Compound Fluid Extract of SARSAPARILLA.

A new and the most valuable Extract yet invented, which is put up in Quart bottles, is cheaper, more pleasant, and warranted superior to any sold. It is prepared from the best roots and leaves of Sarsaparilla. All have heard of its uses.—And many Physicians in this City are connoisseurs of the fact that our Extract is far superior to those sold under the names of Tamm's, Sand's, Bristol's, Brown's, or Hill's Sarsaparilla. It is a robust, healthy, and invigorating tonic, besides those sold by the above named parties, it is strong, containing nothing but Vegetable products, and is prepared without boiling, while it retains all the volatile and active properties of the roots, being born in due proportion by the Branches.

We pledge our reputation on the truth of what we here state, that we believe it better in every sense than any other Extract of Sarsaparilla ever introduced.

Serious disease, Cutaneous Diseases, Rheumatic Affections, Syphilitic Diseases, Liver Complaints, Consumption, Lung and Bronchial Affections, all diseases arising from the injurious use of Mercury, Impure state of the Blood or heat of the system, are some of the many diseases which are cured by this Extract.

Its effects are similar to those of Sarsaparilla.

It is a powerful purifying effect on the blood, rendering the lost.

Holloway's Sarsaparilla Root.

combined with Yellow Dock, and other valuable productions, which have a purifying effect on the blood, rendering the lost.

Health and Sanative Medicine

in the World, purifying and cleansing, giving tone

and strength to the whole system.

This Extract is the result of numerous experiments, and the Proprietors feel confident that they have arrived at that perfection in preparing it to which no other manufacturer has yet attained.

It is now sold by the best Dispensaries in the world.
