MARRIED.

COULTER—RUSSELL—On Saturday, Oct. 30th, 20, at the parsonage, Selby, Ont., by the Rev. Irvine, Winnifred Laura, daughter of the late Mr. and Mrs. A. R. Russell to William Russell Coulter, son of Mr. and Mrs. R. P. Coulter, Stirling.

Digging Up Sewers to Find Radium

Milligram of Metal Valued at \$13,000 Carelessly Thrown Away

UTICA, N.Y., Nov. 5.—In an effort to locate a milligram of radium valued at \$13,000, carelessly dropped by a woman patient in the Faxon hospital here yesterday, workmen began to dig up the sewers in the vicinity of the hospital.

Only 200 Inhabitants Left in Nome, Alaska

SEATTLE, Wash., Nov. 6.—Nome, Alaska, which during the gold rush twenty years ago had a population estimated at fifteen thousand, was left with but two hundred inhabitants when the steamer Victoria, the last boat of the season, sailed from there, according to passengers who were here today.

POWERFUL ENGINES.

The Grand Trunk Railway officials have made a test of the new switch engines recently built by the Kingston Locomotive Works. Ten have been ordered at a cost of \$60,000 each.

OBITUARY

CHARLES FRASER CHISHOLM

The death occurred last evening of Charles F. Chisholm at his home in the 11th concession of Sidney. He was born in Sidney near the present homestead and had lived in the vicinity all his life.

WILLIAM H. WHITE

William H. White, of Thurlow, passed away last evening at the home of his brother, at Corbyville, after an illness extending over two years. He was born in Sidney in the year 1847 and farmed in Prince Edward for many years.

LATE MRS. WILLIAM STYLES

Mrs. William Styles, aged seventy-four, a resident of Morrisburg for many years, died suddenly recently. Mrs. George Armstrong, Mrs. Herbert Weir and Mrs. Henry Keeler, Spencerville, Mrs. W. E. Rombough, Morrisburg, and Miss Emma Styles, Belleville, are daughters, while W. J. Styles, Record-News staff, Smith's Falls, and Charles A. Styles, Orillia, are sons.

HOME FOR AGED FULL.

There are at present twenty-five women and twenty-four men in the Home for the Aged at Kingston. The limit of accommodation is for fifty-two. Hereafter the Kingston General Hospital will not care of incurables from this home.

RE-ORGANIZING BROCKVILLE REGIMENT.

Major G. J. McManus, G.S.O., M.D., No. 3, who has been in Brockville on duty in connection with the re-organization of the Brockville Rifles (formerly the 41st Regiment), returned to Kingston on Monday.

PARTNERSHIP DISSOLVED.

The dissolution of the firm of Adams & Brintnell, furniture dealers and undertaker, Trenton, is announced. Mr. Brintnell will remain in Trenton and in the establishment with which he has heretofore been identified. He will remain in charge of the undertaking department.

APPLE CROP EXCEPTIONALLY GOOD.

It is surprising how the apples are turning out in some orchards, says the Post Hope Guide. In several cases more than double what was expected. Mr. John Uglow, Lake Shore Road, received six barrels from one tree and sold in Montreal for \$10 per barrel. Frank Richard has 450 barrels ready to ship at \$7.50. Mr. Isaac Selby, Newcastle, was just returned from his brother's ranch of 1700 acres in the West and reports good crops and good prices. Noah sold 13,000 bushels of wheat at the price of \$2.87, and received \$5,900 for his crop.

PAVING PROGRESS.

Pinnacle street pavement will be finished tomorrow except for a strip between the rails, unless weather interferes. Work will begin on West Bridge Street hill next, if the crushed rock foundation is all in place. If not a few days work will be done on East Bridge Street hill. The company expects to get all the asphalt paving completed this fall.

ECLIPSE OF THE SUN.

There will be a partial eclipse of the sun on the morning of Nov. 10th. It will be of exceptional beauty and will cover a great portion of the sun. It will appear in this vicinity about 8:56 a.m. and will disappear about 11:18 a.m.

MADE STRANGE FIND.

Several ladies from Kempsville made a strange find at Morrisville recently. They had been attending the fair and were in their motor car for their return journey when they perceived lying on the main street

Inaugural Dance of K.V.A. Club

Members of Social Department of The Hydro Club and Friends Trip Light Fantastic

The K. V. A.'s, the social department of the Belleville Hydro Club, held their inaugural at-home last night in the Bennett Academy, the function being one of the most successful affairs of the season. Three hundred attended the dance, many being from out-of-town.

The Academy looked its best. Streamers and festoons of gold and purple, the club colors, adorned the ceiling, while the lamps were shaded with the same colors. The K. V. A. (Kilo Volt Amp) signs being over the doorways. Very artistic programs on the walls were the work of Mr. E. G. Brook. A moon with a witch in it threw its rays from the south-east corner and was so arranged that it could be shown in its various phases.

Over the punch bowl, beneath the moon, was the ominous legend, "I've Got My Eye on You."

Much of the enjoyment of the at-home was due to the exquisite music furnished by Al. Linton and his novelty sextette. Special features of the program were music numbers under the direction of Mrs. (Col.) A. E. Allen. She herself sang a dancing number in duet with Mr. Wm. Branscombe. Miss Margaret Thompson danced to the music. Sandy MacGregor, the Scottish comedian and singer, who is becoming well-known here, rendered "Roamin' in the Gloamin'" to the delight of the Scotch and all the rest. Midway in the first part of the program costume dances were given by the youth quartette—Little Misses Louise Wallbridge and Mary Day and Masters Jack Cook and Clement Allen. Mrs. (Col.) Allen also sang the second part of the program.

After midnight the guests partook of luncheon.

The officers in charge of the function were: Patronesses—Mrs. G. B. Smith, Mrs. O. H. Scott, Mrs. E. W. Dickens, Mrs. S. Bongard, Mrs. F. S. Anderson, Mrs. C. F. Wallbridge, Mrs. J. S. McKee and Mrs. W. F. Bennett.

Officers—President, G. B. Smith; Vice-President, O. H. Scott; Secretary, W. H. Hinds; Treasurer, O. W. Munnings; Manager, R. L. Brown; Stewards—J. C. Horle, A. F. Y. Leslie, W. B. Vandervoort, W. O. Watford, H. Anderson, V. Emerson, F. W. Langley.

The K. V. A. Club is an active social organization of the Hydro staff but does not limit its activity to social functions; for it takes a deep interest in athletics of all kinds.

Calico Feature of the At-Home

Ladies Auxiliary B. I. F. & E. Held Successful Dance

Calico gowns and calico ties were among the features at the calico ball of the Ladies' Auxiliary of the Brotherhood of Locomotive Firemen and Enginemen at the Johnstone Academy of Danbury last night. The dance made a big hit with no less than three hundred guests on the floor. The function was a decided success financially and socially. The committee in charge of the at-home were Mrs. W. M. Adams, Mrs. F. Woodcock, Miss Margaret Milne, Mrs. A. H. Moon, Mrs. A. Kemp, and Mrs. H. A. Singer. They were assisted by the stewards—Messrs. W. M. Adams, R. J. Milne, A. H. Moon, H. A. Singer, L. C. F. Trinnell, G. W. Gulliver, W. H. Brown, H. S. Gifford, W. H. Murphy and T. E. Norton. The hall was prettily decorated in the richest of the season's colors. The Johnstone novelty orchestra supplied the music. At midnight, refreshments were served. The affair broke up at three o'clock.

ROGS DECLINING.

The down grade tendency in hog prices continues. Messrs. R. Empson & Son today shipped a large number at \$17.00 per cwt. The prospects are for lower prices.

PROPERTY DISPOSED OF.

The Wylie property on Mill street, Almonte, purchased by the municipality along with the Wylie water power and equipment is to be disposed of to the proprietors of the Yorkshire wool stock mill for \$27,000. An agreement was reached regarding the price, and only awaits the formal approval of the council. The town retains a strip of land along the river thus ensuring the town's interest in and conservation of its power rights in the river.

Self-Determination League Condemned

By Hastings County Orangemen Who Call This Sort of Propaganda Disloyal

At the largest County Orange Lodge Meeting ever held in the city of Belleville, the following resolution was moved by Brother G. Franklin Reid, County Treasurer, and seconded by Brother W. McIntosh:

"Whereas the members of the County Orange Lodge of the County of Hastings, view with alarm a propaganda being carried on in Canada by an organization known as The Self-Determination for Ireland League and;

"Whereas the said League is openly supporting and approving an organization in Ireland known as the Sinn Fein which organization is deliberately carrying on a system of tyranny and crime hitherto unknown in a civilized country, in open defiance of law and order and of the expressed request of the Head of the Roman Catholic Church, and for the avowed purpose of disrupting the British Empire by wresting Ireland from our Empire; and;

"Whereas the said League has received the endorsement and the encouragement of a man claiming to be the Head of a Government supplanting the British Government in Ireland; and;

"Whereas Canada has expended over a billion dollars in money and provided an army of half a million men, over fifty thousand of whom laid down their lives on the battle field for the purpose of preserving our Empire;

"Therefore the County Orange Lodge of the County of Hastings condemns the said propaganda as disloyal to the Empire and calls upon the Attorney-General of the Province of Ontario to put a stop to such propaganda and urges the citizens of Canada to keep faith with our boys who sleep in Flanders' Fields and hold high the Torch of Empire received from their falling hands."

Geo. A. Reid, County Master. M. J. Carl, County Secretary.

Col. Ponton on Western Canada

At the "Fourth" degree banquet Eureka Lodge A. F. & A. M. last night, Lt. Col. W. N. Ponton gave an address descriptive of his recent tour through western Canada. He had just returned from a month spent in touring the three Prairie provinces and the inspiring and illuminative account he gave of his travels, his experiences and impressions will long be remembered by those who were privileged to hear it.

The opinion was general among those about the board that Col. Ponton had attained a new high level of post-prandial oratory. The address gave to his hearers a new vision and an expanded conception of their great Canadian commonwealth. At the conclusion he was warmly thanked and congratulated by the toastmaster for his courtesy in coming so soon after his trip to visit Eureka and for the splendid inspiration he had thereby given the members.

Osgoode Hall

Appellate Division Before Mulock, C. J., Hodgins, J. A., Riddell, J., Masten, J.

Lavst v. Central Ontario Ry. Co. E. G. Porter, K.C., for plaintiff. A. J. Reid, K.C., and D. L. McCarthy, K.C., for defendant. Appeal by plaintiff from judgment of Logie, J., of 4th May, 1920. Action by an engineer to recover \$5900 damage for alleged false and malicious arrest and prosecution of plaintiff on a charge of being drunk while on duty, which charge was dismissed. At trial the action was dismissed with costs. Appeal argued. Judgment reserved.

Lions Are Busy On the Job

"Welcome" Sign Boards Erected at City Limits

The Belleville Lions' Club members "crunched" a meal in their den at Hotel Quinte yesterday. Cub William Wheeler being good fellow-ship chairman. The business was discussion of various topics. The Lions are putting on an open session two weeks from Friday night, when the lion-tamers, or wives of the Lions will be present. Lions from Hamilton, Toronto and Oshawa clubs will attend.

The Lions of Belleville seem to have both eyes open all the time. Two large signs have been erected one on the Trent Road near the Mineral Springs field and the other on Dundas street near the Hospital with the greeting, "The Lions Welcome You to Belleville." These signs are six feet by ten feet in size.

W.M.S. MEETING.

The annual thank-offering meeting of the St. Andrew's Auxiliary of the W.M.S. was held in the lecture-room of the church on the afternoon of Wednesday the 3rd inst. The attendance and the generous thank-offering evidenced a growing interest in this branch of church activities. A delightful musical programme by Miss Lobb, Miss Penn and others, contributed largely to the pleasure of the meeting, after which refreshments were served.

FALLS DOWN SHAFT.

Buster Cartwright, employed in the furniture department of the Beach Manufacturing Company, Winchester, fell backwards twenty-five feet down an open elevator shaft at the plant. Picked up unconscious he was found to be suffering only from cuts about the face and head and severe bruises on one leg.

Awaits Report of Prof. McLean

Mr. Reeves Does Not Think Deep Drilling for Oil Necessary near Lonsdale

Mr. Walter H. Reeves, of London, England, representative of the General Oil Fields Limited, and Prof. McLean, of Toronto, have completed the superficial investigation of the land near Lonsdale in Tyendinaga for oil prospects. Mr. Reeves is now waiting for the geologist's report.

As for himself he was well satisfied with the prospects. "I feel justified in saying London, England," he said this morning, "to have work go on."

This work will be the sinking of three or four test wells of different spots on the land under lease. This will be undertaken at once.

Asked if he thought the test wells would have to be sunk to a great depth, Mr. Reeves replied that he did not think so. He believed that oil would be struck after a short drilling.

Anyone in Job Hold on to It

Prospects for Employment in Coming Winter Are Not Rosy—Mr. Hudson's Advice.

KINGSTON, Nov. 4.—"My advice to anyone having a job," said H. C. Hudson, General Superintendent of the Ontario Employment Service, "is to hang on to it tight."

Mr. Hudson held a conference with the Employment Officers of Eastern Ontario. At the conference were: L. Green, Employment Officer at Belleville; C. S. Ford, Employment Officer at Ottawa and W. A. Stroud, the local Employment Officer. The conference was held to size up the unemployment situation in Eastern Ontario, and methods for best handling the situation this winter were discussed.

Eastern Ontario Steadier.

"The situation in eastern Ontario," said Mr. Hudson, "looks better than in other places, because of the fact that there have been no abnormal booms and affairs have been kept more or less at an even trend. There is, however, a slackening of all over in regard to employment, with unskilled labor being chiefly out of work, though there is an un-
