## Local Happenings.

Items of Local Interest Carefully  
Prepared by the Gazette's  
"Man About Town."

H. W. Woods, General Merchant,  
Welsford, has just received a fine, new  
line of the celebrated B. Laurance Spec-  
tacles and Eye glass in Gold, Gold-filled  
and nickel frames. Mr. Woods keeps a  
perfect line of test lenses, and can guaran-  
tee perfect satisfaction to any person who  
require perfect aids to vision.

SPECIAL NOTICE TO THE PUBLIC.—War  
or no war I am still in the front rank in  
fitting trim, having lately secured the ser-  
vices of Mr. J. A. McKinnon, a late gra-  
duate of Mr. J. Mitchell's cutting school  
of New York. I am now fully prepared to  
give my numerous customers a first  
class fit, workmanship unexcelled, style  
perfect, and prices that will astonish you.  
I respectfully invite you to call and in-  
spect my large stock, no trouble to show  
goods and give you quotations at Joseph  
Walker's, Merchant Tailor, second door  
above People's Bank, Queen Street, Fred-  
erickton, West End.

FOR SALE.—District School Assessment  
Blanks and School Tax Notices for sale  
at the GAZETTE office.

WILD PIGEON.—A wild pigeon was  
discovered in Mr. Amos Corey's orchard  
last week and was fired at and wounded  
by Mr. Fred Corey, but managed to es-  
cape. Mr. George Purvis also reports  
having seen one a short time ago. Wild  
pigeons are a curiosity in this section, it  
being a long time since one was seen be-  
fore.

DIED AT BELLEVILLE.—Mr. John Mc-  
Knight died at his home Belleville Creek,  
Kings County, on Saturday afternoon the  
5th inst. He has been ailing with con-  
sumption for the past few years. Mr.  
McKnight was well known in Gagetown  
having spent the winter here with his  
sister Mrs. Wm. Hamilton. He was in the  
68th year of his age.

KILLED BY A RAIL.—A Richibucto  
special to Friday's Globe says: A three  
year old child of William Irving, St. Ni-  
cholas River, was butted to death by a  
rail on Thursday. The child had strayed  
into the yard and was not missed by its  
parents for some time. When found life  
was almost extinct and it died in a few  
minutes.

GETTING READY.—Every Christmas  
season or about the New Year the people  
of Gagetown arrange a series of horse  
racing on the ice, and this winter they  
are determined to have something extra.  
A number of Fredericton horses are al-  
ready entered and Judge Ebbett was in  
town last week and while here purchased  
the speedy trotter owned by P. A. Logan  
of Gilsdon.—Fredericton Reporter.

ON THE TRAMP.—A family consisting  
of a father, mother and two daughters,  
hailing from Sunbury county passed  
through here some months ago; they said  
they were going to look for work in the  
potato fields of Aroostook. They called  
on the chairman of the poor committee  
for assistance. On Saturday they were  
here again on their return; and again the  
poor committee was necessitated to ex-  
tend a helping hand.—Woodstock Press.

FERGUSON-SLIPP.—The residence of  
Mr. Alfred P. Slipp, Upper Hamstead,  
was the scene of a very interesting event  
on Wednesday last when his sister Fannie  
M., was united in marriage to Harry  
H. Ferguson, of St. John, formerly of  
Gagetown. The Rev. J. W. Clark per-  
formed the marriage ceremony. THE  
GAZETTE joins with the happy couple's  
many friends in wishing them a long and  
prosperous journey through life.

SHOT THREE MOOSE.—Says the Sun:  
Oswald L. Simpson of New York and H.  
F. Dodge and Joseph Carleton of Mon-  
vern, N. H., who had spent a week  
or ten days hunting in Queens county,  
N. B. arrived Wednesday morning and  
left for their homes in the afternoon.  
They had exceptionally good luck, having  
shot three bull moose and a deer at Co-  
go Lake. One of the moose weighed 956  
lbs. when dressed. The party saw no  
less than twenty moose and fifteen deer  
while in the woods and in addition there-  
to several black bears.

DIED AT INCHY.—The Sun's Ham-  
stead, Queen's Co., correspondent writes  
under date of Oct. 28: "William Wal-  
lace of Inchy died yesterday, after an  
illness of seven years, during which time  
he has been unable to do anything. He  
could not speak for the last fortnight.  
He was eighty-two years of age. His  
funeral will take place on Sunday morn-  
ing, leaving his late residence at ten  
o'clock whence it will proceed to the  
Baptist church. The services will be  
conducted by Licentiate Carpenter. He  
leaves a widow, four daughters, three  
sons, including John B. Wallace, photog-  
rapher of St. John; R. B. Wallace of the  
educational office at Fredericton, and a  
large circle of relatives and friends.—  
Sun.

COOK'S NEW BLOOD PILLS.

WILL ROW TODAY.—Mr. Harry Vail  
will again row Michael Lynch for \$150 a  
side on Bedford Basin, today (Wednes-  
day) if the weather is favorable.

AUCTION OF STOCK.—Mr. T. S. Peters  
will offer at public auction on Wednesday  
afternoon all his stock of horses, cattle,  
etc.

PARTRIDGE WILL DIE.—Messrs. A. W.  
Ebbett, J. W. Dickie and Wm. Brander  
left at an early hour on Tuesday morning  
for partridge shooting. The poor birds!

IMPROVEMENT.—Mrs. Dr. Gilbert has  
had her residence greatly improved by  
the erection of a new piazza. Mr. Wil-  
lam Cooper did the carpenter work.

AUCTION SALE.—Mrs. DuVernet will  
sell by public auction on Tuesday next,  
all her farm machinery and household  
effects.

WILL BE ENTERTAINED.—A number of  
gentlemen of Gagetown held a meeting  
on Monday evening at which it was re-  
solved to entertain Mr. Harry Vail, the  
champion oarsman to a turkey supper on  
his arrival from Halifax. The supper  
will be supplied by Mr. W. B. Dingee.

BATHURST COPPER MINE.—Campbell-  
ton Telephone: The Baldwin copper  
mine was visited on Wednesday last by  
S. Clark Baldwin and some American  
capitalists for the purpose of purchasing  
the mines. The gentlemen place great  
faith in those mines, which have been  
allowed to lie idle for the want of cap-  
ital. Mr. Baldwin has now in his pos-  
session some fine specimens of the copper  
ore.

NORTH-WEST ELECTION.—The North-  
West Territories general election was  
held on Friday and the government was  
sustained by a good majority. Mr. G.  
H. Bulyea, formerly of this town was  
again elected for South Qu'Appelle, R.  
D. Bennett formerly of Chatham, was  
elected for West Galt and Dr. De-  
Veber, formerly of St. John was elected  
for Lothbridge. The government will  
have 25 members out of the 31 seats.

SOME WILL BE DISAPPOINTED.—It is  
scarcely conceivable that the publishers  
of the Family Herald and Weekly Star,  
of Montreal, will be able to supply all  
orders with their beautiful premium pic-  
ture, "The Thin Red Line," the most  
thrilling and life like battle picture in the  
annals of the British Army. The pic-  
ture is reserved for Family Herald and  
Weekly Star readers. None others can  
have it. It is said by those who have  
seen the scramble that the rush is phe-  
nomenal.

DEATH OF MR. WILLIAM WILSON.—  
Mr. William Wilson passed away quietly  
at the home of his brother on Saturday  
evening the 5th inst., at the age of 79. He  
leaves seven brothers and three sisters to  
mourn their loss. This is only the se-  
cond death in that large family so well  
known to many as the Wilson family.  
Both of these deaths have been during  
the present year. The funeral took  
place Tuesday afternoon and was at-  
tended by many old acquaintances of the de-  
ceased. Rev. David Patterson assisted  
by Rev. Grant Corey conducted the ser-  
vices and interment was in the Cam-  
bridge Baptist Cemetery.

ALLEGED MURDER.—The body of Peter  
Murray, a well-to-do fisherman of Cara-  
quet, Gloucester Co., was found hanging by  
the feet over a wharf in Chatham, N. B.,  
on Saturday night. Murray was sailing  
fish on a schooner. He was missed and  
after two hours' search was found as  
described above. An inquest is being  
held on the body. It is feared that  
murder has been committed.

A REPORTER.

## NOVEMBER DYEING.

Success, Profit and Plea-  
sure When Diamond  
Dyes Are Used.

Thousands of city and country women  
and girls will dye during the month of  
November. Old dresses, costumes, capes,  
jackets, wraps, shawls, and clothing for  
men and boys will be brought from attics,  
closets and boxes, and prepared for the  
dye bath.  
It is safe to assert that every wife,  
mother and daughter who has heard of the  
wonder-working Diamond Dyes will use  
them in preference to any other make of  
dyes.  
It is unnecessary to dilute upon the  
many grand results that users of Dia-  
mond Dyes obtain. A few words will  
tell the story. The Diamond dyes will  
take the old things look as fresh and as  
good as new, and will give colors that sun-  
or washing cannot fade. The unfortu-  
nate women who are induced by some  
dealer to buy imitation and adulterated  
dyes will certainly suffer loss of money,  
time and materials.  
There is profit in home dyeing only  
when the Diamond Dyes are used. See  
that you get the "Diamond" from your  
dealer; refuse all imitations.
