the Act into force in this County, for, believing that the temperance sentiment, (if strong enough) could not be roused to enforce the law, and that its proclamation here would result practically in the reign of free whiskey, we favored a less stingent law, that would receive the unequivocal support of all good citizens and that we never the evils of the traffic. The results have proved this view of the question to be partially correct and partially incorrect. We think we are correct in stating that the temperance would restrain in stating that the temperance would restrain stating that the temperance correct in stating that the temperance would restrain and the results for interest the evils of the traffic. The results have proved this view of the question to be partially correct and partially incorrect. We think we are correct in stating that the temperance men of the county haven of the county haven of the county haven of the county haven over the even of the county haven over the county haven over the even of the county haven over the even of the county haven over the county haven over the county haven over the county haven over the county haven the only work done by the other correct process of the county haven over the county haven the only work done by the county of the county haven the only work done by the county and that the only work done by the county haven the only work done by the county of the county haven the only work done by the county of the county haven the only work done by the county of the county haven the only work done by the county of the county haven the county have been af very generally aided to practically enforce the law. While they all give the act an adherence and negative support, few men are willing for the sake giving force to an abstract principle to take upon themselves the odium attaching to the names "spies," "informers," sabstract principile to take upon themselves the odim attached in large to the names "spice," "informers, and the color of the continuation of the control o ing habits and to promote sobriety no objection to Inspectors underand good order. Who cannot contaking the risk on their own account. trast the quietness of our streets nowadays, with the rowdyism that often existed at nights, when gangs of men and boys inflamed with rum. made the night hideous? It will not prevent the secret sale of liquors; to stop that the Legislature will have to go a step further than the Scott Act and proaibit their

-Nearly half a century ago Macaulay described Mr. Gladstone as the "rising hope of stern and unbending Tories." Since that time, however, his principles have been steadily changing until at length he is as radical as it is possible for a Premier of England to be. His ington.

Ranington vs. Hasty--Hanington of the Franchise Bill was solemnly affirmed by Sir Stafford Northcote to be "the most serious declaration that a Minister of the Crown had ever made or the House of Commons had ever heard," and it certainly does seem to have been revolutionary enough to satisfy even Mr. Bradlaugh. Alluding to the expressed intention of the Lords to throw out the Bill, he warned them that the rejection of so vital a measure would inaugurate a conflict the tions of England and France," pubinevitable issue of which would be lished in the Spectator in 1839 :their annihilation as a legislative their annihilation as a legislative body. This would seem to be a mass of the people live in a state of printered as well as a prediction, implying that when the crisis comes plying that when the crisis comes Mr. Gladstone himself will head the attack on the British Constitution. So seriously did the Conserleft the House in a body, allowing without opposition. The Bill has been thrown out in the Lords and it is said to be the Premier's intention

as a restraint to persons who have

Committee of the Commit

STOCK FARM AND BOARD.

the press on both sides of politics is unanimous in condemning the preposed removal of the stock farm to York County. We have yet to hear a single expression of the county of coloring the preposed removal of the stock farm to York County. We have yet to hear common Pleas—a court that was far the coloring for the coloring far that was far the coloring for the coloring far that was far the coloring far that was far the coloring far that week.

Board; accelent the steek farm and the occupation of the Board is gone. Feeling they must go with the stock farm, the members seem determined to run it as a Government institution at all hazards; the \$3,000 or \$4,000 expenses seem to be of slight

Westmorland Circuit Court

The July Circuit, the Chief Justice presiding, opened at Dorchester on Tuesday afternoon. The dockets, as made up, were as follows :-Queen vs. Daniel McDonald-larceny. Queen vs. John McLellan-obstructing an officer, &c. importation and manufacture, but
