

BRANTFORD TEAM BEAT HAMILTON FIVE TO ONE

Took the Ambitious Cityites Into Camp on Their Own Ice—A Fast Game in the Main.

Brantford went down to the Hamilton Arena last night so strong that they trimmed the Canadian Mounted Rifles team by 5 to 1 in a fast intermediate game. The ice being artificial, was good, but they didn't get on it until late, owing to a preliminary junior game.

Freeman was the star of the local line-up and was at his best last night. The team all through was very good. So good, in fact, that they made the soldiers a little nervous.

The teams:
 C. M. R. Goal: Sumner
 Minnock R. Defence Johnson
 Scanlon L. Defence Slonia
 Stahlbau Royer Beckett
 Smith Centre Lloyd
 Forsyth R. Wing Kleary
 Rankin L. Wing Freeman
 Gridale Referee—Sproule.

FIRST QUARTER.
 This quarter was the closest part of the game. Both teams played well at first. Then when both Summers and Kleary were penalized, the boys and Kleary redoubled their efforts to make up. The result very fortunately was two goals, shot by Johnson and Beckett. Seven more shots were fired but unfortunately stopped.

SECOND QUARTER.
 In the second quarter, Brantford had the supremacy and made Hamilton's goalkeeper the target for fourteen fast shots. He stopped them all but one, however, which was shot by Lloyd. Hamilton played part of the time through with two men, Forsyth and Westland in the ice again. When these two got on the ice again the game livened up considerably towards the last of the quarter.

THIRD QUARTER.
 The game was contested on Hamilton ice most of the time in this quarter. The C.M.R. put up a good fight for a few more goals, to even up the score. Smith and Scanlon were

only a single goal, they had more chances than Ottawa. The best team won. Of that there is no doubt. Toronto looked only fair in the first period, but when they started to check and check hard, in the second and third periods, they had it on their opponents. In the third period the game became very rough and both teams were forced to use all their spares.

SEVENTEEN MEN

Killed on the C.P.R.—Train Plows Into Caboose of Snow Train.

MANY IN BRANTFORD TRY SIMPLE MIXTURE
 Many Brantford people are surprised at the QUICK action of simple buckthorn bark, glycerine, etc., as mixed in Adler-ika. This simple remedy acts on BOTH upper and lower bowel, removing such surplus food matter that ONE SPOONFUL relieves almost ANY CASE of constipation, sour stomach or gas. A few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. The INSTANT, easy action of Adler-ika is astonishing. M. H. Robertson, Limited, Dalhousie Street.

Brandon, Man. Jan. 13.—Seventeen C. P. R. employees were killed and a score injured here yesterday when an engine, drawing a freight train, plunged into a caboose of a snow train, where the men had sought shelter from the so below zero weather. The men were employed clearing snow from the yards, and the caboose was attached to one of the trains used for hauling the snow away. Within one or two exceptions, all the killed and injured were foreign born.

A United People Bending Every Effort To the Successful Prosecution of

THE GREAT WAR

This is the Resolve of Canada The Determination of Ontario

A United People in the Great War

This is the end to which Political Leaders have made every effort and continued to wield their great influence.

No question of a local, contentious or political nature can be allowed to divert our minds or our energies from the one duty. Win the war. The best minds in Ontario and, in fact, throughout Canada believe that, although there may be questions political and otherwise that might well be determined by the electorate, yet these must wait.

No Election Until After The War Is Over

No General Election This Year

The House of Commons opens shortly and it is expected the first bill to be introduced will be one extending the Life of Parliament for a year—What for? In order that the Government may devote its whole thought and energies in directing Canada's great efforts to do its full part within the Empire in winning the war and thus bring about an honorable peace.

Let the Man Who Fights Vote on The Issue

And now at this critical time comes the Citizens' Committee of One Hundred with its campaign for Total Prohibition to divide us, to throw us into opposing camps, and if possible force their will on this province when many of the electors are fighting for the Empire in Europe.

The Electors of the Province of Ontario Spoke With No Uncertain Sound, June 1914 to retain The License System under sane Government supervision and control. The question was settled, then why does the Citizens' Committee of One Hundred raise it now?

The Question Was Settled by The Electors in 1914

The Men at the Front and the thousands to Follow

Thousands of our fellow-citizens have heard the call and have gladly responded, sacrificing the comforts of home, their loved ones, their friends, their business, at the call of Duty and Liberty. Many more will go before the vote proposed by the Citizens' Committee of One Hundred could be taken. These men voted in 1914. Is it fair to force the question of Total Prohibition on Ontario when they have become disfranchised by reason of their absence—fighting for you—fighting for Liberty?

Parliament of Canada Gave Vote to Men in the Trenches

In the last session of the House of Commons a bill amending the Franchise Act was introduced, approved and made law, under which, in the event of a General Election in Canada, our soldiers in England or on any field of action will be able to cast their votes. The Citizens' Committee of One Hundred is trying to get a verdict in the absence of our fighting men.

The Citizens' Committee of One Hundred realizes that the men who are fighting for the World's liberty on the battlefield of Europe would be fighting for the liberty of the individual if they were home.

Wait, and give them an opportunity to vote.

Lalonde and Hall Renew Their Feud

Montreal Jan. 13.—The Canadiens defeated Quebec here in the National Hockey Association fixture last night by a score of 5 to 3.

Quebec made the pace, which was only a moderately fast gait in the first period, finishing the period with the score 2 to 1 in their favor. The score in the second period ended 3 to 3, Quebecs were distanced in speed in the last session, when a number of violent disagreements occurred between the opposing players.

The old feud between Newsy Lalonde and Joe Hall was renewed. They came to blows twice. On the second occasion Lalonde was given the first "match foul" penalty of the season and banished for the rest of the game, while Hall received a major foul—temporary banishment and a fine.

Whitby Intermediates Receive a Setback

Oshawa, Jan. 13.—For the first time in quite a few years an Oshawa team won from a Whitby team last night, when the local O. H. A. intermediates defeated the Whitby seven by 10 to 0.

Whitby have been heralded as the coming champions of this group, but they met their masters last night. They were outclassed in all departments, and if the ice had been fast the locals would no doubt have scored even more goals than they did. Watson was the best man for Whitby but it would be hard to select the best for Oshawa. The entire team worked excellently and their team work was a feature.

Threaten to Crowd Toronto Off the Map

Montreal Star.—In regard to the rumor that Toronto will leave the N. H. A. for a new international league, it is stated on good authority that New York will have a professional hockey team next winter, and in all probability Boston, but that New York and Boston will be in the National Hockey Association and that Toronto may be in the soup. It is impossible at this stage for obvious reasons to give out any of the plans of the new venture, but it can safely be said that the way it looks now it is almost certain that application will

CARPET BALL

Borden team No. 1 did the trick when they defeated Liberal No. 1 on the latter's floor last night by one point in a well played game. This defeat puts Liberal No. 1 out of the running in the first series. On the 18th end the score stood 72 all. Bordenites made a 3 to 4 score on the 19th end and the 20th end was a tie, leaving the Bordenites winners. The referee was F. Armitage.

At Last Toronto Score a Victory

Toronto, Jan. 13.—After six attempts, the Toronto N. H. A. team broke into the win column 72 all, they defeated Ottawa at the Arena last night by 1 to 0. The smallest crowd which has yet attended a professional game was present, the cause of this probably being the bad weather conditions. It was the first appearance locally of the Ottawa team, last year's champions, but they are far from the team of last season. The credit of scoring the winning and only goal of the night goes to Cyril Denenny, although Cameron shares the credit with him. Cameron, one of his sensational rushes, foiled the Ottawa defence by a perfect pass to Denenny, who beat Benedict. Although Torontos won by
