

Gleaned by the Way.
Clothes don't make the man. Many a fellow with a coat-of-arms wears baggy trousers.

Bile is Nature's Cathartic.
Since it is the liver which filters the blood from the system, it is essential as an aid to digestion, and as a means of eliminating the excess of bile from the system. It is the greatest importance to keep the liver active by the use of Dr. Chase's Bile Beans.

The average hand of the man is from one inch to an inch and three-quarters longer than the woman's average.

No Rheumatism with Red Blood.
Rheumatism, like cholera, is a disease of the blood, and it is the liver which filters the blood, and it is the liver which filters the blood, and it is the liver which filters the blood.

Health Hints.
If you are hungry immediately after rising, if you enjoy breakfast, eat it. If you are not hungry, don't. Cold water before breakfast might injure someone whose vitality is very low, but as a rule it would be better to abstain from breakfast.

Bad Breeding.
Yet the ignorance of most people who assume the responsibilities of parental life is appalling. While men have given and are now paying deep attention to the proper breeding of cattle and the improvement of their stock, multitudes give no thought to the conditions absolutely essential to noble character which should surround parents, and especially the mother, before the child is born.

How to Cure a Cold.
Be as careful as you can when you will occasionally take cold, and when you do, get a medicine of known reputation, one that has an established reputation, and that opens the secretions and aids nature in restoring the system to a healthy condition. During the many years in which it has been in general use, it has cured a million one hundred thousand cases of colds, coughs, and bronchitis, and here are the letters in which they openly state that it has cured their children.

You Feel Blue as an Indian.
You are sleepless—no energy—bad digestion—irritable nerves—everything seems wrong. You're getting worse. Stop it to-day, end your misery by building up with Ferrozone. It's a good tonic—supplies nutriment and building material—gives weak organs an exhausted nerves the strength they require. With Ferrozone you eat more, digest more, get fatter. Vitality courses through your veins, the feeling of youth predominates, vim, strength and health return for good. Nothing rejuvenates and restores so quickly and permanently as Ferrozone. You'll try it to-day, see at all dealers.

The Ailments of Women.
If the girls and women who suffer with what they think as "Female Trouble" would look to their kidneys, they'll soon find the source of their ailment. The kidneys are closely allied with the female organs, and it is the vitality of the kidneys is interfered with, great suffering occurs. There is no better medicine than Dr. Hamilton's Pills, which stimulate and strengthen the kidneys, assist other organs to do Nature's work, cleanse the system and thereby maintain perfect health. Great benefit and certain cure is guaranteed for all women who use Dr. Hamilton's Pills.

Worried to death.
INDIGESTION, LOSS OF SLEEP, HEART PALPITATION.
A case that proves prompt action is wise when health is poor.

SEIGEL'S SYRUP
"An army marches on its stomach." It is that meant that half-starved men are not strong enough to do their duty. And you know that, half-starved men and women are not strong enough to work, or to play and to be happy. You should also know that indigestion means slow starvation. More than half the people who soon tire and become depressed, who feel life a burden and who go listless to bed, are suffering from indigestion. If they get a daily grip with Mother Seal's Syrup, they will find life a daily joy as they feel their digestion right with Mother Seal's Syrup. It is the digestive tonic compounded of roots and herbs. Take it daily after meals and test it yourself.

Baby's Skin Trouble
ITCHING ECZEMA
For the skin troubles of babyhood Dr. Chase's Ointment acts as a magic cure. It is wonderful how promptly it allays the irritation and stops the suffering of little ones who are tormented by terrible itching, stinging eczema. Mothers often find themselves helpless before this annoying ailment which torments so many young children, but we have yet to hear of a single case in which relief was not obtained by its use.

Dr. A. W. Chase's Ointment
This soothing, healing preparation is also successful as a cure for chafing and all skin irritations. Mothers who once use it for their purpose do not think of returning to pre-sleeping, unsatisfactory conditions. 40 cents a box at all dealers or Edmondson, Bates & Co., Toronto.
New York: McKey, Tiverton, Digby Co., N.S. writes:
"My children were taken with itching, burning eczema and here their father used your ointment and their condition improved so much we used Dr. Chase's Ointment. It did us good and has cured them. They suffered so they could not sleep nights, but was easily cured from anxiety and loss of sleep."
It may be seen in Temperance street, Worcester, Mass. A resident who had spent much money on intoxicants suddenly awoke to his folly, and determined to save the same he would have otherwise frittered away in this direction. With the money thus saved he erected a fine cottage, giving instructions to the builders for certain bricks to be so arranged as to form the words, "The blessing of God on total abstinence from all intoxicating drinks."
