Ottawa, 19th February, 1906.

Revd Sir,

With reference to your letter of the 20th December in which you ask to be compensated for the assistance which you have afforded to the Indians of Treaty 8 during the present winter by the issue of fish to them, I beg to say that you may send in your account for the same and the question of payment will ~~can~~ be considered. Kindly render the account in detail and in duplicate on the enclosed forms and sign the printed certificate thereon.

If deer appear in the district during the winter, as they probably will, it is thought it will not be necessary for you to issue further supplies of fish.

Your obedient servant.

Secretary.
