UNUSUAL---420 Pieces French Cluny Laces Samples-on Sale Today 50 Per Cent. Savings

An American representative of one of the largest cluny linen manufacturers sold us his entire range of samples at prices that averaged 50 to 190 per cent below their value, because, as he said, "these are all pure linen, both lace and centres, and we cannot procure duplicates of all pure linen goods to fill orders." Of course they are only odd pieces, tea cloths, centrepieces, scarfs, doylies, etc., some of them of priceless value despite the low prices. They are in many cases mussed from showing, but the values are wonderful and any one can be quickly and safely laundared. There is all told about \$1,000.00 to \$1,500.00 worth.
