HUMBLED HAMILTON ATHLETICS  
BY THE SCORE OF EIGHT-TWO

Red Sox Played Bang-Up Ball in All  
Departments—Five Runs Scored in  
First Inning of Yesterday's Melee.

[By Special Wire to the Courier]  
HAMILTON, May 16.—Hamilton  
fans called it an off day here for the  
crew of "Doc" Yates. The term of  
day is an ancient one and in the pre-  
sent case is taken to interpret the  
feeling of those who have considered  
that "off day" would be a good cover  
up for a team that has undoubtedly  
been getting by lucky so far. It was  
not an off day for Hamilton, it was

Gobby Ivers' steal of second was  
a remarkable effort.

a Torreon and the Sox routed the  
Athletics so badly that it is doubtful  
if they can come back to-day in the  
final clash of the encounter.

The Red Sox won because they hit  
and worked like a well-oiled ma-  
chine behind their pitcher. In fact,  
yesterday's game was really the first  
time the team has shown the result of  
Deneau's work. Nor should there be  
anything strange about that. Roth at  
third base made all the difference in  
the world, while Wagner seemed his

old self at second. These two players  
ers strengthened the attack. There  
was no failure to hunt and when hits  
were needed they were forthcoming.

Eddie Taylor pitched one of those  
kind of games which will put him  
by in this league with plenty to spare.  
Taylor used a puzzling slow ball and  
with five runs to spare just laughed  
at the Hamilton batsman. Eddie  
isn't a pitcher after a record any  
time and was out there to win. He  
did with plenty to spare. It will be a  
shame what this fellow Taylor will  
do with a little warmer weather.

The Red Sox got to Dougherty for  
five runs in the first. Ivers, Sandusky  
and Roth pulling off clean hits. Dolan  
who succeeded the Athletic southpaw,  
had a lot more stuff than Donahue  
of the day before, but the Sox got to  
him for three runs—enough to win.  
There was ginger behind the Brant-  
ford team and there was none in the  
Yates crew. In fact the Hamiltonians  
showed they were good quitters.

In the fielding line the Sox looked  
superior. Honeck contributed the  
only bobbie missing a hard hit ground  
ball. He looked after five other chan-

ces superbly, while Wagner also took  
in five. Biddy Burns roamed around  
a lot in left field and garnered in  
three sky scrapers. Burns with Ivers  
and LaCroix pilfered bases on big Red  
Fisher. In fact wherever and when-  
ever they could the Sox piled on the  
agony and it was painful for the home  
crowd.

Umpire Riley was not as bad as on  
opening day, but bad enough. He  
makes mistakes in plenty and it is said  
pleads with the players to overlook  
his errors in judgment. All of which  
leads to the supposition that Mr.  
Riley is a boob at the umpiring game  
and will not last.

**Cresswell Going Good.**  
Belting's arm is still sore, the big  
fellow complaining in the first game  
of the Saturday double header at  
Erie and he will be allowed to nurse  
it before being called upon to take  
his turn in the box. Cresswell's arm  
is back in shape after a siege of  
soreness, and the local boy, who is  
well thought of by Blount, should  
enjoy a great year. Cressy will sur-  
vive go up if he has any of the breaks  
and shows the control he has dis-  
played so far.—Peterboro Relvier.

## Notes of the Game

Oh, Hamilton, go get a team.

It was 8-2 and revenge was sweet.

Connell or Gero will twirl to-day.

In spite of the umpire Brantford

won.

The Red Sox put up gilt-edged ball

in the field.

We knew Eddie Taylor could do it.

Watch Taylor this year.

The Red Sox garnered 11 hits off

THIRD PLACE BY MAY  
31, SAYS THE CHIEF

Deneau Insists on Doping Out a Winner for Brantford  
—He is Figuring on Changes to Improve  
the Strength of the Team.

The news comes from baseball headquarters that Outfielder Dolan, to  
whom a wire was sent only yesterday morning, has not been located, and  
certainly will not arrive here to-day. Dolan's appearance will mean an effort  
on the part of Deneau to bolster up the attack somewhat. What is wanted is  
a batter like Jack White of Hamilton on the roster—a man who can, on oc-  
casional demands it, break up some games. Gabby Ivers hasn't got going yet,  
and the work of Sandusky has been just fair. The latter is said to be weak  
on a curved ball, although he is undoubtedly speedy. He is not as sure a  
catch as Buster Burritt, whom local fans will remember, but is nevertheless a  
likely-looking ball player, who, with a little more experience, should go up  
higher.

Rube Deneau says that Brantford will be in third place by the end of this  
month, and has so informed President Nelson to that effect. This looks  
rather ambitious, considering the fact that the Red Sox have to meet such  
strong teams as St. Thomas and Erie before May 31. If we are in third  
place May 31 we will be in first place September 1.

Deneau has expressed some disappointment with his youngsters, and may  
find it necessary to fall back on his old policy of getting together veterans  
who will be there at all times. He has already done so in the case of Roth,  
who has made a notable improvement to the infield.

With the arrival of Pitcher Worfel here to-day, Deneau will have an-  
other problem on his hands. Worfel is said to be awfully good, and if he is,  
it will mean the departure of one of the other members of the hurling staff.  
At that, the staff looks pretty good, and it will keep the Chief guessing to  
dope out the strongest combination, no matter how good Mr. Worfel happens  
to be.

When Hamilton shows a real  
good crowd for its size and a real  
good ball team, we will take off our  
hats to the burg.

On Thursday at Hamilton, the  
Hamilton press smoked a box of cig-  
ars, the compliments of President  
Nelson, which leads to the suspicion  
that Mr. Nelson is one grand adver-  
tiser.

Bobby Robinson of The Hamilton  
Spectator, is reported to have eaten  
18 yards of wire screen netting and  
chewed two posts yesterday af-  
ternoon during the nine innings of  
agony piled on by the Red Sox.

Since Bobby Robinson loaded up  
the averages in 1911, every Hamil-  
ton player is supposed to hit for .400 and  
field .990. The same old game is  
on this year, and we suspect that if  
Bobby is a Hamilton club director, his  
interest in the club is in proportion  
to the zeal he has for its welfare. Just  
where Paddy Jones comes in is hard  
to say.

CHICAGO, May 16.—Ty Cobb's  
steady advance to the front among  
the American League batters was the  
feature of the race for hitting honors  
this week. The latest records show  
him in eighth place, with an average  
of .315, an increase of eight points  
and an advance of five places since  
last week. Two weeks ago he ranked  
38th with an average of .240. Jackson  
of Cleveland leads the batters with

Fast Exhibition Bouts  
Arranged For Monday

Roy Carson and English Tommy Ryan Will Give a  
Ten Round Exhibition Here—Other  
Matches.

Sporting Editor Courier:

Sir—Roy (Kit) Carson is training  
hard for his bout with English Tom-  
my Ryan, May 25th, at the Opera  
House, and expects to show his home  
people how much he has learned of  
the game since leaving here one year  
and a half ago.

Ryan is a very clever boxer and a  
veteran in the game, having many  
victories to his credit.

A few more days of hard work for  
Roy and his regular routine of  
boxing, skipping, bag and shadow  
work will put him in tip top shape  
for Mr. Tommy Ryan.

Another surprise for lovers of the  
game will be one, Mr. Sharkey.  
Young Sharkey will be seen here  
against Freddie Williams of Brant-  
ford, in the semi wind up.

Young Sharkey is a late arrival in  
Buffalo from Chicago, and meets Joe  
Dexter to-night at the Innubury A.  
C. in Buffalo for 6 rounds.

Two other preliminaries taken from  
local talent, will be announced later.

This card will be the best ever  
shown in a local ring, and has made  
quite a lot of talk since first announ-  
ced. Tickets will be for sale at all  
leading hotels and pool rooms in  
Brantford and Hamilton. General  
admission will be fifty cents, and re-  
served seats 75c and \$1.

Hoping I am not asking for too  
much space in your valuable paper, I  
remain,

Yours truly,  
JOS. M. (WHITE) ZUNENTSH  
Mgr. of Roy (Kit) Carson.
