The following are a few EDITORIAL NOTICES. Space will not allow more.

[From the London Times.]

"Chambers' Encyclopædia—a work that, as a whole, has no superior; and very few equals, of its kind; that, taken by itself, supplies the place of a small library, and, used in a large library, is found to possess many points of information that are sought in vain in many other Cyclopædias in the English language."

[From the Dublin Irish Times.]

"Whoever wants a Cyclopædia, extensive and yet cheap, and compiled throughout on the principle of compendious and accurate information on all subjects rather than on that of collected individual dissertations, cannot do better than procure Chambers' Encyclopædia."
