### DEATH OF JOHN A. RAPPELL

Shortly after the noon hour to-day (Wednesday) the announcement was made that John Rappell was dead. The news came with shocking suddenness as very few in the village knew of his illness. On Monday he was about the village as usual, but was not, and had not been for several days, feeling as usual. He was taken ill on Tuesday and at 1 a. m. last night Dr. Harro was summoned to his bedside. The serious nature of his condition was at once recognized and everything possible was done to alleviate his sufferings and stay the progress of the disease (fulminating peritonitis), but to no avail. Everywhere the tidings of his death caused profound sorrow, the one thought in the mind of all being—a good friend, an honest man, a worthy citizen is gone.

The deceased was born in Wexford Co., Ireland, in 1848, and came to Canada with his parents when he was five years of age. He is survived by a sorrowing wife and mother, and 5 children (2 boys and 3 girls) Gordon with the Merchants Bank at Edmonton and Kenneth, Grace—at Clareholm, Alberta, Chrystl and Hazel. Also four brothers and two sisters—Henry, Robert, Mrs. Tackaberry and Mrs. Rundlet, Iowa; and George and Edward at Brockville.

Deceased spent nearly the whole of his life in this county, and in whatever business he engaged his dealings were marked by liberality and sterling integrity. A member of the Methodist church, his life was in full accord with his religious professions.

He was for many years a prominent member of the Orange order and was also an esteemed member of the Independent Order of Foresters. The funeral, which will take place on Sunday next, will be under the auspices of those orders.

### The Hot Weather Test

Makes people better acquainted with their resources of strength and endurance.

Many find that they are not as well off as they thought and that they are easily enervated and depressed by the heat.

What they need is the tonic effect of Hood's Sarsaparilla which strengthens the blood, promotes refreshing sleep, overcomes that tired feeling, creates appetite.

### Brockville Fair

Editor Reporter.  
Sir,—Among the many improvements and additions made to this extensive and excellent fair ground is an isolated building, a fine pavilion for the display of cheese, butter, honey and aparian devices—ample in dimensions, convenient in arrangement, attractive in appearance.

President Beecher, Secretary Field, and the intelligent energetic board of directors omit nothing that will make this Brockville institution highly pleasing and instructive. They also take great pains to procure experts and specialists in all classes to insure exhibitors intelligent, conscientious, qualified judges. I have heard generally very favorable comment on this feature of their management, and they justly merit the credit of running the best equipped and largest fair of its class in the Dominion.

With respect,  
W. S. HUGH.

Does the address label on your paper remind you of anything you have forgotten?

### Dr. Hugo's Health Tablets for Women

Contain No Opium nor Whiskey

Dr. Hugo's Health Tablets for Women are a harmless vegetable compound put up in tablet form—chocolate coated, easy to take.

And yet without alcohol, without opium or other harmful drugs, there is no medicine in the world which acts so quickly. Improvement is noticed in one week. The first box starts a woman on the road to health.

The alcohol or opium in liquid preparations invariably, in the end, leave the patient in a more pitiable condition than in the beginning.

Dr. Hugo's Tablets make permanent and lasting cures of all the ills of women.

They make healthy women.

Unlike the proverbial Prophet, Tuck's Rheumatic Bone Oil is not without honor in his own country.

For twelve years this Oil has been doing Smith's Falls and vicinity and to-day is held in great esteem in that part of the country. It cures simply because it attacks the seat of the disease. If troubled with Rheumatism, Neuralgia, or kindred complaints the following testimonial may interest you,—D. Allport, Frankford says:—

"I have been troubled with Rheumatism, during the past fourteen years and have tried various liniments and remedies without getting any relief. Tuck's Bone Oil has proved an effectual cure as I have not been troubled since I used it. My daughter tried it for toothache and it cured her in five minutes. I send you 50c for another bottle. I would not be without your oil in my house." What it did for Mr. Allport and family it will do for you and yours. Ask your medicine dealer for it or send 50c to THE TUCK BONE OIL Co. Limited, Smith's Falls.
