Does Not Color Hair

Ayer's Hair Vigor, as now made from our new improved formula, does not stain or color the hair even to the slightest degree. Gray hair, white hair, blonde hair is not made a shade darker. But it certainly does stop falling hair. No question about that.

Do not change the color of the hair. Formulas with each bottle. Show it to your doctor. Ask him about it. Use as he says.

Ayer's Indeed, we believe it will stop every case of falling hair unless there is some very unusual complication, something greatly affecting the general health. Then you should consult your physician. Also ask him about the new Ayer's Hair Vigor. Made by the J. C. Ayer Co., Lowell, Mass.
