An old stage coach, that had been held up and robbed eighty-three times, now lies dismantled in the yard of a livery stable in Phoenix, A. T. The diamond has been running between Prescott and Tombstone...

The first lighthouse in America was built at the entrance to Boston harbor in 1716, at a cost of about \$11,000. Erected by the order of the general court of the province of Massachusetts Bay, it was supported by light dues of one cent per ton on all vessels except coasters...

The mercur and peltic still in use in most parts of Asia and all over Africa is the prototype of the modern form. The Suez tomb of Great Britain is undoubtedly that of the Duke of Hamilton on the grounds of Hamilton palace. It cost £100,000 pounds...

In the olden days pigs were considered a great delicacy in Rome, and those for the table were fattened on honey. The diamond is not among the earliest gems known to man. It has not been found in the ruins of Nineveh, in the pyramids and in the tombs of the Pharaohs...

The American Peace society is offering this year prizes of \$100, \$50 and \$20 respectively for the three best essays on the "Economic Value of War," to be sent in by the members of the society and junior classes of the colleges of the United States. Full information is given in the January issue of the Advocate of Peace, Boston, Mass.

Queen Victoria has a wholesome dread of fire. Whenever she goes abroad she always carries a couple of fire extinguishers with her. The United States is rich in the number of her sailing vessels of fifty tons and over. The United States is rich in the number of her sailing vessels of fifty tons and over...

Whaling expeditions to be dispatched to Australia to the Antarctic ocean shortly to test the practicability of establishing a whale-fishing industry in southern waters. The Engineering and Mining Journal says that shipbuilding has shared in the depression which has afflicted the iron business, and on January 1 there were reported under construction in the lake only only twenty-eight vessels of an aggregate tonnage of 26,100 tons, against forty-eight ships of the same year ago...

The new silver steel racks indicate that this is in fashion. Mustard pots of red glass set in perforated silver with a silver cover are new. There seems to be an increase in the use of different tined steel for working out double...

Artistic and quiet tastes. New dresses are built like crowns. The centers are at least four inches high. Talk about American queens! An excellent brooch, fully four inches long from end to end, is of graduated milky topaz set with small brilliants. An ornament is a bursting sun of diamonds around a safe eye, two inches in diameter. In and out of the snipe diamond rays is a green emerald snake...

Liverpool has just extended its boundaries, taking in several suburban districts, and is now the second largest city in the British empire. The workers employed in the House of Commons have been forced to rise and oppose a labor member, Mr. Cromer, in his speech in the House of Commons. An Edinburgh life insurance man says that the largest mortality rates in the world are found among liquor sellers. Among 1,000,000 he found the average mortality to be 29.2.

Forty-two dollars and fifty cents a pound was the price realized at auction in London for a small engagement of ten diamonds from the Mount Vernon estate, Cayton.
