THREE OF A KIND. Old Men Before the Magistrate, Charged With Insanity.

Three old men, all charged with being insane, were the only prisoners brought before the Police Court this morning. The other prisoners were Jas. Wallace, of Troy, and Samuel Carpenter, of Lynden.

Dr. F. Roseburgh, jail surgeon, said he had examined the men and he did not think they were insane. The last two, he thought, had been drinking heavily, and suggested that they be remanded for a few days.

The Magistrate committed them to the jail until July 6th, and in the meantime they will be examined again.

Old Webster was angry when he learned he had to go to the jail; he wanted to go to the Insane Asylum.

THE WEST END SWITCH. Aldermen of Opinion That the City Should Not Buy Right of Way. The Board of Works held a special meeting yesterday afternoon for the purpose of considering the petition of the Gurney-Tilden Company and other shippers asking that the city acquire the T. H. & B. railway company with right of way for a ten-car switch and a team track on the side of the road in the west end of the city. The petitioners desire the switch located on private property instead of "on or adjacent to Gurney street," as proposed.

Chairman Judd and Ald. Frid. Terhune, of the Board of Works, were present. Solicitor MacLoughlin, Engineer Haskins, Solicitor MacKeehan, Mr. J. V. Teezel, Mr. John Milne and several others were present.

Some of the aldermen were of opinion that the petitioners were wanting altogether too much in asking the city to buy the right of way. It was decided, however, to visit the locality, and the committee proceeded to the scene. After returning to the City Hall it was resolved that in view of the fact that the T. H. & B. Company had made no request or sent no communication to the committee on the subject the petition should not be taken up until the next meeting of the Board.

Ross, the boy contralto, will sing. Mr. O'Brien will be accompanist, and Mr. Alexander Muir, author of "The Maple Leaf," will be present and will deliver an address.

LAST NIGHT'S BAND CONCERT. About 1,000 people attended the 12th Battalion band concert at the Drill Hall last evening. Egan was the vocalist of the evening. He contributed two songs, and was encored both times. He was in fine voice, and well deserved the hearty reception accorded him.

A BIG BLACK BASS. Mr. and Mrs. John T. Irwin are amongst the most enthusiastic fisher folk in the colony of Beach residents north of the canal. Yesterday afternoon they returned from a fishing expedition with a string of about four score beauties in bass and perch, amongst them being the fist big black bass caught at the Beach this season. On the line it weighed a ton and a quarter; on the scales about three pounds, and in the minds of smart people who did not see it about 21-2 ounces.

SOME SWEET PICKLES. Use for these the rind of a good-sized watermelon, writes Florence Barrett in an article on "Pickles, Sweet and Sour," in the Ladies' Home Journal. Pare and cut into thick slices. Boil one ounce of alum in a gallon of water and pour over the sliced lemon, letting it stand on the back of the stove for half a day. Remove from the alum water and let it lie in cold water until cold; drain. Have ready a quart of vinegar, three pounds of brown sugar, an ounce of stick cinnamon and half an ounce of cloves. Boil sugar and vinegar; strain; add the spices and rind, and boil until the rind is soft. For peaches and pears use the same proportion of vinegar and sugar, but not quite so much spice.
