

COLLECTION STELLA MARIS

A decorative floral border featuring a central banner. The border is composed of two semi-circular arcs, each filled with a cross-hatched pattern. Between and around these arcs are various floral elements, including small five-petaled flowers, clusters of berries, and bare branches with leaves. The central banner is a horizontal rectangle with wavy, ribbon-like ends on the left and right sides. It contains the title 'L'aventure de Su-na-na' in a stylized, blackletter-style font. The word 'L'aventure' is in a standard weight, while 'de' is smaller and 'Su-na-na' is in a larger, bolder weight with a slightly distressed or ink-blot texture.
