ELEVATOR PROSECUTION.

This action has been pending some time and it is generally known to the grain trade that this information is but one of several that may be laid on the strongest information in the pos-session of the commissioner. While the exact wording refers only to untrue and incorrect statements, it is understood the real basis of action taken by the commissioner is the belief that mixing had been resorted to. Several cases were brought nearly a year ago against several terminal elevators who pleaded guilty to mixing and paid fines of \$500 each after appearing before Magistrate Daly.

though her health is good, wearies her, and so I am here to share some of her burdens. As to personal qualities necessary for success in business, I put memory first on the list. We may say that some particular man is able and brilliant. What we mean, although memory for success in success, in su Fatal Fall Into Well. Brandon, Man., Dec. 12.-Joseph Parker fell into a well on Paterson's farm west of Brandon Sunday night and lost though we do not realize it, is that he has an abnormal memory. If you will has an abnormal memory. If you will think the matter over, you will see that I am right.

Memory and the genius to apply it prevents one from repeating his mistakes of judgment or fact. Mrs. Green will say: "That transaction," referring to a matter long since closed. "involve the well, apparently having broken to a matter long since closed. "involve the second sec
