Dr. W. Roger Graham,
University of Saskatchewan,
Regina, Sask.

Dear Roger:

Just received your note of 24th,
but Miss Edmondson told me you were in the City
some days after you were in. You should never
come without calling. Your presence might bring
a new idea into my mind.

Eugene has been clipping the
wings of some man by the name of Saywell who has
attempted to invade the field of history. Ap-
parently from Eugene's criticisms, which undoubtedly
will be right, he has only demonstrated that his
name is wholly inappropriate.

The best to yourself and your
wife.

Yours sincerely,

AM/E.
