Purchasers Are Entitled to a Common Stock Bonus

Have you ever thought of the advantage of buying bonds or preferred stock with a common stock bonus?

It often turns out to be a very profitable investment.

Take, as an instance, the undermentioned securities, which we offer in lots to suit purchasers, and with which is given a substantial bonus of common stock.

Hewson Pure Wool Textiles 6 p. c. Bonds.
Hewson Pure Wool Textiles 7 p. c. Preferred Stock.
Nova Scotia Clay Works 7 p. c. Preferred Stock.
North Atlantic Fisheries 7 p. c. Preferred Stock.

In the first place, these securities afford a safe investment, yielding a good interest return, and then there is a possibility of a very profitable investment in the common stock.

As the position of the companies improve, the price of the common stock will increase, and when, in a few years, these companies are in a position to pay dividends, investors can sell their common stock holdings at a good profit, or retain them and further increase their interest income.

Full particulars regarding any of the above issues will be sent upon application.

P. Q. R. A. SHOOTING SATURDAY

Montreal, Aug. 25.—The Province of Quebec Rifle Association meet closed yesterday under conditions which made the good shooting of the previous days impossible. A strong, uncertain wind which only grew fresher as the day progressed, puzzled even the most experienced shots.

The chief event of the meet, the lieutenant governor's match, was won by the western men. Pte. Jas. McArthur, 78th, taking first place with 156, while Lieut. Blair, 72nd, was second with 155.

Sergt. Sharp, 2 M. H. B., wins the grand aggregate with 295. The team of the S R. R. won the team grand aggregate. C. N. Andrews, D. R. A., won the extra series aggregate.

In the lieutenant governor's match Lieut. McArthur, 78th, was sixth with 150; Lieut. Christie, 76th, eighth with 149; Lieut. Steck, 76th, fourteenth with 147; Sergt. Armstrong, 66th, twenty-second with 144; Sergt. Parker, 66th, thirtieth with 141; Pte. Taylor, 76th, forty-third with 137; Lieut. Semple, 76th sixtieth with 135; Pte. Major, 76th, sixty-ninth with 128, and Lieut. Neard, 76th, eighty-second with 114.

Sergt. Sharp 2 M. H. B., won the extra series at 500 with a double possible. There were seven single possibles. Sergt. Armstrong, 66th and Sergt. Parker, 66th being among them.

At 900 yards in the extra series, Sergt. Sharp was again the winner, scoring a possible and 23. No other possibles were made.

Sergt. Larnan, 1 C. A., was second with two 24's. Sergt. Armstrong, 66th and Lieut. Steck, 76th came next in order.

At 1000 yards, in the extra series, the shooting was poor. Dr. Peabody, Aubrey R. A., was first with a 24 and a 23.

The all-comers aggregate was won by C. D. Spitell, A. R. A., with 319. Lieut. Steck, 76th, had the same score but was placed second.

Sergt. Martin, S R. R., with 318 was third, and Sergt. Parker, 66th, with 318, fourth. Lieut. Christie, 76th was 21st with 310. Lieut. Steck was third in the extra series aggregate, and Lieut. Semple was 4th.

UPPER CANADIAN LACROSSE

Montreal, Aug. 24.—The Nationals defeated Irish-Canadians this afternoon in the fourth and last game of the season between the two teams. The match was the usual rough affair, which always occurs when the local Dominion Lacrosse Association teams get together, and $50 in fines was collected from players who resorted to foul tactics. The final score was 13 to 4. The first two quarters and last were productive of good lacrosse and the teams fairly match, but in the third period the Nationals ran in seven straight goals.

MONTREAL, 7; SHAMROCKS, 5.

Montreal, Aug. 24.—Montreal defeated the Shamrocks 7 to 5 today in their last scheduled National Lacrosse Union game.

TORONTO, 7; TECUMSEHS, 5.

Toronto, Aug. 24.—Now assured of the championship of the Dominion Lacrosse Association today, Toronto defeated the Tecsumsehs by 7 to 5.

CORNWALL, 13; CAPITALS, 4.

Cornwall, Aug. 24.—The Cornwall lacrosse team showed that it was worthy of holding the championship of the National Lacrosse Union today by defeating the Capitals of Ottawa, who had been their strongest opponents for premier honors, by a score of 13 to 4.

WANT THE BIG FIGHT IN FRANCE

New York, Aug. 24.—Victor Breyer, promoter of prize fights in France, is the latest acquisition to the ranks of those who hope to get Jack Johnson into the ring with Joe Jeanette. Breyer arrived on the French liner La Providence today, prepared, he said, to offer Johnson $30,000 to meet Jeanette in a thirty round fight for the world's championship, the fight to take place in Paris or Monte Carlo.

According to Breyer's proposal, Johnson would receive $30,000 and Jeanette would battle on a percentage basis. The fight promoter is doubtful, however, in view of Johnson's recent declarations that he is through with the ring, that the champion will accept the terms,

CLOSING STOCK LETTER.

By direct private wires to J. C. Mackintosh and Co., St. John, N. B.

New York, Aug. 24—The attendance on the floor of the stock exchange and the commission offices was at a minimum today with the result that the market was narrow and rather dull with price changes, on the average hardly appreciable. Professional sentiment was bearish which imparted a rather heavy undertone but there was little pressure and the position of market therefore received no real tone. More of a contest is expected to develop next week when the weekly bank figures have been digested and the course of financial events has become unimpeded. In the deliberations of congress. In banking quarters there is an inclination to proceed conservatively pending certain important events scheduled for September, among which may be mentioned the crop reports and the outcome of the engineers' wage arbitration, and the beginning of money movements to the west to finance crops. Of these the last named factor is receiving chief consideration. There is certainly no likelihood of stringency if present speculative conditions persist and some bankers go so far as to say that an active bull movement could be financed without serious disturbance to money rates. The public, however, is waiting for fresh initiative from the larger interests and the course of the market next week will do much to shape speculative sentiment for the immediate future.

DEALINGS LIGHT ON THE STOCK MARKET

New York, Aug. 24.—Apart from the extreme weakness of Canadian Pacific, which registered another severe decline on fairly large dealings, there was little of interest in today's narrow and dull stock market. The selling of Canadian Pacific was attributed to the increasing opposition shown in various parts of the Dominion to the proposed issue of new stock, together with the absence of support from London, where a holiday was being observed.

Dealings otherwise were light and largely given over to some of the higher paid specialties, including American Snuff and Sears Roebuck, both of which added substantially to their recent steady gains. There was also some further activity in Mexican Petroleum and National Biscuit at better prices, but stocks of primary importance again suffered from general neglect, although manifesting a firm undertone.

General news was altogether encouraging, including the weekly statements of the mercantile agencies, which reported an increase of foodstuffs and merchandise consumption, brilliant crop prospects and incessant demand for labor.

The bank statement met popular expectations by showing an actual cash loss of $7,475,000 and a decrease of over $8,999,999 in net deposits which reduced reserves by $5,206,100 leaving excess cash reserves at $15,345,900.

The bond market was steady with total sales par value amounting to $569,000.

United States government bonds were unchanged on call during the week.

CLOSING COTTON LETTER.

By direct private wires to J. C. Mackintosh and Co., St. John, N. B.

New York, Aug. 24.—There is rather general conviction that prices have become adjusted to level which virtually discounts crop developments and other factors to date, and the feeling that there would be little doing in today's short session caused an unusually small attendance on the floor of the cotton exchange this morning. As a consequence the market moved within a narrow range and fluctuations reflected largely the evening up of small accounts over the Sunday holiday. There was some revival of bear talk as a result of the rather favorable tenor of private crop advices and the absence of disturbing weather predictions for the week-end but there was no disposition to go short over the week-end. The market seems pretty well evened up pending fresh developments.
