FRES PAYABLE TO ASSI

St. John Letter.

St. John, January 31, 1888.—
Failures and rumors of failures have kept the commercial world on the quivive for the last week or two though nobody appears to feel or fear a scorching. The busy-bodies whose in mouths have been shut a few months are loose again and Dame Rumor has able assistance to help spread the blue ruin" news. If there are any more shaky firms in St. John now is the time for them to fall. It is better "blue ruin" news. If there are any more shaky firms in St. John now is the time for them to fall. It is better when trade is dull—as it always is in 1905 January and part of February—that these blows should come, than that their paralyzing influence should weaken the energies of men during 100 30 75 29 35 the booming spring season. January 150 is always the dullest month of the 50,000 year in St. John and the unusual snow and wind storms and low temperature have aided materially to 54 75 12 00 indications of weakness but rather as 40 12 20 the result of a long and heavy up hill 40 pull which has been suddenly shortseed by the steepness of the ascent. A portion of St. John's financial 20 20 the result of a long and heavy up hill 40 pull which has been suddenly shortseed by the steepness of the ascent. A portion of St. John's financial 20 20 the result of a long and heavy up hill 40 pull which has been suddenly shortseed by the steepness of the ascent. A portion of St. John's financial 20 20 the creation of St. John's financial 20 20 the creation of St. John's financial 20 20 the size of the displacement of a single block is winter.

The toboggan slide is receiving a large amount of patronage this winter.

The concert given last week by the Baptist choir, assisted by members of the Cornet Band, for the bendent of Mr. J. Albert Black, netted and Refined Yellow.

Travel through St. John does not decrease so much in winter as would be supposed; but it is of a different class altogether. I think that provincialists travel more in winter than the Court House be built of stone in supposed; but it is of a different class altogether. I think that provincialists travel more in winter than the Court House be built of stone in suppose while our American and not to cost more than twenty. 400 in summer while our American and not to cost more than twenty 500 friends wander during the warm sea200 son and stay at home in winter. The for building same be asked to have

ing business hours there is no livelier reins was dragged a considerable place in the city than its office which is spacious and inviting and suggestive of that homelike comfort which pre-4 00 of that homelike comfort which prevails throughout the whole house, and puts a guest at his ease at once. This is of course due to the unobtrusive and courteous clerk and attendants who with such a popular and genial host as Mr. T. F. Raymond and puts as Mr. T. F. Raymond and genial host as Mr. T. F. Raymond could not be otherwise. The impressions of a city which a stranger bears away with him depend largely upon the nature of his accomodation. It may be safely ventured that St. John will not suffer by the tongues of to a sleigh at the Station, in charge

will not suffer by the tongues of to a sleigh at the Station, in charge Royal guests who supplied with the most inviting, spacious and comfort- abies rooms and entertained at the best table would be ungrateful indeed platform and turned up Victoria S t to say aught which was not compli-mentary.

to say aught which was not complimentary.

Manager Hosmer of the Canadian Pacific Telegraph system in a private letter to H. Chubb & Co., of this city, says he expects their wires will reach here August 1st or about one month before the railway. That is progress for you. Every man who uses the wires will rejoice at this news because, with opposition, rates must fall. With opposition, rates must fall. The newspaper proprietors will than be able perchance to give their patrons fuller and more readable teleshors. The miserable digest which appears now is a disgrace to provine and content of the sidewalk. A number of ladies and children narrowly escaped being run ever, but the horse was caught before any serious damage was done.

—A drunken affray, which may terminate fatally, took place Tuesday evening. A young man named Arthur Gould, who lives on Union from a house occupied by Richard Brundage, and on entering the house found Brundage, and another man, who was covered with blood, engaged in a struggle, both grasping

clearly and to-day there are more firms in the city standing upon their own bottom than there have been in the past ten years. A keen, prudent and South standing beyond their means has caused the failures of many merchants in St. John the past year. If instead of spending \$5,000 and making \$3,000 they had lived upon \$2,000 and saved the remainder they could have stood the financial break; but it's not seen to be upon their means has caused the failures of many merchants in St. John the past year. If instead of spending \$5,000 and making \$3,000 they had lived upon \$2,000 and saved the remainder they could have stood the financial break; but it's not seen that the saw of the reputation of being a ties of Choice Candy, of choice the saw on the reputation of being a ties of Choice Candy, of choice the saw on the reputation of being a ties of Choice Candy, of choice
