

**INTENDING EMIGRANTS FROM NOVA SCOTIA.** THE CANADA COMPANY would suggest to parties who may contemplate leaving Nova Scotia that the Western Section of Canada offers every inducement for them to settle there, rather than that they should proceed to the United States. In Upper Canada they will find a most healthy climate, and abundance of excellent land to be obtained upon easy terms from the Government and Canada Company. The great success which has attended Settlers in Upper Canada is abundantly evidenced by the prosperous condition of the Farmers throughout the Country;—by the success of many Settlers of New Brunswick and Nova Scotia who have settled in many Townships;—and by the individual progress made by several thousands of people who have taken Lands from the Company. The Canada Company's Lands are offered by way of Lease for Ten Years; or for Sale Cash down. The plan of 1/5th Cash and Balance in Installments, being done away with.

The Rents, payable 1st February each Year, are about the Interest, at six per Cent., upon the Cash Price of the Land. Upon most of the Lots, when the money is required down; whilst upon the others, according to locality, One, Two, or Three Years' Rent is paid in advance, but these payments will give the Settler from further Calls, until the Second, Third or Fourth year of his Term of Lease.

The Settler is secured to him the right of converting his Lease into a Freehold, and of course, enjoying the benefits of further Rents, before the expiration of the Term, upon paying the purchase Money specified in the Lease.

The Lessee has thus guaranteed to him the entire benefit of his Improvements and is assured of the Land, should he wish to purchase. But he may, if he pleases, refuse to call for the Freehold; the option being completely with the Settler.

A Discount, of Two per Cent., will be allowed for anticipated payment of the purchase Money for every unexpired year of Lease, before entering the Tenth Year. The Lessee has also secured to him the benefit of the Settler's Savings Bank Account.

The direct trade now opening up between Upper Canada and Halifax presents facilities for cheap passage by the St. Lawrence to the upper Lakes, in the vicinity of valuable lands open for settlement.

Printed Papers containing full and detailed particulars, may be procured gratis from the Rev. E. Evans, Halifax, of whose permission the Company avail themselves to refer inquiring parties to him, as a gentleman long resident in Western Canada, and who will afford information respecting the Company's Lands, and upon Canada generally.

Commissioners of the Canada Company's Office, Toronto, C. W., April 5, 1851. April 26.

JAMES BEATTIE.

Halifax, January 2nd, 1851.

**MR. SAMUEL STORY, Junr.** Dear Sir,—I am happy to inform you that I had an opportunity of perceiving the good effect derived from the use of Dr. S. P. Townsend's Sarsaparilla, on Mrs. Rebecca Robinson, of Shelburne, who was considered in a delicate state—having a severe Cough, with symptoms of Asthma,—she took large quantities of COD LIVER OIL, but without any benefit derived from it; at my request she was induced to try your valuable Sarsaparilla, and am happy to say with great success. She has taken five Bottles, and is now able to go about her house as usual, before taking it she was confined to her bed and not expected to live. Your obedt. servt. JOSEPH WALTERS.

We perceive by a meeting of Railroad Directors in St. Louis, that it is in contemplation so to unite the different railroad lines between that city and New York, as to make them within forty-eight hours' reach.

Gen. Pragy, a distinguished Hungarian commander, and compatriot of the gallant and renowned Kosuth, has arrived at Galvestown, with a few other Hungarian exiles. He intends to settle in Texas.

The sword worn by Napoleon at the battle of Marengo has been purchased by Nicholas of Russia for \$52,000. The emperor has already a large collection of relics of the great soldier.

At New Orleans, a Mrs. Doran was burning a compound of bees' wax, sulphur, and onion seed, and holding her face over it for the tooth-ache, when she inhaled too much of it, and expired instantly.

The wheat crop in northwestern Ohio is in a promising condition. The season is unusual, forward, and nothing but severe drought can prevent favourable harvests.

**MALICIOUS STABBING.**—A man by the name of Hutchison was stabbed by another of the name of Paul Pilon, in an affray which took place between them on Saturday night last in this town. Several wounds were inflicted upon the upper part of his body, but he is considered to be in a dangerous situation. We believe the quarrel originated in a drunken brawl, and is but another example of the evil of intemperance. The perpetrator was fully committed to jail on Monday last, by Thomas McGrae, Esq., to take his trial at the ensuing Assizes.—Kent Advertiser.

**A COLD WATER TOWN.**—The N. Y. Tribune well says that Springport, Cayuga Co., is a town a man might be proud to live in. Though it has long been settled, and has about 2,000 inhabitants, yet there is not a pauper nor a grog-shop within its borders. The overseer of the poor, (Mr. P. B. W.) is empowered to root out the rum traffic, as a part of his anti-pauperizing duties; but there being no longer either grog-shops nor application for charity, "his occupation's gone."

The town collector has just been to the county treasurer to pay the town taxes for the year, having collected and returned every farthing a week before the time allowed him had expired.—Buffalo Christian Advocate.

**EFFECTS OF INTEMPERANCE.**—An old man by the name of Daugherty, was found dead yesterday morning in the vicinity of the old market, in this city. It appears that the deceased, habitually addicted to intemperance, had been drinking late on Monday night, and had either fallen or lain down on his way home, in which position he was discovered lifeless the next morning.—Hamilton Spectator.

Our argument against legally authorizing the R. C. Priests to celebrate marriages under the Bishop's "Dispensation," without previous publication, &c., was, that such legal sanction would concede to them a power denied to Protestant Ministers, and afford great facilities for proselyting to the Church of Rome, opening at the same time a wide door for clandestine alliances. We illustrate the subject by as delicate a reference to an event of comparatively recent occurrence, as circumstances would allow,—one which assuredly did not require our aid to give it notoriety among our citizens. We have reason to believe that our statement of the material facts of the case was substantially true. Jesuitical paragraphs may be drawn up with (suppose) consummate cunning, but the sophistry is too palpable to impose on intelligent minds. The infallible Church must be screened. We understand the force of this principle as well as taught by certain dignitaries. In this case it will be seen. The truth is out, and no prepared or dictated "remarks" can turn aside its sharp and penetrating edge. For the present we forbear further references.

**WISTAR'S BALSAM OF WILD CHERRY.**

THE GREAT REMEDY FOR CONSUMPTION. And the best medicine known to man for Asthma of every stage, Liver Complaints, Bronchitis, Influenza, Coughs, Colds, Bleeding of the Lungs, Shortness of Breath, Pains, and Weakness in the Side, Breast, &c., and all other diseases of the PULMONARY ORGANS.

**BEWARE OF IMPOSITION!** The greater the value of any discovery, the higher it is held in the esteem of the public, and so much in proportion is that public liable to be imposed upon by the spurious imitations of ignorant, designing and dishonest men, who, like the drone in the hive, have neither the ability nor inclination to provide for themselves, but thrive and luxuriate upon the earnings of the deserving.

Now that this preparation is well known to be a more certain cure for incipient CONSUMPTION, ASTHMA, LIVER COMPLAINT, COUGHS, BRONCHITIS, and all similar affections, than any other remedy ever known, there will be, and NOW ARE found those so villainously wicked as to concoct a spurious, and perhaps a poisonous mixture, and try to palm it off as the genuine Balsam.

This is to caution dealers and the public generally against purchasing any other than HAVING THE WRITTEN SIGNATURE OF I. BUTTS on the wrapper. The rest merely imitate the names of the original, while they possess none of its virtues.

Originally prepared by Williams and Co., Philadelphia, now prepared and sold, wholesale and retail, only by SETH W. FOWLE, Boston, Mass., to whom all orders should be addressed, and for sale by his agents throughout the country.
