

"D" COMPANY

Funds were cheerfully forwarded to the 77th Battalion for the purchase of machine guns by the Ladies of the Victorian Chapter, Daughters of the Empire, Mr. Harry Kuntz, the citizens of Morrisburg, the employees of the Dominion Printing Bureau and the patrols of the Cornwall Canal (59th Regiment). The latter also generously donated funds for the purchase of Kiltie uniforms for the pipe band.

Other gifts included the donation of pipes for the kiltie band from St. Andrew's Society of Ottawa and other friends have provided excellent instruments for the brass and bugle bands. The Women's Voluntary Aid Detachment has been a watchful friend always looking to do kind things for the soldiers of the corps.
