GRATEFUL-COMFORTING. EPPS'S COCOA.

BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.

Made simply with boiling water or milk. Sold only in half-pound tins, by Grocers, labelled thus:

**TO ORGANISTS—BERRY'S BAL-
ANCE HYDRAULIC ORGAN BLOWER.**
These Engines are particularly adapted for
Blowing Church or Parlor Organs, as they
render them as available as a Piano.
They are Self-Regulating and never over-blow-
ing. Numbers have been tested for the last four
years, and are now proved to be a most decided
success. For an equal balanced pressure pro-
ducing an even pitch of tone, while for durability
certain of operation and economy, they cannot
be surpassed. Reliable references given to some
of the most eminent Organists and Organ Build-
ers. Estimates furnished by direct application
to the Patentee and Manufacturer, WM. BERRY
Engineer, Brome Corners, Que.

They are nutritious, easily digested, palatable,
economical, and quickly prepared. They assist
in building up a strong muscular development,
as well as brain and nervous vitality.
Persons of weak digestion or constitutive
habits derive the greatest benefit from their use;
while the most active men find full satisfaction
from a diet wholly or partly composed of these
specially prepared cereals.
