

THE EVENING TIMES AND STAR, ST. JOHN N. B., FRIDAY, JANUARY 19, 1912

## The High Cost of Living Is a Great Problem, But the Man Who Takes Advantage of the OAK HALL CLOTHING BARGAINS Will Solve One Phase of It at Least

We're selling the best-looking and most serviceable clothing made, at way below our usual low prices. Our usual prices are less than the usual prices of other stores because, as manufacturers, we sell to you direct without having to add the middleman's profit, which all other stores must pay and get back from you.

Now, in our Mid-Winter Sale, we have cut a big slice from these less-than-other prices, so it don't take much figuring to realize that the opportunity for money-saving is extraordinary. Therefore, the man who buys at this sale, not only for immediate use, but for next fall and winter as well, will have gone a long way towards successfully solving a very important phase of the high cost of living problem.

OAK HALL

SCOVIL BROS., LIMITED  
St. John, N. B.

### WITH THE SOCIETIES

The members of St. Peter's Y. M. C. A. entertained the other Catholic young men's societies of the city, the Father Mathew Association and the Y. M. S. of St. Joseph to an enjoyable reunion in their rooms, North Bld., last evening. The event was the first of its kind for the year. There was a large attendance and the programme was of a high order. A pleasing feature of the evening was the recitation of a silver cup to St. Michael's basketball team, winners of last season's inter-society basketball league. The presentation was made by Francis I. McCafferty, who congratulated the league

### NOT ONE WOMAN IN TWENTY HAS A STRONG BACK.

THE KIDNEYS ARE TO BLAME  
NINE TIMES OUT OF TEN.

Women are coming to understand that weak, lame and aching backs from which they suffer are due to wrong action of the kidneys. The poisons that ought to be carried off are sent back into the blood, taking with them a multitude of aches and pains. There is no use of expecting relief until the kidneys are restored to health. Doan's Kidney Pills are the quickest and most reliable remedy. Mrs. Ed. Baxter, Upham, N.B., writes: "I take a good deal of pleasure in telling you what Doan's Kidney Pills have done for me. I was troubled with my kidneys for a number of years, and my back was so lame I could not sweep the floor. A friend of mine advised me to try a box of Doan's Kidney Pills, which I did, and after using three boxes I am as well as ever. I highly recommend them to anyone suffering from lame back or kidney trouble."

Doan's Kidney Pills are 50 cents per box, or three boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Millman Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's"

leaders. The cup was accepted by J. H. Martin, the manager of the winning team, who predicted that the inter-society league would flourish again this year. James B. Dever, president of St. Peter's, was in the chair and gave an address of welcome. Other addresses during the evening were made by Fred J. Havel, president of the F. M. A.; P. L. Barrett, A. O. H.; J. T. Quinn, branch 482, C. M. B. A.; George P. Cunningham, St. Joseph's; Richard Walsh, C. M. B. A.; and T. O'Brien, president of the I. L. and B.

The musical and literary programme was as follows: Orchestra selection; reading, Ray Hanson; solo, J. Burke; reading, J. H. McHugh; solo, Francis I. McCafferty; solo, James Conlon; comedy sketch, Michael F. Kelly. During the evening the St. Peter's orchestra was heard in several pleasing selections. At the close refreshments were served and the reunion was fittingly brought to a close with the singing of God Save the King.

The Hibernian knights, A. O. H., held an enjoyable reunion in their rooms, Union street, last evening, the celebration being in honor of their fourteenth anniversary. Thomas Klokham occupied the chair and those present were treated to an enjoyable programme of addresses and musical numbers. Among the speakers was Rev. Father Maloney, of St. Peter's church, who congratulated the knights on their present excellent standing. The programme as carried out was as follows: Address, Rev. Father Maloney; piano selection, Harry McQuade; solo, Sergeant John Daley; reading, Thomas Pope; solo, David Higgins; solo, George Fritz; reading, Lieutenant James Murphy; solo, John O'Brien; address, Capt. E. J. McLaughlin; address, William H. O'Neill, vice-president Division No. 1, A. O. H.; solo, J. George McBurnett; piano selection, William McQuade; solo, Joseph P. Doodry; solo, James McAndrew; address, Frank P. Curran.

Most Worthy Grand High Priest William L. Ellis, accompanied by officers of the Grand Chapter, visited Carleton Place Arch Chapter, in Masonic Temple, German street, last night, and installed officers as follows: Companion J. Herbert Crockett as High Priest; Clarence R. Davis, King; Horace A. Porter, Scribe; Harry H. Bissett, Captain of the Host; Roy A. Crawford, Principal Scribe; Thomas J. Burchill, Master of the Third Veil; Bertram Smith, Master of the Second Veil; Robert Clarke, Tyler. The Mark Degree was conferred on several candidates, after which a social hour was spent.

All-Wool Tugues were 40c, 50c, sale price 29c.  
Boys' Colored Blouses, were 60c, \$1.00; sale price 48c.

### LABOR COUNCIL

Ferry Income Condemned—Insist on Labor Commissioner

At a largely attended meeting of the Trades and Labor Council last evening a resolution was adopted, condemning the recent increase in ferry rates by the council and a committee appointed to the effect of the resolution from the side in presenting the case for a meeting of the department to the special meeting of the council on Monday afternoon next.

The council also decided to insist upon the appointment of a commissioner of labor by the provincial government as a member of the executive with a portfolio. It is understood that Premier Fleming has signified his willingness to appoint the commissioner, but does not wish to include the official in his cabinet. The case of the labor men will be presented by a committee appointed to meet the premier.

The same committee will ask for the amendment of the Workmen's Compensation Act to include granite cutters and other classes excluded from the benefit of the act and will also ask for an increase in the capital amount paid in cases of fatality as well as an extension of the time for which payments are made.

The proposition made to start a labor paper as the official organ of the council was left with a committee of three with instructions to report back at the next meeting.

HOME POLITENESS.

If we want anything of our children or our servants we should not, merely because we have the authority to command, give a bold order. Why not use the gentle "Please will you do this?" "I should like you to do that." "Oblige me with that."

Where service is rendered we are not to take it in silence, curdly, rudely, because we have a right to the service; but it is easy to say "Thanks," or "I am obliged," or "Oh, that is very nice indeed." These little everyday courtesies are called the small change of life, but we should be badly off in trade if we had no small change and must always deal with five-pound notes. While the small change mounts up to the great sum in a lifetime. If parents have plenty of this small change of politeness on hand it will be put in circulation in the family. The children will pay it out to each other, to servants, to playmates, and with it family peace and family affection will be largely preserved. Home is the place where true politeness tells.

Dr. Chase's Kidney-Liver Pills, one pill a dose, three a box, at all dealers or Edman, Bates & Co., Limited, Toronto.

WINTER'S CHILL  
UPSET KIDNEYS

Pains in the Back Tell of Congestion  
Caused By Cold

You Can Prevent Serious Complications  
By Using

DR. CHASE'S  
KIDNEY-LIVER PILLS

When the surface of the body is suddenly chilled the millions of pores in the skin are quickly closed. Under ordinary circumstances these pores are of enormous assistance to the kidneys in removing poisons from the system. Their failure means greatly increased strain on the kidneys, and frequently congestion, which leads to serious disease.

This explains why kidney troubles are so frequent at this season of the year, and why you require something to quicken the action of the kidneys and keep them in healthful working condition.

Dr. Chase's Kidney-Liver Pills are particularly effective under these conditions because of their combined action on the kidneys, liver and bowels. The whole filtering and excretory systems are thoroughly cleansed and invigorated, the poisons are removed from the blood and you feel like a different person.

The digestive system does not have half a chance when these other organs are clogged with waste matter and sluggish in action. But once you get the liver and kidneys right the mass of food being digested moves quickly through the alimentary canal, your appetite improves, digestion is good, and life is worth living.

### MANY FINE HOMES FOR THIS BRIDE

The Howard de Walden Engagement Is Interesting  
England Greatly

### LONDON SOCIETY NEWS

Enormously Rich Peer Waited for Wife Till He Found One Like Mother—Titled Visitors Canada is to Have This Year

(Times Special Correspondence.)

London, Jan. 9.—Society's verdict on the engagement of Lord Howard de Walden to Miss Margaret Van Raaie is that it is a jolly good match. Both are genuinely musical and have many tastes in common. Miss Van Raaie has an unusually beautiful voice and really could have made a name for herself on the concert platform had she been so minded. Her mother, too, is a landscape painter of no mean skill.

Lord Howard de Walden is one of the richest peers in England, and owns almost a square mile of property in the heart of London, but unlike many rich young men, he has a more than ordinary share of brains and is a thoroughly good fellow, thoughtful and by no means an idler.

As you know, he backed Herbert Trench when he took over the Haymarket Theatre in London, a management that was remarkable for the production of several uncommonly clever and artistic plays, Masterlinck's beautiful "Blue Bird," being perhaps the most famous. Lately he has taken steps to foster Welsh national drama and in time he hopes to found a Welsh National theatre.

He is a splendid all-round athlete, he served as a soldier in the South African war, gained golden opinions from all his officers, and he has a large stud of race-horses.

When in London he lives at Seaford House in Belgrave Square, which he got from Lord Sefton. He has altered it considerably since he first took it, and it has one of the most beautiful staircases in London, of pale green marble, brought from Central Africa. The decorations and furnishings were superintended by his mother, the late Lady Ludlow, one of the most artistic grand dames of society.

The reception rooms are furnished in the First Empire style and Lady Ludlow searched every out-of-the-way corner of France she could think of for furniture to suit the rooms. There is also a wonderful state dining-room of the Bonaparte period, absolutely perfect in every detail.

Besides his town house the lucky peer has a Scotch property in Kilmarnock; Audley End in Essex, which, though not strictly his own, he has on a long lease from Lord Raynbrooke, and Chirk Castle in Wales, which he took recently chiefly in order to have a suitable setting for his old armor and weapons. These are his hobby and his collection is said to be without equal for her when she is married.

He has, too, a collection of mezzotint pipes all beautifully colored, from the palaces of the deepest brown to the palest blue. Audley End is one of the finest Elizabethan mansions in England, and is full of artistic treasures. The future Lady Howard de Walden will find three wonderfully beautiful homes all ready for her when she is married.

Miss Van Raaie is a very beautiful girl and the possessor of an equally beautiful character. Lord Howard de Walden was devotedly attached to his mother, who died last spring, and he always said that he would never marry unless he could find a girl who resembled her. Apparently he has found what he sought, for those who know them both say that they are much alike in temperament.

Coming to Canada

The presence of the Duke and Duchess of Connaught in Canada will attract to the Dominion during the coming year many prominent British noblemen on extended visits and in some cases with the intention of settling. Many well-known English folk intend going out during the coming spring, some like the Duke of Newcastle going via New York with the intention of making a stay in that city.

The Duke and Duchess of Sutherland propose to spend considerable time next year at their new residence in Alberta, and during the season they will be seen a great deal at Ottawa.

Lord and Lady Hyde will leave soon for Toronto. It is understood that they intend to settle and are going in for farming.

### GUARD THEIR HEALTH!

Children Who Grow Very Fast  
Need Careful Watching.

Next to infancy, the years between ten or twelve and eighteen are the most critical in life, especially for the boys and girls who grow too fast. Rapid growth and the physical changes that are taking place render them particularly liable to weakness and disorders of the digestive system, kidneys or lungs that when allowed to run on, condemn them to a lifetime of suffering.

It is most important that at this period of life those organs which carry off the body's waste and impurities—the bowels, the kidneys and the skin—should be kept active and vigorous.

Nothing will do this more effectively than our good old-fashioned remedy, Dr. Morse's Indian Root Pills. It acts directly on each of these organs, enabling them to do their work properly, and thus keeps the whole system pure and healthy.

Dr. Morse's Indian Root Pills are still made from precisely the same formula as when our grandfathers used them, for nothing better has ever been devised.

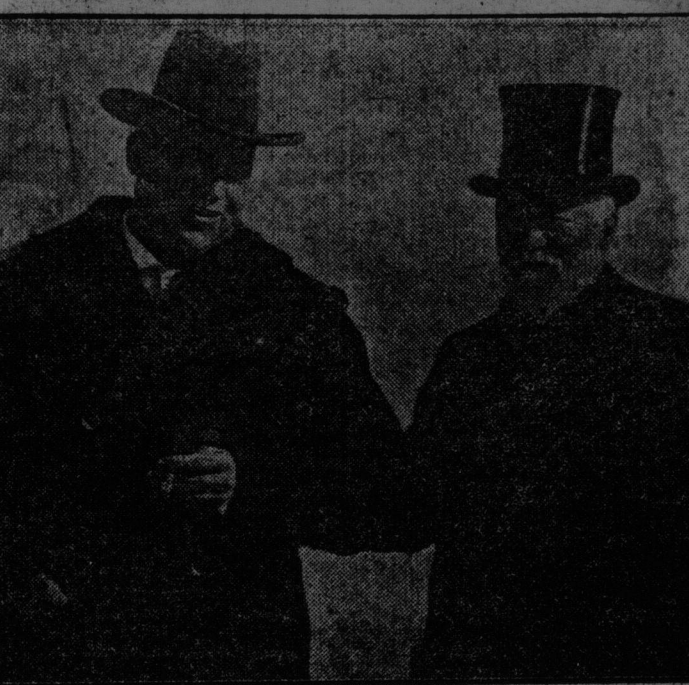

Made by W. H. Condit & Co., Ltd., Newellville, Ont., and sold by all dealers at 25c. a box.

## ROYAL BAKING POWDER

Absolutely Pure

The only Baking Powder made from Royal Grape Cream of Tartar  
NO ALUM, NO LIME PHOSPHATE

### THE IRON MASTER WAS A WITNESS

Andrew Carnegie and Chairman Stanley of the steel investigating commission, snapped as they walked down Pennsylvania avenue, Washington, D.C. (Copyright by Underwood and Underwood.)

ing. Although they will not give up their residence here, it is probable they will be more in the Dominion than in England in the future. Lady Hyde's brother, Lord Somers, is already in Canada, and her aunt lives in Toronto. The late Mrs. Somers Cox, the mother of Lord Somers and of Lady Hyde, was the adopted daughter of the great painter, Watts. Lord Hyde will eventually succeed to the earldom of Clarendon.

Other members of the peerage who will visit Canada this year are Lord Clarendon, Thackeray, the newly elected M.P. for the Central Africa. The decorations and furnishings were superintended by his mother, the late Lady Ludlow, one of the most artistic grand dames of society.

The reception rooms are furnished in the First Empire style and Lady Ludlow searched every out-of-the-way corner of France she could think of for furniture to suit the rooms. There is also a wonderful state dining-room of the Bonaparte period, absolutely perfect in every detail.

### GRATEFUL MOTHERS

What Zam-Buk Did For Their Little Ones

Thousands of mothers in Canada owe a debt of gratitude to Zam-Buk for the cure of their children, and hundreds of them are not slow to recognize the claim.

Mrs. J. Quidd, of Ninette, Man., says: "My little boy was suffering very badly from a form of skin disease over his eye. I applied Zam-Buk to the affected part, and in a very short time the sores were completely healed."

Mrs. F. Miners, of 311 Suffolk street, Guelph, Ont., says: "My little daughter Lorinda (8), contracted a skin disease. This first broke out like tiny water blisters, afterwards taking the form of dry scabs. These would disappear for a short time, and then reappear worse than ever. We tried Zam-Buk, and with each application the irritation and soreness were greatly relieved and the child rested easier. Perseverance with Zam-Buk worked a complete cure."

All druggists and stores sell Zam-Buk at 50c. a box or post free from Zam-Buk Co., Toronto, upon receipt of price. Be sure of the genuine.

### CARRYING CATS

Every large ocean liner carries from six to ten cats, these being apportioned to various parts of the ship, as well as appearing on the vessel's books for ration. There is promotion for pussy on board ship. Ordinarily unsociable cats are kept in the hold, in the steerage, or the forecastle; but a cat that is amiable and handsome is given the run of the first and second class saloons. When at sea the cats attend to the mice and rats, but, after all, can do little more than scare them out of the parts of the ship frequented by passengers. In port the ship is visited by a professional rat-catcher, who frequently captures 500 in one day.
