
They who have true light in themselves

PARKS'
Cotton Manufactures,

ESTABLISHED 1861.

GREY COTTONS,

In two qualities marked A and B, and of two widths, 33 and 36 inch.

This Cotton will be found quite equal to American in appearance, and owing to the yarn being harder twisted, it will prove much more durable. It is made with the smallest possible quantity of sizing, and is consequently very much superior to any English Cotton Imported.

Our Grey Cotton has our Stamp upon it.

BEAM WARPS FOR WOOLEN MILLS,

Any Width and any number of Yarn—Single or double twisted.

WHITE & COLOURED, WARRANTED TO WEAVE WELL.

Our Goods are sold by us to the Wholesale Trade only, from whom Country Merchants and Consumers can always obtain them by asking specially for them.
