ROOSEVELT TALKS WITH McMULLEN ABOUT CANADA

Senator Says There Is No Feeling for Reciprocity in This Country Now.

Washington, Jan. 31.—A discussion of commercial conditions between the United States and Canada was held at the White House today between the president and James McMullen, a member of the Canadian senate.

"A few years ago," said Senator McMullen, "a strong movement was started for reciprocity between the United States and Canada, but with us the subject now is scarcely mentioned. Our people are becoming convinced that they must look abroad for an outlet for their surplus products. Our producers are able now to lay down in Great Britain surplus wheat, meat, and other perishable stuff, in as good condition as we can put them into the United States. They are building up a fine export business and are very prosperous. If we should enter into a reciprocal agreement with the United States, we should be obliged to change our relations with Great Britain. Our people have no desire to do that. In Great Britain and in some other foreign markets Canada is a competitor of the United States."

In other respects our people entertain the most friendly feeling for the people of the United States."

Senator McMullen said that extensive railroad construction is in progress in Canada and Canadians were becoming interested in railway rate legislation. He believed that in the near future such rate legislation as is now pending in the American congress would be brought before the Canadian parliament.

PLYMPTON MAN DROWNED SUNDAY

Amero Was Only Nineteen, But Left a Widow and Two Children—A Digby Wedding.

Digby, N. S., Jan. 31.—(Special)—A quiet wedding took place at Mayor Peter's residence, Montague street, at 10.45 a. m., this morning, when his sister, Mrs. Lelaiah Coggin, was married to Mr. Peter.

The ceremony was performed by Rev. A. J. Archibald, pastor of the Digby Baptist church, in the presence of only the near relatives of the bride, and a few friends. After luncheon had been served the happy couple left on the east bound train for Berwick, where they will reside.

They are accompanied by the best wishes of their Digby friends.

Word reached here this afternoon of a drowning accident which occurred at Chubbuck, St. Lawrence, Grand Lake, Sunday afternoon, when Michael Amero broke through the ice and was drowned. He was the son of Joseph J. Amero, of Digby, and was only nineteen years of age.

He was a widower and had two children, a widow and two children, one aged two years and the other six days. He was employed in Digby during the last two years, but this winter had been working for the Campbell Lumber Company of Weymouth.

He and two companions had been visiting neighboring camps Sunday afternoon, but on returning on skates and near his own camp at the time of the accident. The body was recovered the same afternoon.

ALL DOCTORS ADMIT PURE BLOOD IS THE BED ROCK OF HEALTH.

Our bodies and minds are refreshed and strengthened by blood, and upon its purity our health depends.

A thousand disorders can be traced either directly or indirectly to an unhealthy condition of the blood. Among the most common rheumatism, neuralgia, Nervousness, Eczema, humors, and female irregularities.

When these have entered the system through the blood, of course the only remedy is a thorough purification of the blood. This is accomplished by Ferrone's Blood Purifier, which attacks poisons wherever they are and makes the blood pure.

No cases are known where Ferrone's ever failed to dislodge deleterious poisons, strengthen elements that have lived many physical wrecks from beds of sickness and made them well.

Speaking of restoring the properties of Ferrone's, Mr. Cyril R. Sargeon of Sydney, says: "I was in a dreadful condition with poor blood and palpitation of the heart for two years. I had scarcely any appetite, and suffered from rheumatism in the left shoulder. I noticed a slight change after the first box of Ferrone's, and when eight boxes were used I was a well man."

It may be exhausted nerves, a weak stomach or bad kidneys that drag you down. Be it one or all of them, Ferrone's will cure. Let Ferrone's assist you in finding and maintaining health. Price, 30 cents per box, or six boxes for \$2.50, all druggists, or by mail from N. C. Polson & Co., Kingston, Ont., and Hartford, Conn., U. S. A.

RUSSIAN MOB BREAKS OPEN JAIL AND FREES PRISONERS

Women Help to Overcome Soldiers at Riga.

Riga, Livonia, Jan. 30.—A mob attacked the jail in the centre of the town this morning, shot down the sentries, broke open the cells, and liberated all the political prisoners. Half a company of soldiers was stationed in the building, but so rapidly and unexpectedly was the action of the rioters that their purpose was successfully carried out. There were many women among the attacking party.

Russian General Assassinated.

Tiflis, Trans-Caucasia, Jan. 30.—General Griaishoff, chief of staff to the viceroy of the Caucasus, was killed by a bomb yesterday. The assassin has been arrested.

The murder was most dramatic and audacious. The assassin evidently had studied the habits of his victim and lay in wait behind a wall of the Alexander Garden, opposite the entrance of the palace, where a carriage was drawn up to take the general for his daily drive.

Caucasian Revolt Quelled?

St. Petersburg, Jan. 30.—Alarmed by the stern and vigorous campaign waged by the troops under General Alkhanoff, the inhabitants of the Caucasus are abandoning the revolutionary cause. They are coming by thousands to make submission and are giving the most abject promises of good conduct in the future. The campaign against the active insurgents in the mountains has thereby been most facilitated.
