## NEWFOUNDLAND POSTAL TELEGRAPH SERVICE.

Postal Telegraph Offices are operated throughout the Colony at all the principal places. Messages of 100 words, not including address or signature, are forwarded for twenty cents, and two cents for each additional word. A Government cable to Canso, Cape Breton, connects with the Commercial Cable Co.'s system to all parts of the world. There is no more efficient Telegraph Service in existence.

A ten word message to Canada, exclusive of signature and address, costs from 85 cents to \$1.00.

A ten word message to the United States, exclusive of signature and address, costs from \$1.10 to \$1.20. To Great Britain, France or Germany—25 cents per word.

Telegrams are transmitted by means of the Wireless Service during the summer season, and all the year round by Steamers equipped with the wireless apparatus, which are due to pass within the radius of the wireless stations at Cape Race and Cape St. John's. Telegram messages may be obtained at all Post Offices and from Mail Clerks on Trains and Steamers, and if the sender wishes the messages may be left with the P. M. to be forwarded by first mail to the nearest Telegraph Office free of postage.

## Letter From Pte. W. B. Powell

The following are extracts taken from a letter received by the Editor from Pte. W. B. Powell recently:

"Here I am at St. John, N. P., having enlisted on June 25th with the 8th Field Ambulance now recruiting in this city under Cap. McVey. We have a gay lot of fellows numbering about 150. We need 50 more to complete our unit. We have several comedians, jugglers, an actor, commercial men, singers, etc. We are known as 'the happy eight.' I am the only Newfoundland member in the bunch, most of them being English and Scotch chaps from Exeter and New York who come here to enlist under the OH Flag rather than under the Stars and Stripes."

"My work is chiefly office work being assistant to Officer Smith. I like the work and the fellows, of course, at times, and we have none of the comforts of home, but there are other things to compensate for these discomforts. We have a dandy Captain—McVey—and all the men like him. Our N. C. O's too are very good. On Monday we were all out to our O. C.'s suburban home and had a fine time. In the 100-yard dash, the first race pulled off, I came first and won a pair of riding breeches. Some of the fellows must have been slow, eh? Shall write you more fully at a later date. There goes the bugle for supper, and I must go."

"It is Powell is known to most of our readers in Bay Roberts and vicinity, having being Principal of the Meth. Sup. School here a few years ago."

## "Windsor" Will Be New Name

King George Drops German Family Name of Saxo, Coburg and Gotha.

London, July 17.—King George announced that "Windsor" will be the new family name, replacing the German name "Saxe Coburg and Gotha."

"His Majesty's action, presumably on the advice of the cabinet, shows how strong the feeling in this country has become in reference to any dealings with the Hun. Three years of war have startled the cabinet into the realization that in this country there will be no exemptions in the case of German royalties from the just indignation their conduct as enemies has aroused," says the Evening News.

In view of the present situation it is interesting that Lord Maitland in the House of Lords on March 13 last stated that Lord Roberts and he himself, at the commencement of the war, both requested the cabinet's permission to give up their German decorations and honors, and that permission was withheld.

Rev. A. B. S. Spilleg, Rector of this Parish, is spending a holiday at Sydney, N. S.

Rev. Mr. Bailey, Rector of Port de Grave, conducted the service at St. Matthew's Church last Sunday morning and evening. Rev. Mr. Stewart, C. of E. Missionary on Labrador, occupied Mr. Bailey's pulpit at Port de Grave and Barnead.

## 'Thetis' Arrives From Labrador

S. S. Thetis, Capt. W. Parsons, arrived from Labrador Wednesday, having been as far north as Nain. Fine weather was met with the whole trip, which was made in 19 days notwithstanding that the Thetis took a full cargo of freight going and about 100 men on the return trip.

We learn the fishery along the coast to Nain has been a good one. The section between the Harbor and Venison Island is poorly fished.

From Sandy Island to Indian Tickle, a section in which about half the Labrador fishermen operate, the best fishing ever remembered has been had. All the crews have taken big hauls and were obliged to discontinue fishing more than a week and a half ago.

Nine schooners have left the harbor for Indian Tickle and about 70 schooners are now there, all with the prospects of getting good trips.

From Indian Tickle to Black Head very little has been done. From George's Island to Indian Island fishery poor.

From letters received from Penguin we gather that the prospects are very poor.

At Fishing Ships Harbor Lewis Dawkins' crews were doing well when the steamer was coming south. When at Grady the voyage was all luck at the time of the steamer's call, but since then the fish has stuck in and prospects are bright for the voyage. Capt. Bugge-Jensen says the body of fish is moving north.

From Smoky to Indian Head, being a little. Three crews have 400, 500 and 300 quintals respectively.

At Horseshoe, a little doing with hook and line traps poor.

At Cape Harrison, fishing poor. Rogge Island to Long Tickle, being fair.

From Bond Island, Hinchey's crews doing well.

Maconvic to Paak, very little being done.

East Turnavik to West Turnavik, a little with hook and line; traps doing poorly.

Up the shore from Square Islands to Battle H. very little being done.

In some places where there is poor fishing reported some of the crews have taken good fares, and others saving voyages.

At Queen's Lake there was no fish a fortnight ago, nor was there any on the grounds in the vicinity of Nain, and a big fleet of schooners have gone down the coast.

The Thetis sails north again at two o'clock to day (Friday).

Rev. Jethro Norman, W. J. Beazley and Wilfred Bradbury, all belonging to Bay Roberts East, and clergymen of the Church of England in Canada, are visiting friends here. They are spending a delightful vacation.

Mr. T. Crossman, chief engineer of the S. S. Diana, and his son, Graham, spent a few days here this week.

Capt. Ida Bowring, S. A., arrived home last week.

### Newfoundland Patriotic Association Employment Committee

The Employment Committee has been appointed by the Newfoundland Patriotic Association to take into consideration applications for employment in civil life from returned Soldiers and Sailors of the Newfoundland Regiment and Newfoundland Royal Naval Reserve who have been granted honorable discharges.

The Committee can only perform this duty to our returned soldiers and sailors with the fullest help and co-operation of all those in the Colony who employ labour or require help-service of any kind in which these men may be employed. The Committee will prepare a book on file a register of all seeking employment, giving the age, qualifications and experience so far as possible, of each applicant. This information will be available to prospective employers, and steps will be taken to bring about interviews and correspondence between employers and soldier or sailor applicants.

For any person or firm which requires such help for either domestic business purposes is therefore invited to communicate to the Committee the nature of the help required, and of the work to be done, and such other information as may be useful.

For the present the Headquarters of the Committee are at the Colonial Building, St. John's, and communications should be addressed to A. E. Parsons, Secretary of the Employment Committee.
