"It just fell right into our mitt" is a very good way to express it.

We were planning a special sale event of made-to-measure suits to acquaint more men with the high quality of our tailoring—and just when we were figuring on how to do it along came an offer of 200 suit lengths at a bargain price for cash. Needless to say that we bought the lot.

**This Special Purchase and a Willingness to Sacrifice Profit on the Tailoring for Advertising Purposes Have Made This Opportunity for the Well-Dressed Men of Toronto.**

These 200 Suit Lengths include Scotch tweeds, fancy worsteds and some plain black clay twill worsteds. Quality of the materials is guaranteed, colors are guaranteed, tailoring is guaranteed—we want to make your clothes all the time, so this first suit will be a "Jim Dandy." We'll not make any money on you the first time, but we'll make you a suit that will give us a chance another time. Only 200 orders will be taken at \$17.95.
