Almost Miraculous Cure of Mr. Thos. Warren,

BY
Paine's Celery Compound
A POPULAR DRUGGIST INDORSES THE LETTER.

The Wells & Richardson Co., Limited.
Dear Sirs,—Ten years ago I was laid up with a bad cold contracted at the time of the big flood here. The cold developed into inflammatory rheumatism, and I was laid aside for nearly six months. I recovered, and was able to work for a time, when I was again seized with the terrible disease. I kept getting worse and suffered the most intense agony. My elbows were partially drawn out of place, and my knees were swollen to nearly double their natural size.

Words fail to express what I suffered, and for days at a time I could not get out of bed nor move myself. During all this time I was treated by the best and most skillful physicians, but they did not seem to be able to relieve me and I kept getting worse.

Believing that the doctor's medicine was not producing any good, I decided to give it up and allow the disease to take its course. I grew weaker and weaker every day from the pain, and felt that there was little hope for me.

Having read about Paine's Celery Compound I decided to give it a trial. After the second week I began to improve, and on the 20th of May I was able to resume work. I have been working every day since, and am quite well at the present time. I continued the medicine until the middle of August, when I had used in all six bottles. Its effect was magical and permanent, and I consider it a wonderful medicine. I would advise any person who is afflicted with rheumatism to give Paine's Celery Compound a trial.

Yours respectfully,

THOS. WARREN.

Cornwall, Ont.

This is to certify that I have known Mr. Thomas Warren for about thirteen years, and that he has been a great sufferer from rheumatism. In fact on two occasions, when suffering intensely from pain and being so reduced in strength it hardly seemed possible that he could recover. It is true he began to recover with the first bottle of Paine's Celery Compound, and continued until he seemed perfectly well.

E. H. BROWN, Druggist.

NASTY FALL

Dresden man Knelt Down by Horse and Rig on King St. To-day Sustained Severe Injuries.

John Northcott, of Dresden, met with what might have proven a serious accident this morning.

He was walking over the crossing on King street between Northway's and Thornton & Douglas', when Putnam's delivery wagon came along.

The man attempted to pass in front of the horse, but was too late. The animal knocked him down and the wheels of the vehicle ran over him. He picked himself up and resumed his walk down King street, apparently uninjured. Later, however, it was found that he had received some internal injuries which may prove serious.
