have been the same good matches since 1851. Like Eddy's Fibre-boards, they are considered standard by all loyal Canadians under the "Made-in-Canada" banner.

MADE IN CANADA

We are the last to advance our prices. Buy your next year's requirements at the prices listed below and save a large percentage of your fence money. In accordance with our usual custom, we are giving you an opportunity to buy before the prices advance. You no doubt realize that we are the only company who follow this practice.

SARNIA FENCE FIRST WHY?

Sarnia Fence is sold direct from Factory to Farmer, cutting out all agents' commissions, dealers' profits and bad debts, and giving you our fence at first cost.

The enormous amount of material that passes daily through our factory has resulted in a most economical system of handling. We can handle our present large tonnage to a better advantage to-day than we could our small tonnage three years ago.

Combining these features—Our Direct Selling Policy—Our Low Cost of Manufacturing—Our Absolute Guarantee—and the fact that we are not connected in any way with a combine for the elimination of competition, we believe you will give us credit for being in a position to sell you the best fence it is possible to make at the lowest cost.

QUALITY

Sarnia Fence is the best known fence in the Dominion of Canada to-day, which is due largely to the fact that it has lived up to every claim we have made for it. From the first we have used a most rigid system of inspection that insures our customers of getting the most perfect fence possible.

We buy our wire on the open market of the world, and our business is of such a tremendous volume that we are in a position to demand the best. Our wire is galvanized to the highest possible standard, and is all full government gauge No. 9 wire.
