L. BLACK & CO'S Spheroidal Spectacles AND EYE GLASSES

ARE the best for the preservation of
the sight, and took the medal at the
Centennial Exhibition.

The lenses are made of the best ma-
terial, uniform in density, and of high
refractive power, their perfect polish
and spheroidal shape adapt them to ease
and improve the sight of the wearer.

The eye being the most delicate or-
gan great care should be exercised in
selecting spectacles; it is not enough
that the glass be of the right focus, but
the lenses must be perfectly centered
and in many cases perfect relief is only
given by having each eye fitted separate-
ly. To effect this the lenses are made
interchangeable, and having an Opto-
meter to measure the sight, a perfect
fit is guaranteed.

Call and examine before purchasing
any other kind.

A full stock in Steel, Rubber, and
Gold Frames and prices to suit all
pockets.

and the Public generally.

The subscriber has just received his

FALL STOCK!

And thanking his numerous custom-
ers for their patronage during the past,
begs leave to request a continuance of
the same during the frosty future and
to assure them that as ever, no pains
will be spared to make this establish-
ment head and shoulders above its fol-
lows and to produce a good honest
set of CLOTHS or parts thereof at
prices to suit the times. ON HAND:—
A large and choice assortment of the
CELEBRATED EDINBURGH RUB-
BER COATS.
Absolutely unrivalled for durability.

CHAPTER XX.

[CONTINUED.]

'It is sad enough,' replied Athel-
stane; 'but I trust they will hold
us to a moderate ransom. At any
rate it cannot be their purpose to
starve us outright; and yet, al-
though it is high noon, I see no
preparations for serving dinner.
Look up at the window, noble
Cedric, and judge by the sunbeams
if it is not on the verge of noon.'

'It may be so,' answered Cedric;
'but I cannot look on that stained
lattice without its awakening other
reflections than those which con-
cern the passing moment, or its
privations. When that window
was wrought, my noble friend, our
