Demobilization of Troops

THE demobilization of the Canadian Expeditionary Force is perhaps the most important problem now confronting the Dominion Government, and the transportation of the troops from the port of landing to their home destination is a work which will require skillful handling. On reaching Canadian soil, after their hard fought battles in foreign countries, the veterans will deserve all the consideration that can be given to them.

It was therefore a wise decision on the part of the Dominion Government when they decided that the Canadian Railway War Board should appoint a committee that will make all the arrangements necessary for the transportation of the soldiers through Canada.

The War Board so constituted the committee that it is representative of the three principal Canadian railways. Ever since the beginning of the war officials of the Canadian Pacific Railway have been conspicuous as leaders in the country's patriotic efforts, and now Lieutenant-Colonel Walter Maughan, Assistant General Passenger Agent of the C. P. R., has been chosen as chairman of the committee that is to undertake the responsibility for the train transportation of the soldiers to their places of abode in Canada. Lieutenant-Colonel Maughan's long experience and his thorough knowledge of railroad affairs make him thoroughly qualified to fill the position for which he has been selected.

In March, 1892, at the age of sixteen years, Walter Maughan joined the staff of the Canadian Pacific Railway as a clerk in the Toronto office. In September of the same year he was transferred to Hamilton to act in a similar capacity. In 1895 he was again brought back to the Toronto office, and in March, 1897, he became city passenger agent in the Queen City. On November 1st, 1912, he became assistant district passenger agent in Toronto. One month later he was promoted to become assistant general passenger agent in Montreal.

Lieutenant-Colonel Maughan is representing the C. P. R. on the newly formed committee. Mr. H. H. Melanson will represent the Canadian Government Railways, and Mr. C. W. Johnston the Grand Trunk Railway.

By a co-ordination of effort it is believed that the representatives of the three big Canadian railways can so regulate railway transportation arrangements as to insure the safe and comfortable return of the Canadian soldier men to their homes. The headquarters of the committee will be in Ottawa, where the committee will be in direct touch with the Canadian Government.

A preliminary meeting of the committee was recently held in Montreal, when the Minister of Militia was represented by Colonel E. E. Clarke, Director General of Supplies and Transportation. The problem of transportation was discussed in all its phases, and the committee will have nothing undone to ensure safe transit, and feeding facilities of the highest character for the Canadian soldier men who so bravely answered to the call of duty when the country was in danger.

Lieutenant-Colonel Walter Maughan.

LADIES! DARKEN YOUR GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and Nobody Will Know.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grand mother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out of date. Nowadays by asking at any drug store for a bottle of Wyeth's Sage and Sulphur Compound you will get this famous old preparation improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

Article No. 1
Cut out for
Reference.

THIS Announcement is made by the Dominion Government—made now because it feels that every Canadian wants to know, and is entitled to know, just what plans it has made to meet the problems that face the country. Only now has it been possible to finish the many plans and policies necessitated.

From day to day the Government will use this space to explain what it is doing to bring back our soldiers, to ensure the comfort of their dependents, to keep the whole nation busy and prosperous.

The problem is to take back our soldiers and war-workers into our social and business life under proper working and living conditions. It has four phases:—

1. To bring the soldiers home.
2. To fit those who have suffered overseas for useful employment.
3. To have ready for every soldier and war worker an opportunity for employment.
4. To assure for them proper living and working conditions.

The plans of the Government are such as will help solve these problems. What those plans are will be reported to you in this series of announcements.

(Signed)

J. A. CALDER,
Chairman.
