Is a lamp at any time in a bad temper? Yes, when it is put out.

"UTAH may have its plural wives," observes Mr. Quilp, "but other parts of the country have very singular ones."

An Irishman, noticing a lady pass down the street, espied two strings depending from under her mantle. Not knowing that these were styled sashes, and were hanging in their right place, he exclaimed:

"An' faith! ma'am, yer gallusses are loose!"

An old toper being asked one day why he persisted in drinking, replied, "Dry makes me drink, drink makes me drunk, and drunk makes me dry again." The explanation was considered quite sufficient.

A LADY who refused to give, after a charity sermon, had her pocket picked as she was leaving church. On making the discovery she said, "The parson could not find the way to my pocket, but the devil did."

There is said to be a young lady in Champaign who delights in a delicate appearance. For an every day delicacy she takes one Shoshonee Pill; for an extra delicacy she takes two; dose to be taken the night before the delicacy is required.

The only man not spoiled by being "lionized" was the prophet Daniel.
