HON. HUGH JOHN'S POLICY

New Premier of Manitoba Made His First Announcement at Emerson Last Night.

REPUDIATES GREENWAY PROMISES.

Mr. Macdonald Has Made a Hit With His Followers—News From Winnipeg.

Winnipeg, Feb. 9.—(Special.)—The citizens of Emerson gave a banquet to-night to the members of the Provincial Cabinet. Hon. Mr. Macdonald gave his first utterance on a public platform since coming into power on the future policy of his Government. The railway bonus question was discussed in caucus on Wednesday night, and the announcement which Mr. Macdonald made on the subject was greeted by his followers with applause.

A man close in touch with the Premier says the latter has only voiced the wish of his party and has expressed his determination to utterly repudiate the promises of aid to the C.P.R. which Mr. Greenway had made.

Mr. Macdonald has scored a hit with his own party, said a gentleman who was present at the caucus the other evening, and there is now not a shred of doubt but that he will discountenance the bonuses proposed.

Beautiful Plains Protest.

Judgment was delivered by Chief Justice Killam this morning in connection with the preliminary objections filed against the election petition for Beautiful Plains constituency. The principal point taken was that the security for costs had not been properly deposited, and provided that His Lordship dismiss the objections with costs to be paid by the respondent, in any event of the petition, on or before March 1.

Telegraph Rates to Go Down.

The telegraph line of the Great Northwest Central Railway will be extended in Brandon to connect with the Canadian Pacific Railway Telegraph there, and rates for messages will be reduced one half.

Young Chase is Better.

The boy William Chase, who was shot on Tuesday last by a companion, and is at Winnipeg General Hospital, is reported to be much improved to-day.

Farmers Getting Wisdom.

The Elevator Commission has finished hearing evidence. Mr. Vanderslice, superintendent of the Northern Pacific Railway, in his evidence yesterday said he thought the farmers shipped more wheat direct onto the cars last year than in previous years. "How do you account for this?" asked Mr. Castle.

"The only reason I can attribute," said Mr. Vanderslice, "is that the farmer is getting wiser all the time. He has now become possessed of the idea that he is being badly treated, and he takes the course open to him to protect himself."

VETERANS GIVEN MEDALS.

Two Thousand People Present at the Armories Last Night to See the Ceremony.

MANY MEN WERE OLD AND FEEBLE

And They Were Delighted to Receive the Deserved Recognition After So Many Years.

At the Armouries last night an imposing ceremony took place, when the Canadian Government's general service medals were presented to those who served in the Royal Grenadiers, Queen's Own Rifles and the old Toronto Naval Brigade, at the time of the Fenian Raid and the Red River expedition. About 2000 people were present to witness the presentations, which were made by Mrs. Otter, Mrs. Bruce, Mrs. Delamere, Mrs. Mason and Mrs. George McMurrich. The Grenadiers and Queen's Own, together with their bands, paraded full strength, and were lined up facing the south, with the veterans in front of them.

In the Centre.

In the centre Lieut.-Col. Peters and staff, the commanding officers of the various city corps and a number of ladies stood, and as each man's name was called out he stepped from the ranks, saluted, was given his medal by one of the ladies, and the vast crowd cheered heartily.

Many Old and Feeble.

Many of the veterans, whose names have already appeared in The World, were old and feeble, but they gave the regulation salute, marched with head erect, and showed, at least, that they had not forgotten that military training received years ago when they were all young men. It was a pleasure to see how proud they all felt of their country's recognition of their services in by-gone days. They could be seen every now and then glancing furtively and admiringly at the medal suspended from their left breast by a piece of red and white ribbon, and how excited they would get when three or four grouped together and talked over again and again those stirring times of '66, when their very homes were in peril, and their families' lives endangered by the threatened Fenian invasion.

The honor conferred upon these old soldiers by publicly presenting them with their medals was an appropriate tribute to their patriotism, and it was, no doubt, appreciated by every one of them.

The Youngest Recipient.

Bugle-Major Smith was one of the youngest, if not the youngest, to receive a medal. He was only 11 years of age at the time of the Raid.

About 14 men who were attached to the Quebec Rifles and took part in the Red River Expedition, and are now residing in Toronto, were present, expecting to receive medals. They were disappointed, however, as they had not arrived from Montreal yet.

At 2.30 o'clock this afternoon the veterans will assemble at the Court House steps, where a group photograph will be taken.

A Magic Pill—Dyspepsia is a foe with which men are constantly grappling, but cannot exterminate. Subdued, and to all appearances vanquished, in one, it makes its appearance in another direction. In many the digestive apparatus is as delicate as the mechanism of a watch or scientific instrument, in which even a breath of air will make a variation. With such persons disorders of the stomach ensue much suffering. To these Parmelee's Vegetable Pills are recommended as mild and sure. ed

The Plague at Honolulu.

San Francisco, Feb. 9.—The steamer Alameda arrived here to-day from Australian ports, via Samoa and Honolulu. Up to Feb. 5 there had been no new cases of the plague at Honolulu since Jn. 25. There were 7400 Japanese and Chinese in quarantine at Honolulu and three detention camps had been established.
