...THE WORLD OF SPORT...

LACROSSE

WALLACEBURG'S CUP.

It was the hardest kind of a game to lose. After securing a lead of three goals in first half and then not winning out seems very peculiar. But such was the case in yesterday's game between Wallaceburg and Chatham.

The opening of the game saw some of the fastest and best combination work on the part of the Chatham home ever witnessed on Tecumseh Park. It was clean, fine, swift passes which carried the ball to the opponent's citadel and scored in a minute's time after play had started.

At 4:30 Hayden, for Chatham and Taylor for Wallaceburg faced off, when Referee John Shillington, of Blenheim, blew his whistle. Hayden won the face-off and soon the ball was on its way toward the Burg flags. Now Hayden had it, O'Connor next, Wilson's turn came next, and he passed to Bert Ross, who put it between the flags on a pretty shot.

Right after the face-off the locals had the sphere again and it was soon hovering around the visitors' end of the field. O'Connor made a pretty shot, and Appleford in goal relieved nicely, only to have the ball returned in a minute and a scrimmage in front of goal was the result. Appleford picked the ball up and threw it out with his hand. It was now Wallaceburg's turn for a minute and Bill Jahke in goal took a beautiful shot off Appleford's stick, and a few minutes later Fead at point relieved in good shape.

Knight secured the ball from Boulton, and by some good pass work via Ross to Wilson, O'Connor got the sphere and it sifted through the stakes 10 minutes after play had commenced.

After face-off, the ball, as had been all along in Chatham's possession, was there again. It was just about here that Higley, who had been playing a star game, made a beautiful one-handed catch and carried the sphere down the field at the rate of 60 miles per, and passed it to O'Connor, who shot a little wide.

The first quarter ended with play on Chatham goal, and the visitors evidently waking up to the fact that Chatham had secured two goals to nil.

The second quarter was eventful for the fact that each side scored a goal, Chatham first by Wilson, who got the ball from McLeod, and the Burgers were not long in following suit, Du-long scoring on a pass from Lawlor. It might here be well to mention that Lawlor is the fastest in the Wallaceburg repertoire. And thus ended the first half—Chatham 3, Wallaceburg 1.

The third quarter did the business for the visitors. It was in this eventful part of the game that the score was tied. The locals seemed to go to pieces. The second half had seen the home department fall away in play and now it was that the defence started to keep the sorrowful pace set by the home. In the meantime the visitors being in excellent condition, got down to work for fair. This quarter had not been long opened before Ross had scored the visitors' second tally and Chatham fans began to get just a little anxious and the Burgers got not a little more cheerful.

Jahke, Elliott and Fead relieved several times, in fact they had to or there would have been doings more plentiful.

Just near the end of the third division of time Du-long tied the score and the Wallaceburg rosters were on the field en masse in a moment, cheering and yelling.

The fourth quarter was pretty well fought, but the visiting team had the better of it. Neither side scored in the fourth quarter, and after a good deal of jangling it was decided to play until a goal was scored.

The play was principally on the local flags with Fead in goal doing excellent work. To Mr. Lawlor, the red-headed youngster, goes to glory of winning the game for the visitors. He scored their winning goal after five minutes of play.

Side Shots.

With some good, hard team work, we can beat them.

The visitors were trained right to the minute and could stand the clip.

"Why don't they play defence now that they have such a good lead?" remarked a probably wise head at the end of the first half.

We'll do better next time.

Too bad Grant was laid off. He was doing good work.

Hayden played a fine game in centre.

Some of the knowing ones put it down to bad management. There's no good crying over spilt milk, they say, but if Non Shillington had been on and Bobby Grant, who was playing a fine game, had not been put off, the result might have been different.

There were, unfortunately, a few dead ones on the Chatham team.

Knight and Elliott played very effectively on the defence.

Comments to young Tom Higley. He was genuinely "the goods" yesterday. Had Chatham had a team of Tom Higleys there would have been nothing to it.

Congratulations to plucky Wallaceburg. They played a hard, clean game and deserved their victory.

FROM THAMESVILLE.

Secretary Cameron, of the local lacrosse club, has written to the president of the C. L. A. protesting against his hasty action in cancelling the certificates of Sherman, Hardy and Higgins. The certificates were cancelled upon evidence given solely by Referee Knight, who is himself a disqualified member of the Chatham team. His report of the game was very much one-sided and unfair, and if he had done his duty as referee on July 1st the game between Chatham and Thamesville would not have ended as it did. The rules plainly say that if players are guilty of fighting they shall be put out for the remainder of the game. Sherman, Grant, Hardy and Higley should have been sent to the fence as soon as they were guilty of the above offence, and the game would have proceeded. Knight was anxious that Grant and Higley should remain in the game, and they are responsible for the whole trouble—Thamesville Herald.

BASEBALL

The Fanning Mill baseball team was defeated last evening by the Keystones ball club. The colored fellows hit the ball better than their opponents, of the mill. Only five innings could be played, the score being 7 to 4 in favor of the Keystones. Catcher McLaren made a fine catch of a foul.

The batteries were—Keystones, Talbot and Kersey; Mill, W. Robert and McLaren.

Umpire—Matthew Douglas.
The Chatham team which went to Port Stanley on Thursday, defeated the London team in a hard contest for supremacy by a score of 8 to 5. Chas. Lynn made two home runs for Chatham club and played a star game.

THE ALDERMANIC STRUGGLE.

A. M. Smith, President of the Algonac Council, writes, stating that his Council, assisted by two or three Marine City aldermen, are prepared to take the trophy.

Probably they would not think they were prepared to take the trophy if they knew the team they will have lined up against them, and would be thinking seriously of borrowing the Detroit League team for the occasion.

It is proposed to have the following line-up:—

Captain and Coach—Mayor W. E. McKeough.
Catcher—T. A. Smith.
Pitcher—Archibald B. McCoig.
Base No. 1—Walt T. Piggett.
Base No. 2—W. S. Marshall.
Base No. 3—Thos. Scullard.
Short Stop—Geo. Gordon Martin.
Centre of Field (without a basket)—John Edmondson.
Right Portion of Field—Ed. A.
