NEVER GIVE UP.

Never give up! it is wiser and better,
Always to hope than once to despair;
Fling off the load of Doubt's cank'ring fetter,
And break the dark spell of Tyrannical care;
Never give up! or the burden may sink you—
Providence kindly has mingled the cup,
And, in all trials or troubles, bethink you
The watchword of life must be—Never give up

Never give up!—there are chances and changes
Helping the hopeful a hundred to one,
And through the chaos High Wisdom arranges
Ever success—if you'll only hope on;
Never give up! for the wisest is boldest,
Knowing that Providence mingles the cup,
And of all maxims the best as the oldest,
Is the true watchword of—Never give up!

Never give up! though the grape shot may rattle
Or the full thunder cloud over you burst;
Stand like a rock, and the storm or the battle
Little shall harm you, though doing their worst
Never give up! if adversity presses,
Providence wisely has mingled the cup,
And the best counsel in all your distresses,
Is the stout watchword of—Never give up!

EXTENSIVE MILL PROPERTY
To be sold by Private Bargain.

ALL, that large and extensive MILL PROPERTY, situated about a mile and a half from the mouth of the Nashwaak, nearly opposite Fredericton and consisting of one MILL, containing six saws in single Gates; with a GRIST MILL, in good order, driving two pair of stones.

The Saw Mills are capable of containing as many Gangs as there are now single Saws, which could be substituted at little cost; they are in perfect order, and some of the Gangs could be driven throughout the entire year, as there are always several of the Saws kept going during the entire Winter; and the Grist Mill has the same advantage. The Draw is perfect and complete order, having been completed at very great expence, and runs entirely across the river Nashwaak, thus securing the whole waters of the river for the driving of the Mills.

Connected with the Mills there is a fine large Store, well adapted for the business of the country, also a Blacksmith's Shop, and a good Cottage and Garden attached, well suited for the occupier of the Mills besides a number of Houses suitable for the Workmen at the Mills.

There is also a tract of Land on the Eastern side of the river, containing 500 acres, and about 200 acres on the western side, the latter embracing the Hollybrooke Farm, and the whole highly capable of cultivation, and precluding any interference by other establishments on the river. These valuable Properties will be sold along with the Mills, and reasonable accommodation will be given to the purchaser. There can scarcely be found within this Province such a valuable Water privilege, and it is therefore well deserving the attention of any party wishing to embark in the Lumber trade; the wood can be seen at any time, and full particulars given on application to W. J. Bedell and Co. Fredericton, Chas. Perley, Esquires, Woodstock, or to the subscribers at St. John. ROBERT RANKIN & CO.
March 21, 1845.—tf.

TO LET,

FROM 1st May next:—One Flat of the subscriber's eligible houses in Princess street, nearly opposite the residence of Robert Ray, Esquire. It is commodious, and suitable for either one or two families, having a large Garden, Out houses, &c.

A Block containing 7 Lots, Nos. 2, 3, 4, 5, 6, 7 and 8, in Deputy McDonald's Survey, in the in the Campbell Settlement, in 1830, containing 1380 acres, more or less, fronting upon a reserved road between the second and third tier, on the East side on the boundary line on the West.

The entire of the above Property is situated in one of the most fertile districts in the Province, all heavily Timbered—intersected by several Rivers, with a front on the River St John on one side, and on the other side a front of between eight and nine miles on the Boundary Line, comprising in all about 7530 acres of the very best Land in the Province, contiguous to the County Town of Woodstock in this Province and Houlton in the State of Maine—affords an opportunity for investment perhaps unequalled from the settlement of the Province.

For plans and other particulars apply (if by letter, post paid) to CHARLES PERLEY, Esquire, Wood stock; DUNCAN ROBERTSON, Esquire, Barrister at Law; or to the subscriber.

THE BEST MEDICINE IN THE WORLD.

PARR'S *Life Pills*, are now established as the *only certain cure of disease* in the human frame. Sufficient has already been advertised in the public prints to convince any reasonable person that the efficacy of this medicine is unbounded; and that every disease will soon vanish from the effects of this popular remedy. Already the proprietors have received and published twenty-six different sheets of Testimonials; and, having received some thousand letters confirming all the statements published, and proving the immense benefit derived by all classes by taking *Parr's Life Pills*. Testimonials are received daily, and it would be impossible in a newspaper to publish one half received and the following are selected as people well known in their respective neighbourhoods, and whose testimony is unquestionable. Further sheets of testimonials may be had gratis, of all Agents.

The fame and efficacy of Parr's Life Pills in America.

From the New York Sunday Mercury, Jan. 10, 1844

We call the attention of the rivalid to the Testimonials of cures performed by Parr's Life Pills.—The testimony of such respectable names is a certain guarantee for the truth of the efficacy of this truly excellent medicine.

The number of testimonials of cures by Parr's Life Pills, are crowding upon the proprietors daily, and their unsolicited testimony witnessed by gentlemen of high reputation.

The following testimonial is from one of the most talented and respectable members of the theatrical profession. *Mr. T. D. RICE*, the original *Jim Crow*—a gentleman whose high character for worth and integrity as a citizen, places his unsolicited and voluntary attestation of the excellence of the Medicine beyond the shadow of suspicion. This (worth thousands of similar grateful acknowledgments) can be seen at the principal depot, 304 Broadway.

From Mr. T. D. Rice, (the original Jim Crow.)

To Messrs. T. Roberts & co. 304 Broadway, N.Y.

Gentlemen—Having in the course of a long and arduous practice of my profession, contracted a tightness across the chest, with great prostration of strength, and suffering much from the effects of the 'shoar' attached to my peculiar pursuits, while in England, I had recourse to your popular Medicine, Parr's Life Pills, from which I received great benefit. Finding a branch of your house in this city, I procured a few boxes of the Medicine, and can now sincerely testify to their value & great efficacy, and also to the great character they bear in the old country. Your obedient servant.

T. D. RICE, 20 Vestry street.

The following Testimonials in favour of Parr's Life Pills, from highly respectable parties, are confidently submitted to the public. This singularly efficacious medicine is now being introduced into every family, and rests its claims for patronage on the most credible authority.

Cure of an old confirmed stomach and liver complaint.—Mr. John Howarth, citizen, has been for many years suffering from a deranged stomach and liver complaint, and although he has had recourse to various remedies, and has been under one of the most popular surgeons in Manchester, nothing afforded him the desired relief until he met with Parr's *Life Pills*, which have already afforded him more benefit than all the other advice and medicine he has been taking for years, and therefore can with the greatest confidence urge any one suffering from the same complaint to give them a trial.

Witness to the truth of the above, Mr. George Dean, Market street, Manchester. Feb. 7, 184

80, Medlock street, Hulme, Manchester, January 1843.

To the proprietors of Parr's Life Pills.

Gentlemen—For the benefit of the afflicted public I hand you the particulars of a case of cure from the use of your benign medicine. I had for many years been out of health, and suffered much from internal pains in various parts of my body. I tried nearly all kinds of medicines without relief, and consulted the most eminent medical practitioners in Manchester, but in my compital failed in their efforts; at length I despaired of ever recovering, and life became to me burdensome; providentially my attention was directed by my nephew Mr. Higginson, of Salford, to make trial of Parr's Life Pills, which I commenced to do, and found considerable relief when I had taken only one box, and I continued them for some time, and have had about six boxes altogether, and have the happiness to say that I am now restored to perfect health. I have, therefore, the best of reasons for placing implicit faith in the invigorating efficacy of your Parr's Pills, which have of a truth been Life Pills to me. This testimony is at your service, hoping it will tend to ensure their becoming even yet more universal, as such a medicine ought to be kept in every family.

I am your grateful servant,

[Witnessed by G. Vaughan.] W. Higginson.

"Chronic Rheumatism of three years' standing.—Christopher Sanders, 43 Bengal street, Oldham road, hereby testifies that he has for three years been grievously afflicted with Rheumatism, and for the last fourteen weeks was unable to follow his employment as a Cotton Twiner; that, last October, that Parr's Pills had cured him of the same complaint, I began to take them, and having done so for three weeks, I am so much better as to be able to resume my work again next Monday, and will persevere in their use a short time longer, to complete my restoration to health. Any one doubting the truth of this case, is invited to call upon me or write (post paid) and I will immediately bear testimony.

JAMES HILL, of No. 8, Ford lane, Charlestown, Pendleton, near Manchester, who is upwards of 60 years of age, says he was attacked with Inflammation of the chest, which confined him to his bed for a long time in a very debilitated state, with a most distressing cough and spitting; after taking various kinds of medicine without relief, he at last commenced taking Parr's Life Pills, and having taken three boxes was completely restored to health and is now much stronger than he has been for some years, and has recommended them to many persons who have taken them and received the greatest benefit from their use, and is ready at any time to attest the above. Witness, John Hatton.

TRY THEM!

"He that wants HEALTH, wants everything."

For sale by the Proprietor, at Coffee House corner, Market square, St. John, N. B.

IT is now an absolute and known fact, that every disease, whether it be in the head or feet, in the brain or meanest member, whether it be an outward ulcer or inward abscess, are all, though arising from many causes, reducible to the one grand effect, namely,—impurity of blood. In many cases where the dreadful ravages of Ulceration had laid bare ligament and bone, and where to all appearance no human means could save life, have patients by the use of these Pills, been restored to good health, the decaying disease having been completely eradicated. In consequence of the pleasantness of their operation they are universally used where they are known, and are fast superseding every other preparation of professed similar import. The most obstinate diseases are cured by the one similar act of continually evacuating the bowels with them until the disease gives way: therefore whatever may be said of [illegible]ery, the utility of the practice is now beyond all doubt.

The same medicine, however, will not always have exactly the same effect on different persons, nor on the same individual at all times, and the best remedies partly lose their effect by being continued too long: a change occasionally is therefore absolutely necessary, and purgatives which have a somewhat different action frequently greatly assist each other in performing a cure. Care should always be taken by those who are in the habit of taking Pills, to procure such as are most congenial to nature, as improper purges may, and often do, produce very bad consequences; some of the bad effects produced by them are sore mouths, loose and rotten teeth, violent palpitation at the heart, Piles, nervous and painful disorders, tremors, agitation of mind, &c. Some Vegetable as well as Mineral substances may do much harm.

No Medicine prepared by the Proprietor will produce any such effect. TRY THEM! A single dose of the above named Pills may be had at any time if wanted.

"Any man can tell when a medicine does him good as well as a Physician"—Buchan.

And any one who will give these Pills a fair trial, and is not effectually cured or greatly relieved, whatever may be his complaint, shall have at least *half the cost* returned by calling on the Proprietor.

Other medicines may be used with the Pills, in a variety of cases with decided advantage, particularly in Consumption, Asthma, Rheumatism, and some chronic complaints, but in every case will the greatest effects be found by using the Pills, and the Ointment to remove the morbid or opposing matter and purify the Blood.

These Pills are put up in quantities to suit purchasers, from 1s. 3d. to 5s. per Box, with proper directions, signed by the Proprietor in his own hand writing, without which none can be genuine.

Also, on hand:—Various other preparations which have been in extensive and singularly successful use in the United States for upwards of thirty years, some of which are known by the name of

"THOMSONIAN,"

And are thought the best Family Medicines that have ever been discovered by a very large majority of those who have used them.

To you who know the truth: nothing is stated in this advertisement but facts, and facts are stubborn things.

Those who purchase the larger size boxes of Pills will make considerable saving, as the 2s. 6d. box will contain more than two boxes at 1s. 3d. and the 5s. box more than two of the 2s. 6d. boxes.
