HAD BRONCHITIS
FOR THREE YEARS

COULD GET NO RELIEF

Bronchitis is generally the result of a cold caused by exposure to wet and inclement weather. It begins with a tightness across the chest, difficulty in breathing, and a wheezing sound coming from the lungs. There is also a raising of phlegm from the lungs, especially in the morning. This is at first white, but later becomes of a greenish or yellowish color, and is occasionally streaked with blood.

On the first sign of bronchitis you should check it immediately by using Dr. Wood's Norway Pine Syrup, and thereby prevent it becoming chronic and perhaps turning into some serious lung trouble.

Mr. Theodore P. Beers, Upper Main River, N. B., writes: "I was troubled with bronchitis for three years and could get no relief. I was always worse when I got wet. I died lots of different medicines, but none did me good until a friend told me to try Dr. Wood's Norway Pine Syrup. I got three bottles and before I had half used I was better."

My mother is now using it for asthma. It is a great medicine, and we never want to be without it."

Dr. Wood's Norway Pine Syrup is put in a yellow wrapper; three pine trees the trade mark; price 25c and 50c; manufactured only by The T. Milburn Company, Limited, Toronto, Ont.

SPORT
NOTES

George Whiteman, the Leafs' outfielder, is slated for a regular berth in the Boston Red Sox outfield. He is going well in practice and hitting the way he did for the Leafs.

Frank Truesdale is all that is left of the "Big Four" of the Toronto infield. Lajoie has not yet decided to field, Lajoie has not yet decided to field, Lajoie has not yet decided to field.

Just to prove that he can run faster than he did when Eddie Collins beat him to the plate in the world's series, Heinie Zimmerman won a race from a San Antonio player the other day.

Under the new daylight-saving proposition, it is likely that all baseball games will be started at 4 p.m. in the National and American Leagues.

"Duffy" Hearne will pitch for the Boston Red Sox this season. With Heinie Zimmerman, he will be the "Buds" Hearne in the coaching of Hearne.

President McCaffrey of the Leafs should secure Dan Howley to manage his club. Most of the Leafs' players in the show that did exceptionally well in the show that did exceptionally well in the show that did exceptionally well.

Cincinnati have won nine straight games. Of course, they were only on a losing streak. The Reds look good enough to give the Giants a battle in the National League.

The new league can now go ahead. Newark, Baltimore, Jersey City and Toronto sound like old times.

Maryland will not stand for Sunday baseball. They defeated a bill to legalize Sunday playing by a vote of 50 to 37.

"Johnny" Evers is billed to play second base for the Boston Red Sox this season. Evers has a pretty strong reputation in his strenuous career on the diamond.

Dressen, the new first baseman of the Detroit Tigers, is said to be as fast as a Cogh. If he is, he will be a valuable pair to handle when they are on the bases.

Ball players like to work for Lee Hooll of the Cleveland team. He is a one-on-a-day practice stunt, and so do most of the players.

Harry Sproule, manager of the Crescent Hockey Club, who returned to Cleveland, is the option of the United States Hockey League. He is a pretty fair United States Hockey League player.

Biggest Dog Deal
Made at Montreal
Bull Brings \$2350Kersal King, Noted Champion
Bulldog, Sold by Toronto Owner.

MONTRÉAL, April 3.—The biggest deal ever put through in dogs in local circles, and probably in Canada, was concluded here, when Dr. J. H. Villeneuve, acting as agent for J. H. Villeneuve, sold the famous bulldog, Kersal King, acknowledged the National and American Leagues.

This dog, which was shown here at the Bulldog Club show, although defeated in some classes, still stood away from the majority, incidentally going down to defeat before his kennel mate, Champion Hefty Mischief, crowned the best dog in the show, and also later purchased through Dr. Villeneuve by a newcomer in the game, J. Wilson of this city.

Champion Hefty Mischief has the distinction of having won already 76 first prizes and 31 specials. Another bitch in the show that did exceptionally well is Duchess of Elgin, E. W. Ferguson's good Canadian bred, came back to show in one class, she came back to show in one class, she came back to show in one class.

The winning dog, Dr. Villeneuve's bulldog, owned by J. H. Villeneuve, has the proud distinction of being the crack Toronto dog for the white ribbons.

YBARRA, JOSE (Private), Laredo, Tex.

Every newspaper in America on Tuesday carried the foregoing list bottom of the latest casualty list from Washington, yet only a few of the country's sporting public knew of the death of Joe Rivera.

It was an announcement of the death of Joe Rivera, who was a German submarine last month.

Joe Ybarra, private, Laredo, Texas, who sought the featherweight boxing championship in 1911, and having won the class, fought Al Wolcott for the lightweight title in the following year.

Evers failed to win the supreme honor in boxing, but his name will live forever in the boxing annals as the first American boxer to make the supreme sacrifice.

Johnny Evers III:
Looks Like End of
Career in Baseball

Red Sox Star's Nerves Give
Out on Training Trip
Down South.

Waco, Texas, April 4.—Johnny Evers has probably closed his career as an active player. This is not only the belief among the Boston Red Sox, with whom Evers has been training this spring, in an effort to re-establish himself, but it is the belief also of the little second basemen himself.

Evers was taken very ill on the train from Little Rock to Dallas, and at Texarkana it was necessary to hold up the train while a doctor was called in to attend him. The doctor told him that his nerves had again gone back on him, and he was sent to bed immediately on arriving at Dallas.

The fact that he is again experiencing trouble with his nerves and that he is worn out, has indicated to him that he is through, and he is not desirous of attempting to go further than nature will permit.
