27TH YEAR

OSHOW ORCHARD THE MINERS' WRECKING

Defence Will Try to Shift Responsibility for Series of Awful Crimes.

WITNESS A COOL HAND

BOISE, Idaho, June 9.—The cross-examination of Harry Orchard, by his own confession the slayer of eighteen men with bullet and bomb, is likely to last thru Monday and Tuesday of this week possibly longer.

Orchard spared no incident under questioning by the state, which might prove to the jury his readiness to slaughter for low pay and his utter indifference as to the number or condition of his victims.

Under cross-examination by E. F. Richardson, counsel for W. D. Hayward, Orchard has so far described the crimes in detail.

By his own admission, Orchard is a bigamist, a thief, a liar and an incendiary; he has been treacherous to his employers; he has deserted two wives, and his children.

By its questions the defence has plainly indicated its intention of proving that Orchard was the hired agent of the mine owners.

From half a dozen state witnesses will be called to deny Orchard's assertions. Already two men, accused by Orchard of conspiracy in the plots he says were hatched with the "inner circle" of the Western Federation of Miners, have been called.

Session after session since Orchard first took the stand a crowd has sought admission. Every seat is filled before order is called, and hundreds are turned away.

Between counsel for the state and for the defence feeling is apparent. At every session there are exchanges of sharp words.

But the coolest man in the court is Orchard. Under Mr. Richardson's grill he has seldom changed the tone in which he first told his awful tale.

At the close of Orchard's cross-examination the state will take him in hand for re-direct questioning.

Another Week of It. At the close of Orchard's cross-examination the state will take him in hand for re-direct questioning.

U.S. JAPANESE TROUBLES PART OF POLITICAL PLOT

Deliberate Attempt Being Made to Stir Up National Feeling to Bring About Overthrow of Government.

WASHINGTON, June 9.—That the Japanese of the Pacific coast, and the Japanese, a political party of Japan, have entered into an alliance which has the earmarks of an international conspiracy, with the overthrow of the present ministry in Japan and the annulment of the clause in the immigration bill excluding Japanese, come labor from continental United States, as the ultimate objects, was learned authoritatively here today.

The preliminary steps in this scheme, it is said, will be to induce the Tokio government to recall Viscount Aoki, the Japanese ambassador to the United States, and to demand an apology, and perhaps an indemnity from the American government for the alleged acts of violence against Japanese subjects residing in San Francisco.

How far Viscount Tanji represents public sentiment it is difficult to estimate at the present time.

Walking or driving in the country these days you are likely to hear a succession of sharp, quick strokes, something like an axe chopping, faster yet not so clearcut, and sometimes you hear it going twice as fast, but not quite even in time. In this case it is two of them going.

These facts became known to-day for the first time, when it was learned that T. Takashi, a representative of the Seattle Japanese Society; T. Onada, representative of the San Francisco Japanese Society; and K. Kawakami, staff representative of the Toronto (daily newspaper), came to Washington on April 27 and remained until May 17, during which time they were negotiating with the Japanese ambassador looking to the annulment of the Japanese immigration limitation law.

This delegation failed in its purpose, and it is stated, after charging Ambassador Aoki with treachery to the Japanese of the Pacific coast, and with misrepresenting conditions to his home government, they telegraphed to Ototaka Yamaoka, the personal representative of Count Okuma, who was awaiting their report in Seattle, Wash., with the request that he communicate with the anti-administration leaders in Tokio.

Yamaoka, who brought about the alliance with the Japanese of the Pacific coast, is now one of the recognized leaders of the Progressives, a faction which was led by Toru Hoshi, former minister to the United States, who was assassinated after he returned to Tokio in 1897 and accepted a place in the cabinet. Yamaoka is described as one of the shrewdest politicians in the empire, and it is said that by means of frequent answer, and when he receives a statement not to his satisfaction he will change it, always preceding the change with: "I beg your pardon, sir, but I would like to change that answer."

It is stated here that he will charge that Foreign Minister Hayashi has allowed Ambassador Aoki to pursue a too conciliatory course and to make too many concessions in dealing with the United States government regarding the San Francisco questions.

SPREADING RAILS DITCH TRAIN AT SCOTIA

Four Pullman Sleepers of North-Bound G.T.R. Train Tip Over on Their Sides.

BUT NO ONE IS HURT

SCOTIA JUNCTION, June 9.—(Special.)—An accident last night 2-1/2 miles south of this place, delayed all traffic for several hours. At 8 p. m. a passenger train, bound for North Bay, left the track. The accident was caused by spreading rails.

Four passenger coaches left the track and tipped over sideways, but fortunately no one was seriously injured.

The track was torn up for several yards. A wrecking crew left North Bay about 9:30 and worked all night. The baggage car and one coach were got on the track, and the other three coaches tipped over to enable trains to pass.

Both north and southbound trains were held up from eight to eighteen hours. The southbound train had on board Roderick Mackenzie of Winnipeg, who was going to Toronto to attend the funeral of his brother, and a special was sent to the scene of the accident, and he and all the passengers in the day coaches left for Toronto at 2 o'clock this morning.

The Pullman passengers, however, were not awakened.

Many prominent people were on the Cobalt special, and the delay of so many hours resulted in many missing their connections. Among them were W. B. Thompson, J. E. Thompson, E. P. Earle, and C. B. Flynn of New York; J. W. Evans, Sydney Smith and wife, G. M. Miles, Lenox Scott, G. Clark of Cobalt, Master Mechanic O'Brien of the T. & N. O. Railway of North Bay, Richard Gilpin and Misses Margaret M. George and Bertha Crawford and Messrs. Arthur W. George, Thomas H. George and LeRoy Kenney.

The latter party are members of the Toronto Concert Co., which has been touring in New Ontario.

GOOD WHEAT REPORTS. Farmers Say Crop Is Better Advanced Than a Year Ago.

WINNIPEG, June 9.—(Special.)—The C.N.R. crop bulletin bears good news. The reports from all the districts state that all the wheat is seeded, and the average is about the same as last year, tho, if anything, it is a little more.

The wheat is about 3 inches high in nearly all the districts, and there has been a heavy advance in the price of wheat in excellent condition.

All the coarse grains have not yet been sown, but the work is going on well.

The farmers are very optimistic about the outlook, and say that this year's crop presents a better appearance than last year was at this time.

ARCHBISHOP INTERFERES. Will Not Allow Skinner-Forget Wedding Before Altar.

MONTREAL, June 9.—(Special.)—There is a good deal of interest in the coming Skinner-Forget wedding, which is dated for Thursday next. Mr. Skinner is a son of Recorder Skinner of St. John, N.B., a law partner of R. C. Smith, K.C., and a Protestant, while the prospective bride is the daughter of Hon. L. J. Forget, a Roman Catholic, and both young people are very popular in society.

It was supposed that the ceremony would take place in Senator Forget's private chapel at Senneville, where the millionaire's summer residence is located. They, however, had counted without Mr. Bruchet, who has now forbidden the ceremony from taking place before any Catholic altar, and it looks as if the ceremony would take place in the residence of the parish priest of Ste. Anne.

AERONAUT IS DROWNED. Became Entangled in Ropes of His Parachute.

GRANITE FALLS, Minn., June 9.—Entangled in the ropes of a parachute, John Pospuera, an aeronaut of Utica, N.Y., met death yesterday by drowning in the Minnesota River. Pospuera ascended last evening.

The wind carried the balloon up the river half a mile before the aeronaut detached the parachute. In some manner his arms and legs became entangled in the ropes, and when the parachute struck the water he was unable to save himself.

Change in the Standing of the Out-of-Town Candidates for Trip

DISTRICT NO. 1. Standing of the first thirty-two candidates in the City of Toronto:

Table listing candidates for District No. 1, including names like Miss Lizzie McGregor, Robert Simpson Company, Miss Ida Vandemark, Cashier, Williams Cafe, etc.

DISTRICT NO. 2. Standing of the first six candidates in the City of Hamilton:

Table listing candidates for District No. 2, including Miss Minnie E. Corner, The Slater Shoe Store, Miss Olive Board, 102 Pearl Street, etc.

DISTRICT NO. 3. Standing of the first twenty-two candidates in the Province of Ontario at large:

Table listing candidates for District No. 3, including Miss T. E. Richardson, Oshawa, Miss M. Allin, Whitby, Miss Sarah Flanagan, Kingston, etc.

The seventh standing of candidates in the Trip to London contest, as it was on Saturday night, is given above.

In District No. 1 (the City of Toronto), the standing remains practically the same as on Monday last, with the exception of Miss Vandemark and Miss McGreggor.

It is very close between all these candidates. It is evident that the large majority of candidates are intent upon holding their present position in the contest and reserving a big vote for the last few weeks of the contest.

In District No. 2 (the City of Hamilton), the fight between Miss Minnie E. Corner, the Slater Shoe Store representative, and Miss Olive Board, is a strenuous one.

In District No. 3 (the Province of Ontario at large), the real changes of the standing of candidates during the week are to be observed. Nominations are being received from all parts of the province, and these new comers appear to enter the race with a rush, as if to make up for lost time.

Since the beginning of the contest, Oshawa has made a determined effort to pass Whitby, and to-day Miss Richardson has succeeded in overcoming the heretofore invincible lead of Miss Allin.

Miss Sarah E. Flanagan of Kingston was nominated the week before last, for a Panama or any other kind of a and entered the battle of ballots on hat.

STRATHCONA, June 9.—(Special.)—A mine disaster yesterday in Ross & Walters' coal mine, adjoining the town, resulted in the loss of five lives and the injury of many other miners, and the destruction of considerable property.

Caught in Western Mine and Burned to Death. DELIGHTFUL weather yesterday enticed thousands to back in the sunshine and observe the disgraceful condition of the Lakeshore road from Sunnyside to the Humber. Autos and carriages were very numerous. Visitors were impressed with the splendid way Toronto people dress. It was noticed that the Panama hat is again very popular. Dineen's, at Yonge and Temperance streets, is the best place to go for a Panama or any other kind of a and entered the battle of ballots on hat.
