Capital and Assets for the to obliged to signarticles with any cone be could get. They were all fresh ones to us; six-and-twenty
Momen's right enough ashore,
Women's right enough ashore,

These sort of rows used generally

vick man for what I had done. 'You're a lucky man, koberts,' Mr. gone down of a night, or before they other, and how to handle a towards where the sick passenger was along with the petiticoat, till both his eyes went out of sight behind his got for my trouble. 'Yon're a lucky man, Roberts,' Mr. gone down of a night, or before they came on deck of a morning. While before the cabin lot, Captain Harness was quite the gentleman, and it seem-

wanting him to take wine, and things

I, unnat'ral fellow I ever did and he'd got more live-stock in I of great cages- cock-sparrows I of great cages- cock-sparrows I om itts, and blackbirds and Is, and all sorts o' little twitter-ings to introduce amongst the Zealanders. Then there was ed goods, and plants and seeds es; and the dock that full, that

bout folks needn't be so disagree-bout it, and every one thinks 'That I wild sir,' I says, as ho turn- afore we get this voyage to an end.' you mind your own business and go to sleep?' says Common-sense; and to sleep?' says Common-sense; and 'There'll be toul weather yet, my lad. you mind your own business and go as I was too tired to argufy, I made
