression, weakness, yellow complexion, with dark circles under the eyes, pain in the left breast or a general feeling that life is not worth living, I invite you to send yourself for my complete ten days' treatment for these ailments can be easily and surely overcome, your own home, without the expense of hospital treatment, or the danger of operation. When every organ where are escaping the surgeon's knife by knowing of my simple method of home treatment, and when you have been benefited, my sister, I shall only ask you to pass the good word along to some other sufferer. My home treatment is for all—young or old. **MRS. M. SUMMERS, Box 65**

Beaches

BOYS AT EATON CAMP ENJOY FIRST SWIM

The boys of the Eaton Camp, Victoria Park, held the second of their weekly concerts last night in the main tent. The program consisted of songs, readings, violin solos, stunts by the awkward concert, contortion work by Clarence McCaw, guitar solos by Rene Lawrence and choruses by the entire camp. The program was supplied by boys of the camp, which contains some good musicians. E. L. Beaupre, who played the piano, also plays the Hawaiian guitar, and other instruments. He is a whole show in himself. A. B. Chubb, the camp superintendent, was a contributor to an enjoyable evening.

The boys enjoyed their first swim in the tank, which was filled yesterday, and as this was the last day in camp for the first squad of fifty boys, they took advantage of it. The tank was to have been formally opened this afternoon, but as Sir John Eaton was out of town, it has been postponed until Wednesday evening, when some expert swimmers and divers will be present to give a lecture on swimming and also give exhibitions.

The boys have erected a small monument of cement and cobblestones, which has a brass plate on it bearing the name of the tank, which was filled yesterday. It has a Canadian flag, which the boys hoisted every day and salute it.

LOSES PURSE AT PICNIC.

Mrs. L. White, 152 Eastern avenue, the wife of a soldier overseas, had her purse containing twenty-two dollars stolen in Kew Gardens yesterday afternoon. Mrs. White left her purse on top of her picnic basket while she went to the wash room. When she returned around it was gone. Two boys were seen running away, but Mrs. White was unable to give a description of them. The police were notified, but have not yet located the thieves.

Read My FREE Offer!
To Mothers of Daughters, I will explain a simple home treatment which speedily and effectively dispels green-sickness (colic), irregularities, headaches and kindred ailments, and restores them to plump, healthy, happy children. Write me today about your daughter. Remember I come for nothing to give my method of home treatment a complete ten days' trial, and if you wish to continue, it costs only 10 cents a week to do so, and it does not interfere with one's daily work. In health write for it. Write for it, and I will send it plain wrapper by return mail. Complete offer, has the places that tell you how to return to me. Write and ask for the good word along to some other sufferer. My home treatment is for all—young or old. **MRS. M. SUMMERS, Box 65**
