

STOMACH ULCER AND GALL STONES

After Suffering 25 Years, Completely Relieved by "FRUIT-A-TIVES"

MR. EDWARDS
 Maplehurst Farm, Hillhurst, P. Q.
 "I am in my 78th year. About 25 years ago I began to have trouble with my stomach. One doctor said I had Cancer; another said Ulcer of the Stomach; another said Gall Stones; others Ulcer of the Liver and Inflammation of the Gall Bladder.
 Three years ago I consulted one of the best specialists in Montreal. He said I must go to the hospital, have an Ulcer cut out of my stomach and gall stones removed. I was then 74 years old. I said "NO."
 Then I began to take "Fruit-a-tives." I found they helped me a lot, and I still take them occasionally, and I am so much better that my old friends often ask me what I have done to myself to look so well. I am gaining in weight and enjoying life very much."
 H. W. EDWARDS.
 50c. a box, 6 for \$2.50, trial size 25c. At dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

Transferred to New York.
 Mr. Gilbert, who has been the accountant at the Bank of Montreal, Chatham, has been transferred to New York. Bert Murdoch, a former Chatham boy, is present with the Shediac branch, will replace Mr. Gilbert.

sore muscles

Whether they come from bruises or overwork, sore muscles will quickly yield to the soothing effect of Absorbine, Jr.

Rub briskly into the muscles a few drops of Absorbine, Jr., and the inflammation which caused the pain will quickly disappear—and with it the pain. Keep a bottle on hand and be prepared for emergencies.

Doctor Tells How to Strengthen Eyesight 50 Per Cent in One Week's Time in Many Instances

A Free Prescription You Can Have Filled and Use at Home

Philadelphia, Pa.—Do you wear glasses? Are you a victim of eyestrain or other eye weaknesses? If so, you will be glad to know that according to Dr. Lewis there is real hope for you. Many whose eyes were failing say they have had their eyes restored through the principle of this wonderful free prescription. One man says, after trying it: "I was almost blind; could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read fine print without glasses." It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense of ever getting glasses. Eye troubles of many descriptions may be wonderfully benefited

CARDS AN ISSUE IN THE BOYS' CLUB

Whether the boys should be allowed to play cards with proper supervision or whether cards should remain as they always have been, forbidden to the boys in the East End Club, was one of the chief matters considered at the meeting of the Playgrounds' Association yesterday afternoon in the Y. M. C. A. when W. K. Haley presided. It was decided to write to Mr. Atkinson, of the Federation of Boys' Clubs, to find out what was done elsewhere as it was felt the problem must be similar in all boys' clubs. In the meantime it was arranged to provide other games for the boys. Mr. Haley reported that repairs were to be made to the entrance of the East End Boys' Club.

Miss Heffer, in her report as supervisor of the club, said there had been an average attendance of sixty boys each night in spite of the fact that skating was a great counter-attraction. One night had been spent at the Y. M. C. A. On another night films were shown at the club and on another a treat was provided by the Bonnie Doone club of Knox church. The Junior Bombs had had a coasting party and a second exhibition of physical work had been given. The boys had now on hand \$15 towards the new building fund. Thirty of the boys were preparing to give a minstrel show entertainment and men's and boys' worn out clothing would be most acceptable to aid in costumeing the performers. The leaders' corps had made two chests and a door for their dressing room. A friend of the club had offered to use old lumber about the building and make a movable extension to the platform and this would be very useful for entertainments. The older boys were asking if they could not play cards and Miss Heffer said that she felt some games must be provided or the interest of these older boys would be lost and they would leave the club while it was still of great benefit to them.

The Indianapolis Boys' Club Association sent an invitation to its sixteenth annual conference and this was ordered acknowledged.

For the ladies' committee, Mrs. J. H. Doody reported that Mrs. A. M. Belding had been chosen by the ladies as second vice-president and this appointment was confirmed.

Mr. Belding reported on the scheme of the athletic association of the Commercial Club to organize the schools for athletics this season and the Playgrounds Association declined to offer full co-operation in this regard.

Mr. Haley, in speaking of the plans for utilizing the Rockwood Park playgrounds, said that it would be best to secure the co-operation of the president of the athletic association of the Commercial Club.

The application of Miss Alice Hayes for the position of teacher for the summer playgrounds was received and accepted. Miss Hayes is at present training in physical work in Toronto.

PHILATHEAS AND Y. M. A.
 The Philathea class and Y. M. A. of the German street Baptist church were very pleasantly entertained last evening by Mr. and Mrs. L. W. Simms, at their home, Manawagonish Road. Besides the members of the society, there were also present Rev. and Mrs. S. S. Poole, Mr. and Mrs. H. S. Davis and Mr. and Mrs. H. Cantoliver. About 100 persons in all were congregated. A programme of music was given by the Y. M. A. orchestra, under the leadership of Dr. P.

Grandma is Their Doctor

"ON an old-fashioned dinner table in a house I know, lies a large-sized New Testament with the binding well worn, and with it a much-used old copy of Dr. Chase's Receipt Book. When the calves have the colic or the neighbor's baby the earache, 'Grandma' hands out well-assimilated advice from the Dr. Chase Book. When 'Grandma' herself feels 'run-down,' Dr. Chase's Nerve Food stands ready on the dining-room table among the salt and pepper shakers."

In these few simple words Mrs. Bert Smith, Way's Mills, Que., beautifully describes the way in which many a grandmother is a blessing to her family and to her neighbors as a guardian of health.

And what finer compliment can be paid to Dr. Chase's Receipt Book and Dr. Chase's Medicines than the approval of such mothers of experience as the one here described.

Just as in this home, Dr. Chase's Almanac hangs on the wall in the great majority of Canadian homes, and in the cupboard or medicine chest will be found one or more of Dr. Chase's Medicines ready for use in case of emergency.

If you did not receive a copy of Dr. Chase's Almanac it will be sent free by Edmanson, Bates & Co., Ltd., Toronto.

THE LEGISLAURE

Fredericton, N. B., March 3.—The heavy guns of the Opposition were fired today when the debate on the speech from the throne was resumed in the house. Since that time he has steadily climbed the ladder to more important offices. As a junior clerk he served at various branches of the bank and had the benefit of five years experience in Winnipeg and the west.

Returning to the east he occupied the position of assistant manager at Quebec, afterwards being appointed inspector. Later on he spent two years as manager of the bank's important branch at Montreal. He was recalled to Montreal in 1914 to take over the duties of secretary of the bank and was later promoted to the position of assistant to the general manager, a position which he has held until his present appointment as assistant general manager.

STUDYING CLUB METHODS.
 The weekly gathering of the Booster Club at the Y. W. C. A. recreational centre this week was of special interest.

Rheumatism Left Him As If By Magic!

Had Suffered Over 50 Years!
 Now 83 Years, Yet A Big Surprise to Friends

Regains Strength Goes out Fishing, Back to Business, Leaves out "URIC ACID"

How the "Inner Mysteries" Reveals Startling Facts Overlooked By Doctors and Scientists For Centuries

"I am eighty-three years old and I doctored for rheumatism ever since I came out of the army over fifty years ago," writes J. B. Ashelman. "Like many others, I spent money freely for so-called 'cures,' and I have reached about 'URIC ACID' until I could almost taste it. I could not sleep nights or walk without pain; my hands were so sore and stiff I could not hold a pen. But now, by magic, I am again in active business and can walk with ease or write all day with comfort. Friends are surprised at the change."

HOW IT HAPPENED.
 Mr. Ashelman is only one of thousands who suffered for years, owing to the general belief in the old "URIC ACID" theory that "URIC ACID" causes rheumatism. This erroneous belief induced him and legions of unfortunate men and women to take wrong treatments. You might just as well attempt to put out a fire with oil as to try and get rid of your rheumatism, neuritis and like complaints, by taking treatments supposed to drive "URIC ACID" out of your blood and body. Many physicians and scientists now know that "URIC ACID" never did, never can and never will cause rheumatism; that it is a natural and necessary constituent of the blood; that it is found in every newborn babe; and that without it we could not live!

These statements may seem strange to some folks, who have all along been led to believe in the old "URIC ACID" humbug. It took Mr. Ashelman fifty years to find out this truth. He learned how to get rid of the true cause of his rheumatism, other disorders, and recover his strength from "The Inner Mysteries," a remarkable book now being distributed free by an authority who devoted over twenty years to the scientific study of this particular trouble.

NOTE: If any reader of this paper wishes the book that reveals these facts regarding the true cause and cure of rheumatism, facts that were overlooked by doctors and scientists for centuries past, simply send a post card or letter to H. P. Clearwater, No. 235 N. Street, Hallowell, Maine, and it will be sent by return mail without any charge whatever. Cut out this notice and send it for—[If not a sufferer yourself hand this good news to some afflicted friend.]

Pains After Eating

Today thousands are afraid to eat because of the pains that follow even a light meal of good and wholesome food. Mether Seigel's Syrup, taken after meals, has helped tens of thousands to enjoy their food, and put an end to the pains and miseries of indigestion. Sold in 50c. and \$1.00 bottles at drug stores.

LABOR'S ATTITUDE ON HYDRO PROBLEM

The Trades and Labor Council meeting last night was well attended and was presided over by E. S. A. Mullin, the president. The report of the delegates who attended the New Brunswick Federation of Labor convention in Moncton was read. The hydro-electric power question was discussed and the council endorsed the petition being circulated by the citizens' committee asking the city council to take over and distribute the power. The daylight saving question was discussed, but as a plebiscite had been taken last year no action was taken in this matter by the council. President Mullin reported that he had attended a meeting where harbor commission was

Big Job for St. John Man

The appointment is announced of Otto R. Sharp as assistant general manager of the Bank of Montreal.

Mr. Sharp was born in St. John in 1883. He entered the service of the Bank of Montreal at Halifax when only sixteen years of age. Since that time he has steadily climbed the ladder to more important offices. As a junior clerk he served at various branches of the bank and had the benefit of five years experience in Winnipeg and the west.

Returning to the east he occupied the position of assistant manager at Quebec, afterwards being appointed inspector. Later on he spent two years as manager of the bank's important branch at Montreal. He was recalled to Montreal in 1914 to take over the duties of secretary of the bank and was later promoted to the position of assistant to the general manager, a position which he has held until his present appointment as assistant general manager.

A Bad Case Eczema All Over His Body— His Legs—His Arms Covered

John Clark of Pleasant Point, St. John County, N. B., writes a story of great suffering into a few words.

"I was tormented beyond words. I could not sleep. I could not put a pin on my whole body. I tried several doctors. They said I was scrofula. Three dollar bottles of D. D. D. I used. I did not get a cure for five months."

Each week we are selecting a letter from some Canadian sufferer to show what can be done to itching, burning skin diseases by the use of D. D. D. Stop that tick today. You are not asked to write to the D. D. D. Co. Write at once to 307 St. James' Chambers, 75 Adelaide St. E., Toronto, Ontario.

D. D. D.
 THE LOTION FOR SKIN DISEASE

For sale in St. John by E. Clinton Brown, druggist.

If you cannot come conveniently to our store, write to the D. D. D. Co., Dept. 58, 75 Loyal Ave., Toronto, and they will send you free trial bottle for 10c. Which merely pays postage and packing.

HOPE TO INCREASE ACCOMMODATION IN MEMORIAL HOME

A meeting of the board of management of the Provincial Memorial Home for children was held last evening in the president's office in Germain street. Arrangements were made at this meeting for a big day to be held this month. The committee, who were responsible

PITIFUL WRECK SAVED FROM EARLY GRAVE

"I couldn't sleep, my nerves were all unstrung, I was steadily losing weight."

"My husband is a mechanic and earns good wages," writes one woman. "We have six children between the ages of seven and fifteen. Both my husband and myself have denied ourselves actual necessities to give our children the best schooling we could afford. I have often stayed up all night making clothes for them or doing mending. Besides this, I have always done the washing and ironing for the six of us. I also do the scrubbing and the cooking. The outcome of this was that I was doing more than any human being could stand and so broke down. I became a complete nervous wreck. I was reduced to a skeleton. I was in such a nervous, high strung condition that the least excitement would start me on a crying fit which I couldn't control. This breakdown meant keeping my children from school to help in the housework, because I couldn't do anything as the least exertion left me a wreck. I was the finest example of a complete nervous breakdown that you ever saw. Every thing that was put in front of me I couldn't eat. I couldn't sleep. I had that dreadful weak feeling which I cannot describe but can only be understood by those who have had it. I was so weak that I was ready to catch anything that was going. I tried several preparations but none of them did me any good. One day my husband came in and said, 'I see a preparation in a drug store that advice of my husband's saved my life because seven weeks after I started taking Carnol I was doing more work than I had ever done before and was feeling stronger than I ever felt in my life.' Mrs. T.

Ten minutes after using Danderine you can not find a single trace of dandruff falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes, but really new hair—growing all over the scalp. Danderine is in the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them, helping the hair to grow long. Danderine makes thin, lifeless, colorless hair look youthfully bright, lustrous and luxuriant. One application trows, and just twice as abundant.

CHAMBERLAIN'S The One Cough Remedy

That enjoys a world-wide reputation as a prompt and sure relief for coughs, cold and croup. It is good for the deep-seated cough of an adult. It is good for the persistent cough following grip or influenza. It is excellent for coughs, cold and croup in children. Keep Chamberlain's Cough Remedy by you—it is a friend in need.

CASCARETS 10¢

For Constipated Bowels, Sick Headache, Sour Stomach, Bilious Liver

The nearest cathartic-laxative in the world to physiologic liver and bowels when you have Dizzy Headache, Colds, Biliousness, Indigestion, or Upset, Acid Stomach is candy-like "Cascarets." One or two tonight will empty your bowels completely by morning, and you will feel splendid. "They work while you sleep." Cascarets never stir you up like Salts, Pills, Calomel, or Oil, and they cost only ten cents a box. Children love Cascarets too.
