bed. He (Sir Hector) had ike to speak of him in his

ed of his life is the history of a country which had grown from a few scatter-ed provinces with no common interest, into

de provinces with no common interest, into the country as it is now. We, said Mr. Laurier, did not agree with him in the last ampaign. He had imputed to his opponents motives which in my heart I know did not orist. To day these things might be forgotten and all would acknowledge his great gits and qualities. Mr. Lauries spoke in the late premier's character, attributing to him all the far-reaching vision which enabled him to judge of the fitner of the late premier's character, attributing to him all the far-reaching vision which enabled him to judge of the fitner of the late premier's character, attributing to him all the far-reaching vision which enabled him to judge of the fitner of the late premier's character, attributing to him all the far-reaching vision which enabled him to judge of the fitner of the late premier's character, attributing to him all the far-reaching vision which enabled him to judge of the fitner of the late wife of deceased. The funeral was largely attended.

PERSONAL:—Hou. Senator Snowball reached home on Sunday morning last.

Hon. C. H. Labillois was in town this which enabled him to judge of the future of mational events. The career af Sir John Macdonald had been a fortunate one. He had mot few reverses, and his times of aiversity were short. He loved power and did not disguise the fact. Power was given to him His ambitions for him and his country were gratified. The Vanderbilt party is on the Restington of Country was gratified. The Vanderbilt party is on the Restington of Country was gratified. The Vanderbilt party is on the Restington of Country was gratified. The Vanderbilt party is on the Restington of Country was gratified.

great sadness of death was the form of separation. The dead needed not our sympathy, but it should go out to those who were left and especially to the brave and noble woman who had watched by his side. After referring to the older statement lately passed away and especially to Chief Justice Dorin, Mr. Laurier, in closing his address, said it might well happen that at such a time we lose heart lent the institutions of the land he plaused in danger, but such a time we lose heart lest the institutions of the land he placed in danger, but
even in the hour of grief it should not be
fargotten and though our great men go
